**Sacred Rhetorical Education in 19th Century America** Michael-John DePalma, 2020-01-29 This book offers new insight into the ways rhetorical educators religious motives influenced the shape of nineteenth century rhetorical education and invites scholars of writing and rhetoric to consider what the study of religiously animated pedagogies might reveal about rhetorical education itself The author studies the rhetorical pedagogy of Austin Phelps the prominent preacher and professor of sacred rhetoric at Andover Theological Seminary and his theologically motivated adaptation of rhetorical education to fit the exigencies of preachers at the first graduate seminary in the United States In disclosing how Phelps was guided by his Christian motives the book offers a thorough examination of how professional rhetoric was taught learned and practiced in nineteenth century America It also provides an enriched understanding of rhetorical theories and pedagogies in American seminaries and contributes deepened awareness of the ways religious motives can function as resources that enable the reshaping of rhetorical theory and pedagogy in generative ways Exploring the implications of Phelps s rhetorical theory and pedagogy for future studies of religious rhetoric histories of rhetorical education and twenty first century writing pedagogy

this book will be essential reading for scholars and students of rhetoric education American history religious education and writing studies     *A Rabble in Arms* Kyle F. Zelner,2010-11 While it lasted only sixteen months King Philip s War 1675 1676 was arguably one of the most significant of the colonial wars that wracked early America As the first major military crisis to directly strike one of the Empire s most important possessions the Massachusetts Bay Colony King Philip s War marked the first time that Massachusetts had to mobilize mass numbers of ordinary local men to fight In this exhaustive social history and community study of Essex County Massachusetts s militia Kyle F Zelner boldly challenges traditional interpretations of who was called to serve during this period Drawing on muster and pay lists as well as countless historical records Zelner demonstrates that Essex County s more upstanding citizens were often spared from impressments while the rabble criminals drunkards the poor were forced to join active fighting units with town militia committees selecting soldiers who would be least missed should they die in action Enhanced by illustrations and maps *A Rabble in Arms* shows that despite heroic illusions of a universal military obligation town fathers to damaging effects often placed local and personal interests above colonial military concerns     *Andover Newton Quarterly* ,1961 Sept issue is the Andover Newton catalog     *Four Generations* Philip Greven,2018-08-06 A groundbreaking study in colonial history this book gives a remarkably detailed picture of life in an early American community It focuses on three basic and interrelated subjects largely neglected by historians population land and the family as they affected the lives of four successive generations Applying demographic methods to historical research Professor Greven presents new and unexpected evidence about the most basic aspects of family life in colonial America and shows how these characteristics changed in the seventeenth and eighteenth centuries
