History Of The Lombards The Middle Ages Series:

Interpreting Italians Jeffrey Bailey, 2018-12-05 Interpreting Italians is a socio cultural travel guide designed for people whose interest in Italy goes beyond the readymade impression or the hackneyed cliché [The Lombard Laws](#) Katherine Fischer Drew, 1973 Here presented for the first time in English are the law codes of the Lombard kings who ruled Italy from the sixth to the eighth centuries The documents afford unparalleled insight into the structure and values of Germanic society

A History of the Church in the Middle Ages F. Donald Logan, 2013 Conceptually well organized stylistically clear intellectually thoughtful and pedagogically useful Thomas Head Speculum For its humane and learned approach to its enormous canvas as well as for the cogency with which it penetrates at speed to the essentials of a vanished historical epoch this History of the Church in the Middle Ages deserves a very wide audience indeed Barrie Dobson English Historical Review To have written a scholarly and very readable history of the Western Church over a millennium is a remarkable tour de force for which Donald Logan is to be warmly congratulated C H Lawrence The Tablet A feat of historical synthesis most confident in its telling of the coming of Christianity Books like Logan's are needed more than ever before Miri Rubin TLS In this fascinating survey F Donald Logan introduces the reader to the Christian church from the conversion of the Celtic and Germanic peoples to the discovery of the New World He reveals how the church unified the people of Western Europe as they worshipped with the same ceremonies and used Latin as the language of civilized communication From remote rural parish to magnificent urban cathedral A History of the Church in the Middle Ages explores the role of the church as a central element in determining a thousand years of history This new edition brings the book right up to date with recent scholarship and includes an expanded introduction exploring the interaction of other faiths particularly Judaism and Islam with the Christian church *Trafficking with Demons* Martha Rampton, 2022-01-15 Trafficking with Demons explores how magic was perceived practiced and prohibited in western Europe during the first millennium CE Through the overlapping frameworks of religion ritual and gender Martha Rampton connects early Christian reckonings with pagan magic to later doctrines and dogmas Challenging established views on the role of women in ritual magic during this period Rampton provides a new narrative of the ways in which magic was embedded within the foundational assumptions of western European society informing how people understood the cosmos divinity and their own Christian faith As Rampton shows throughout the first Christian millennium magic was thought to play a natural role within the functioning of the universe and existed within a rational cosmos hierarchically arranged according to a great chain of being Trafficking with the demons of the lower air was the essence of magic Interactions with those demons occurred both in highly formalistic ritual settings and on a routine and casual basis Rampton tracks the competition between pagan magic and Christian belief from the first century CE when it was fiercest through the early Middle Ages as atavistic forms of magic mutated and found sanctuary in the daily habits of the converted peoples and new paganisms entered Europe with their own forms of magic By the year 1000 she concludes many

forms of magic had been tamed and were by the reckoning of the elite essentially ineffective as were the women who practiced it and the rituals that attended it The Collected Works Philip Schaff,2022-11-13 Philip Schaff's The Collected Works stands as a monumental contribution to the field of Christian theology and ecclesiastical history This compendium comprises a thorough examination of the development of Christian doctrine drawing on a myriad of historical sources biblical texts and theological discussions Schaff's literary style is characterized by its scholarly rigor lucidity and a deep commitment to historical continuity offering readers an engaging narrative interspersed with critical analysis and contextual elaboration that is crucial for understanding the evolution of Christian thought The work reflects the late 19th century context in which it was produced a period marked by both the consolidation of Protestant scholarship and burgeoning ecumenical movements Philip Schaff 1819-1893 a Swiss born theologian arrived in America as part of the wave of European intellectuals seeking new opportunities in the wake of religious and political upheavals His extensive academic career including founding institutions and engaging in theological debates has provided him with profound insights into the interactions between faith and culture Schaff's profound passion for unifying the Christian Church and his extensive scholarly background in history and language shaped the vision for this comprehensive collection The Collected Works is an essential read for scholars theologians and laypersons alike who seek to delve into early Christian history and doctrine Schaff's meticulous scholarship invites readers to engage with the complexities of faith across centuries making it not merely a work of historical documentation but also a compelling narrative that inspires contemporary discourse on Christianity's relevance today

Tyler,2020-08-20 This is a ground breaking volume into the phenomenon of migration in and to England over the medieval millennium A series of subject specialists synthesise and extend recent research in a wide range of disciplines and marks an important contribution to medieval studies and to modern debates on migration and the free movement of people *The Age of Liutprand* Christopher Heath,2024-11-14 The Age of Liutprand provides a thematic analysis of Lombard Italy in the pivotal early part of the 8th century It surveys the crucial role and rule of Liutprand 712-44 the powerful and effective Lombard king By restoring this successful exemplar of Lombard kingship to the centre of events and developments in the Italian peninsula this book pulls together all the pertinent evidence for a new kingship in Lombard Italy that used a sophisticated set of strategies to enhance deepen and expand its effectiveness In presenting an evaluation of Italy on the cusp of dramatic change this book explains how not only the kingship of Liutprand but also his legal reforms and his relationships with the Church and neighbouring peoples all contributed to a model of kingship successfully and subsequently deployed by Charlemagne and his successors later in the 8th century **The New Cambridge Medieval History: Volume 7, C.1415-c.1500** Rosamond McKitterick,1995 This volume covers the last century interpreted broadly of the traditional western Middle Ages Often seen as a time of doubt decline and division the period is shown here as a period of considerable innovation and development much of which resulted from a conscious attempt by contemporaries to meet the growing demands of society and to find practical solutions to the social religious and political problems which beset it The volume consists of four sections Part I focuses on both the ideas and other considerations which guided men as they sought good government and on the practical development of representation Part II deals with aspects of social and economic development at a time of change and expansion Part III discusses the importance of the life of the spirit religion education and the arts Moving from the general to the particular Part IV concerns itself with the history of the countries of Europe emphasis being placed on the growth of the nation states of the early modern world Encyclopedia of Women in the Middle Ages Jennifer Lawler,2018-01-16 Most people have heard of Lady Godiva and her horseback tax protest in the 11th century and Joan of Arc who in the 15th century fought against the English for the French gaining sainthood in 1920 Many

know of Eleanor of Aquitaine 12th century Queen of France and England and powerful manipulator and protector of kings Some know of Hildegard and Beatrice and Blanche and Clare There are many famous women of the Middle Ages whose lives and leadership brought important changes to history This encyclopedia contains several hundred entries on the culture history and circumstances of women in the Middle Ages from the years 500 to 1500 C E The geographical scope of this work is wide with entries on women from England France Germany Japan and other nations around the world There are entries on queens empresses and other women in positions of leadership as well as entries on topics such as work marriage and family households employment religion and various other aspects of women s lives in the Middle Ages Genealogies of queens and empresses accompany the text in an appendix

Archaeology and History in Sardinia from the Stone Age to the Middle Ages Stephen L. Dyson, Robert J. Rowland, Jr., 2007 With one of the richest archaeological records and most complicated histories in the Mediterranean Sardinia provides an important laboratory for studying the interaction of

indigenous societies and outside forces in a partly isolated geographical context Stephen L Dyson and Robert J Rowland Jr use both material culture and written documents to reconstruct the social and economic processes of an island society that showed both cultural creativity and continuity but responded to invasions from the Phoenicians through the Romans to the Aragonese This first accessible reconstruction of island archaeology provides a balanced picture of the sweep of Sardinian history
