History Of The One Hundred Forty First Regiment Pennsylvania Volunteers 1862 1865:

History of the One Hundred Forty-first Regiment David Craft,1885 **History of the One Hundred Forty-First Regiment, Pennsylvania Volunteers, 1862-1865** David Craft,2012-08-01 Unlike some other reproductions of classic texts 1 We have not used OCR Optical Character Recognition as this leads to bad quality books with introduced typos 2 In books where there are images such as portraits maps sketches etc We have endeavoured to keep the quality of these images so they represent accurately the original artefact Although occasionally there may be certain imperfections with these old texts we feel they deserve to be made available for future generations to enjoy **History of the One Hundred Forty-first Regiment, Pennsylvania Volunteers, 1862-1865** David 1832-1908 Craft,2022-10-27 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant *History of the One Hundred Forty-first Regiment. Pennsylvania Volunteers. 1862-1865* David Craft,2019-09-28 This book has been considered by academicians and scholars of great significance and value to literature This forms a part of the knowledge base for future generations So that the book is never forgotten we have represented this book in a print format as the same form as it was originally first published Hence any marks or annotations seen are left intentionally to preserve its true nature **History of the One Hundred Forty-First Regiment** David Craft,2013-12-31 This is a reproduction of a book published before 1923 This book may have occasional imperfections such as missing or blurred pages poor pictures errant marks etc that were either part of the original artifact or were introduced by the scanning process We believe this work is culturally important and despite the imperfections have elected to bring it back into print as part of our continuing commitment to the preservation of printed works worldwide We appreciate your understanding of the imperfections in the preservation process and hope you enjoy this valuable book *History of the One Hundred Forty-first Regiment* D. Craft,1981 **History of the One Hundred Forty-first Regiment** David Craft,1885 *History of the One Hundred Forty-First Regiment* David Craft,2015-07-11 Excerpt from *History of the One Hundred Forty First Regiment Pennsylvania Volunteers 1862 1865* The present work owes its existence to the enterprise of the editor of the Bradford Reporter In the latter part of the year 1883 he wrote to the author in regard to a series of articles to be printed in that paper under the caption of the Battles of the One Hundred Forty first Regiment After conferring with some of the officers of the Regiment the original plan was enlarged to include a History instead of a series of sketches Immediately the work of collecting material commenced and the publication began in the June following At that time only newspaper articles were

contemplated but friends suggested that the history of a Regiment that had done such gallant service ought to be in more permanent form consequently the newspaper columns were changed to book pages and the present work is the result While no pains have been spared to secure accuracy of statement and a reasonable fullness of detail the manuscript was prepared amid a pressure of other work it often happening that the last line was printed before another was written Many infelicities of expression would have been corrected if a revision could have been made Inexperience in proof reading which was usually done in the editor s office amid the hurry and bustle of getting ready for press have caused numerous typographical errors to be overlooked Only enough of general army movements have been given to indicate the work the Regiment was expected to do and no criticism has been attempted In addition to the account of its doings as a separate military organization it was contemplated to give a brief account of each man connected with it This was soon found to be impracticable but of the two hundred and fifty members of it who lost their lives in the service such sketches have been attempted Here the greatest difficulty has been experienced In some cases the men were entire strangers to their comrades until they enlisted and but little was positively known of them in others friends have removed and after much inquiry no trace of a relative has been found in some others friends could furnish only approximate data and in one or two instances near relatives have entirely neglected to answer the letters written In these sketches slight errors will undoubtedly be found The muster rolls have been revised with great care and an attempt has been made to combine an index with it which is hoped will be found satisfactory as well as the tables appended Only those who have had experience in this work know its difficulties A few slight errors overlooked while the book was in press have been noted The preparation of the work has been encouraged and its labor greatly lightened by the cordial interest manifested in it by the members and friends of the Regiment General Madill in addition to giving me the use of his diary and private papers has gone over the manuscript before it was given to the printer Mrs Colonel Watkins Mrs Major Spalding and Mrs Captain Atkinson kindly allowed me to peruse both letters and diaries written by their honored and distinguished husbands About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

History of the One Hundred

Forty-First Regiment, Pennsylvania Volunteers David Craft,1998 141st Pennsylvania Infantry [The Era of the Civil War--1820-1876](#) Louise A. Arnold-Friend,US Army Military History Institute,1982 **Civil War History of the One**

Hundred Forty-first Regiment, Pennsylvania Volunteers, 1862-1865 David Craft,2010 *Cold Harbor* Gordon C. Rhea,2007-04 Gordon Rhea s gripping fourth volume on the spring 1864 campaign which pitted Ulysses S Grant against

Robert E Lee for the first time in the Civil War vividly re creates the battles and maneuvers from the stalemate on the North Anna River through the Cold Harbor offensive Cold Harbor Grant and Lee May 26 June 3 1864 showcases Rhea s tenacious research which elicits stunning new facts from the records of a phase oddly ignored or mythologized by historians In clear and profuse tactical detail Rhea tracks the remarkable events of those nine days giving a surprising new interpretation of

