Historical Dictionary of Football

John Grasso, 2013-06-13 Gridiron football or American football or just plain football is the most popular sport in the United States in the 21st century Although attempts have been made to develop the sport outside North America it is still predominantly a North American sport with similar games but significant rules differences played in the United States and Canada The *Historical Dictionary of Football* covers the history of American football through a chronology an introductory essay appendixes and an extensive bibliography The dictionary section has over 600 cross referenced entries on both amateur collegiate and professional players coaches teams and executives from all eras This book is an excellent access point for students researchers and anyone wanting to know more about the sport of football

Historical Dictionary of

Bowling John Grasso, Eric R. Hartman, 2014-08-07 Loggats kayles quilles skittles half bowl and ninepins were all early forms of games in which the goal was to knock down small standing objects from a distance by rolling or throwing another object at them Archaeologists have found items from Egypt around 5200 B C that included small stone balls and narrow pins that were possibly used for a game Additional research has disclosed that Polynesians played a similar game using small elliptical balls

and round flat stone disks and like modern day bowling a sixty foot throwing distance The Historical Dictionary of Bowling contains a chronology an introductory essay appendixes and an extensive bibliography The dictionary section has over 500 cross referenced entries on both male and female bowlers amateur and professional bowling coaches writers and other contributors to the sport of bowling descriptions and results of major tournaments and terminology of the sport This book is an excellent access point for students researchers and anyone wanting to know more about the sport of Bowling

Historical Dictionary of Wrestling John Grasso,2014-03-06 Wrestling as a legitimate contest is one of the oldest if not the oldest form of sport There are cave drawings in France that depict memorable matches which are over 15 000 years old Egyptian and Babylonian reliefs depict wrestling bouts where wrestlers are using most of the holds known to the modern day sport Wrestling was also a big part of ancient Greek literature and legend and historical records of sport indicate that wrestling under various sets of rules was contested at the Ancient Olympic Games in Greece Today s modern wrestling is a form of sports entertainment in which highly skilled athletes enact wrestling matches in such a way so that their opponents do not get hurt and the matches endings are scripted although the audience is not aware of the script This Historical Dictionary of Wrestling covers the history of Wrestling through a chronology an introductory essay appendixes and an extensive bibliography The dictionary section has over 600 cross referenced entries on important amateur and professional wrestling wrestling personalities announcers managers and promoters from all eras and wrestling organizations This book is an excellent access point for students researchers and anyone wanting to know more about the sport of Wrestling

Historical Dictionary of the Olympic Movement John Grasso,Bill Mallon,Jeroen Heijmans,2015-05-14 The Olympic Movement began with the Ancient Olympic Games which were held in Greece on the Peloponnesus peninsula at Olympia Greece It is not clear why the Greeks instituted this quadrennial celebration in the form of an athletic festival The recorded history of the Ancient Olympic Games begins in 776 B C although it is suspected that the Games had been held for several centuries by that time The Games were conducted as religious celebrations in honor of the god Zeus and it is known that Olympia was a shrine to Zeus from about 1000 B C In modern time The Olympic Movement attempts to bring all the nations of the world together in a series of multisport festivals the Olympic Games seeking to use sport as a means to promote internationalism and peace This fifth edition of Historical Dictionary of The Olympic Movement covers its history through a chronology an introductory essay appendixes and an extensive bibliography The dictionary section has over 1000 cross referenced entries on the history philosophy and politics of the Olympics major organizations the various sports the participating countries and especially the athletes This book is an excellent access point for students researchers and anyone wanting to know more about The Olympic Movement

Historical Dictionary of Boxing John Grasso,2013-11-14 Boxing is one of the oldest sports in the world reaching back to the Ancient Greeks although it has become popular only in the past century or so But in some ways it is a rather complicated sport since to avoid unnecessary harm it has been endowed with

rules to keep it clean referees to see the rules are obeyed and organizations to regulate the sport Boxing was once largely amateur although the professional bouts attracted the most attention but now it is also an Olympic sport And over the years there has been one champion after another who symbolized what boxing was all about such Joe Louis Mohammad Ali and Cassius Clay Naturally these champions are the focus of the Historical Dictionary of Boxing as well and they have the biggest entries in the dictionary section but they had to fight against someone and there are dozens and dozens of other boxers with smaller entries More of these boxers come from the United States than elsewhere but there are others from Europe Asia and Latin America and there are also entries on the major boxing countries as well Plus entries on the rules on the organizations and on the technical terminology and jargon you have to know just to follow the bouts The introduction provides a broad view of boxing s history while the chronology traces events from 688 B C to 2012 A D Not all that much has been written on boxing that is not ephemeral but much of that literature can be found in the bibliography This book is an excellent access point for students researchers and anyone wanting to know more about the sport of boxing *Dictionary of Dictionaries* Thomas Kabdebo,1992 **Reference Books Bulletin 2002-03** Mary Ellen Quinn,2004 Arranged by broad subject and indexed by narrow subject and title this popular annual publication offers nearly 500 reviews of print and electronic reference sources Guide to Reference Books Robert Balay,Vee Friesner Carrington,Murray S.
