## **Hirohito De Keizer Die Moest Blijven De Waarheid Achter De Mythe:**

**Hirohito** Edward Behr, 1989      **Newsletter** Kokuritsu Kokkai Toshokan (Japan), 1992      Moordgids Jos van Cann, 2004  
Overzicht van het werk van ruim 2000 Nederlandse Vlaamse en in het Nederlands vertaalde buitenlandse misdaadauteurs

**Aanwinstenlijst Centrale Bibliotheek** Koninklijk Instituut voor de Tropen. Centrale Bibliotheek, 1990      *Bibliografie van de literaire tijdschriften in Vlaanderen en Nederland*, 1991      **Brinkman's catalogus van boeken en tijdschriften**, 1992 With 1901 1910 1956 1960 Repertorium is bound Brinkman's Titel catalogus van de gedurende 1901 1910 1956 1960 Title varies slightly      **Hirohito** Edward Behr, 1990 This superbly documented revisionist biography of Emperor Hirohito the longest reigning monarch of the twentieth century clearly establishes Hirohito as a war criminal 8 page photo insert

**Boekblad**, 1989      **Anathema's** Rudy Kousbroek, 1969      Emperor Hirohito Charles River Editors, 2019-12-28 Includes pictures Includes a bibliography for further reading It was not clear to me that our course was unjustified Even now I am not sure how historians will allocate the responsibility for the war Emperor Hirohito The man known to most of the world as Emperor Hirohito ruled during some of the most tumultuous years in Japanese history When he came to the throne in 1926 he inherited control of a country which had only recently emerged as a major industrial and world power and through the aggressive expansion and wars of the 1930s Hirohito was at the head of one of the world's foremost powers Throughout the maelstrom of World War II he remained in power a distant and to most outsiders inscrutable factor in the rise of the Japanese Empire Before and during the war many people in America and elsewhere believed that Emperor Hirohito was at least partly responsible for both the confrontational Japanese approach to foreign affairs and for the often brutal conduct of the Japanese armed forces during the wars which followed As such when the war ended there were plenty of calls for the emperor to be indicted for war crimes along with other senior figures in Japan However a new feeling emerged at that time suggesting that in reality Hirohito had been little more than a figurehead taken along by a tide of militarism helpless to intervene or influence the course of events Modern scholarship suggests that neither of these views of Hirohito is entirely true At the time he came to the throne the emperor was revered as a semi-divine figure and his influence on every level of Japanese political and military life was undeniable and considerable Although the emperor generally did not express his will through the issuance of direct orders the displeasure of the emperor was something which every senior member of the military and political sphere sought strenuously to avoid In this context to imagine Hirohito as a helpless puppet a purely constitutional monarch manipulated by ruthless politicians and generals is an error Indeed he was always an active participant in the most important events before and during Japan's war against the Allies In hindsight it's clear that the image of Hirohito as a powerless figurehead emerged as part of a legend deliberately created by America and its allies following the war to help maintain a peaceful occupation of Japan With the dawn of the Cold War Japan was needed as an ally allowing it to serve as a potential bulwark against Soviet expansion in Southeast Asia Rebuilding Japan into a strong and stable power became a priority and

for this Hirohito was needed to provide continuity and a form of rule to which the Japanese people were accustomed Thus Hirohito went on to rule throughout the astonishing Japanese economic recovery in the 1950s and 1960s all the way until his death in 1989 The new constitution imposed by America after the war was framed around the monarchy and to justify keeping Hirohito in power it was necessary to demonstrate that he had not been personally culpable for Japanese aggression or military brutality This was so successful that for many years few historians disputed this version of history It was only relatively recently that new works have concluded that the personality and influence of the Japanese emperor were far greater than this post war invention suggested Today most modern historians agree that Hirohito was neither a helpless dupe nor an aggressive hawk who drove Japan into war his role was more complex and his personality played a far more significant role than either of these simplified views would suggest This book looks at the role of the enigmatic leader in the rise fall and rebirth of modern Japan Along with pictures depicting important people places and events you will learn about Emperor Hirohito like never before

**Hirohito** Hourly History,2018-12-05 Hirohito Japanese Emperor Hirohito is one of history s most enigmatic figures He led the Japanese during the darkest point of their history as they joined forces with the fascism of Nazi Germany and Italy Upon Japan s defeat most believed that Emperor Hirohito would stand trial for the war crimes he was accused of presiding over But the trial never happened Instead to the surprise of the whole world and most likely Hirohito himself he was placed back on his throne and allowed to administer affairs in Japan until the day he died peacefully in 1989 How did all this come about Read further to discover the life and the legend of Japan s most notorious leader Inside you will read about Hirohito Takes the Throne Invasion of China and Assassination Attempts The Rape of Nanking and Unit 731 Imperial Japan an Axis Power Entering World War II Atomic Bombs Hiroshima and Nagasaki And much more

*Hirohito, keizer van Japan* Lydia Chagoll,1988 Open brief aan de keizer van Japan met een opsomming van de in zijn naam tussen 1931 en 1945 gepleegde oorlogsmisdaden

*Hirohito* Peter Crome,1989 Politieke biografie van keizer Hirohito van Japan 1901 1989

*Hirohito* Edwin P. Hoyt,1989-04 This biography of the former Emperor of Japan describes his crucial role as cultural religious and social arbiter of a nation of 120 million people It also examines the rise and fall of Japan during World War II and the manner in which Hirohito attempted to prove his own mortality despite the traditional reverence of the Japanese people

Hirohito and His Times Toshiaki Kawahara,1990
