I Believe: A Fulfillment of Promises Lance Edwin Compton, 2014-06-26 A self-described hillbilly from western Oklahoma, Lance Compton is one of God's unlikely servants whose life illustrates that Jesus Christ did not cease to transform the wayward into His ambassadors on the Damascus Road. After a devastating diagnosis with cancer in the seventh grade, Lance was miraculously and spontaneously healed by God's gracious hand. This event gave him an unquenchable desire for a deeper knowledge and fuller understanding of his Creator, and he immediately embarked upon an unorthodox journey toward that end. Lance's peregrination of faith has brought him into fellowship and friendship with some of the country's most influential people, allowed him to see the halls of power, reserved a seat for him at the table of one of the world's largest Christian ministries, anointed him a zealous caretaker of society's discards, asked him to prevent a heinous murder, shown him the extent to which God's grace abounds bestowed upon him the grandest of purposes, and led him to the greatest treasure of all: intimate knowledge of the Truth. You will want to walk alongside Lance as he recounts his journey upon the narrow way, and

learns from station to station how secure is that foundation upon which the structure of a full life stands how careful is the Potter whose hands labor diligently to bring forth perfection how priceless is the mosaic that reflects the light of its Maker and how beautiful are the feet that abide in the dust for good news sake Come and see The Mosaic of Atonement Joshua M. McNall, 2019-08-27 The Mosaic of Atonement offers a fresh and integrated approach to historic models of atonement While modern treatments of the doctrine have tended toward either a defensive hierarchy in which one model is singled out as most important or a disconnected plurality in which multiple images are affirmed but with no order of arrangement this book argues for a reintegration of four famous pieces of atonement doctrine through the governing image of Christ shaped mosaic Unlike a photograph in which tiny pixels present a seamless blending of color and shape a mosaic allows each piece to retain its recognizable particularity while also integrating them in the service of a single larger image If one stands close one can identify individual squares of glass or tile that compose the greater picture And if one steps back there is the larger picture to be admired Yet in the great mosaics of age old Christian churches the goal is not for viewers to construct the image as in a puzzle but to appreciate it So too with this mosaic of atonement doctrine While no one model is set above or against the others the book notes particular ways in which the pieces the feet heart head and hands mutually support one another to form a more holistic vision of Christ s work This is my body Jesus said to his followers and by reintegrating these oft dismembered aspects of atonement we will note fresh ways in which it was given for us Inspiring Stories of Everest
