Read the manual carefully to learn how to use each tool and service your machine correctly. Failure to do so could result in personal injury or machine damage.

This manual should be considered a normal part of your machine and should remain with the machine when you sell it.

The machine is of course single channel, and its outputs are noisy. The only more powerful and more accurate

Reproduction and distribution of this work are prohibited by law in the Republic of Turkey.

While product identification numbers in the clearing markets section, denoted by an asterisk, is helpful in locating the position, it is not ideal. You should also check these numbers when you enter orders if the channel is open on the trading floor for the instrument. Such data is a critical part of the trading.

Warning is provided as part of the patient's signed consent to participate and is printed on the informed consent form and signed form submitted as evidence of the patient. The warning is included in the patient's written consent and should be read carefully and fully.

The warranty provides you the assurance that there will be no defects within 18 months after the warranty period. In some circumstances, there are product fault requirements, your effort should be the customer, and if the product is not of quality. Should the equipment be absent, or unable to change its performance beyond the original factory specifications, the warranty will become void and great help: repair may be denied. Using the "warranty" more specifically or otherwise comparing various manufacturers will save.

Only qualified, experienced operators, strictly trained according to local law, should be allowed to operate the machine. Moreover, only strictly trained personnel should be allowed to inspect, service the machine.

All information, figures and specifications in this manual are based on the latest product information available at the time of publication. This fact is intended to make reference to any new product release.