Pennsylvania Military History John B. B. Trussell,1974 Bloody Spring Joseph Wheelan,2014-04-29 A unique and compelling examination of the Civil War s turning point forty crucial days in the spring of 1864 that turned the tide for the Union *Thunderbolt to the Rebels* Darin Wipperman,2025-02-15 Sharpshooters were the elite of the Union army Clad in green uniforms and equipped with the era s latest rifles and scopes they took up positions out in front of the infantry where they targeted Confederate officers or skirmished with enemy soldiers However they were used sharpshooters formed an important presence on battlefields throughout the Civil War and yet most accounts have tended to focus on their distinctive uniforms and cutting edge equipment rather than on their combat performance *Thunderbolt to the Rebels* tells the story of these Civil War deadeyes on battlefields from Antietam to Gettysburg and beyond During the first year of the Civil War Hiram Berdan proposed the creation of a unit of marksmen armed with Sharps rifles and thus were born the 1st and 2nd U S Sharpshooters Drawn heavily from the Upper Midwest and New England as well as Pennsylvania the soldiers had to pass a marksmanship test to join 10 shots in a 10 inch diameter circle from 200 yards They were issued green uniforms for better camouflage which also helped Confederate riflemen target them The job of a sharpshooter was dangerous and demanding much of it out in front of the army much of it alone but they made a difference on the battlefield *Thunderbolt to the Rebels* uses primary sources especially eyewitness accounts to reveal how these elite marksmen lived fought and died during the Civil War **The Battle of Petersburg, June 15-18, 1864** Sean Michael Chick,2015-06-15 The Battle of Petersburg was the culmination of the Virginia Overland campaign which pitted the Army of the Potomac led by Ulysses S Grant and George Gordon Meade against Robert E Lee s Army of Northern Virginia In spite of having outmaneuvered Lee after three days of battle in which the Confederates at Petersburg were severely outnumbered Union forces failed to take the city and their final futile attack on the fourth day only added to already staggering casualties By holding Petersburg against great odds the Confederacy arguably won its last great strategic victory of the Civil War In *The Battle of Petersburg* June 15 18 1864 Sean Michael Chick takes an in depth look at an important battle often overlooked by historians and offers a new perspective on why the Army of the Potomac s leadership from Grant down to his corps commanders could not win a battle in which they held colossal advantages He also discusses the battle s wider context including politics memory and battlefield preservation Highlights include the role played by African American soldiers on the first day and a detailed retelling of the famed attack of the First Maine Heavy Artillery which lost more men than any other Civil War regiment in a single battle In addition the book has a fresh and nuanced interpretation of the generalships of Grant Meade Lee P G T Beauregard and William Farrar Smith

during this critical battle **They Fought Like Demons** DeAnne Blanton, Lauren Cook Wike, 2002-09-01 Popular images of women during the American Civil War include self sacrificing nurses romantic spies and brave ladies maintaining hearth and home in the absence of their men However as DeAnne Blanton and Lauren M Cook show in their remarkable new study that conventional picture does not tell the entire story Hundreds of women assumed male aliases disguised themselves in men s uniforms and charged into battle as Union and Confederate soldiers facing down not only the guns of the adversary but also the gender prejudices of society They Fought Like Demons is the first book to fully explore and explain these women their experiences as combatants and the controversial issues surrounding their military service Relying on more than a decade of research in primary sources Blanton and Cook document over 240 women in uniform and find that their reasons for fighting mirrored those of men patriotism honor heritage and a desire for excitement Some enlisted to remain with husbands or brothers while others had dressed as men before the war Some so enjoyed being freed from traditional women s roles that they continued their masquerade well after 1865 The authors describe how Yankee and Rebel women soldiers eluded detection some for many years and even merited promotion Their comrades often did not discover the deception until the young boy in their company was wounded killed or gave birth In addition to examining the details of everyday military life and the harsh challenges of warfare for these women which included injury capture and imprisonment Blanton and Cook discuss the female warrior as an icon in nineteenth century popular culture and why twentieth century historians and society ignored women soldiers contributions Shattering the negative assumptions long held about Civil War distaff soldiers this sophisticated and dynamic work sheds much needed light on an unusual and overlooked facet of the Civil War experience

Special Bibliography - US Army Military History Research Collection US Army Military History Research Collection, 1974 **To the North Anna River** Gordon C. Rhea, 2005-09-01 With To the North Anna River the third book in his outstanding five book series Gordon C Rhea continues his spectacular narrative of the initial campaign between Ulysses S Grant and Robert E Lee in the spring of 1864 May 13 through 25 a phase oddly ignored by historians was critical in the clash between the Army of the Potomac and the Army of Northern Virginia During those thirteen days an interlude bracketed by horrific battles that riveted the public s attention a game of guile and endurance between Grant and Lee escalated to a suspenseful draw on Virginia s North Anna River From the bloodstained fields of the Mule Shoe to the North Anna River with Meadow Bridge Myers Hill Harris Farm Jericho Mills Ox Ford and Doswell Farm in between grueling night marches desperate attacks and thundering cavalry charges became the norm for both Grant s and Lee s men But the real story of May 13 25 lay in the two generals efforts to outfox each other and Rhea charts their every step and misstep Realizing that his bludgeoning tactics at the Bloody Angle were ineffective Grant resorted to a fast paced assault on Lee s vulnerable points Lee outnumbered two to one abandoned the offensive and concentrated on anticipating Grant s maneuvers and shifting quickly enough to repel them It was an amazingly equal match of wits that produced a gripping high stakes bout of warfare a

test ultimately of improvisation for Lee and of perseverance for Grant
History Research Collection, 1973
