Most people believe that everything happens for a reason. One thing is reacting to choices previously made and Athena Child was no different. She lived her life not looking to be famous but to make a living doing the things she loved. Married to a man she thought was her soul mate and learned everything is not as it seems. She was content and okay with it because her craft made her happy. Lamar Brixton is a computer geek with a Greek body. Some would say the total package. He is the CEO of his own software security company and very single. His ONLY problem is the perfect woman for him belongs to someone that no longer appreciates her. His main goal now is to find a way to show her that her king is still waiting to sit beside her. Athena's ONLY problem is now which course does she choose. The man who overlooks her in his life, the one who can't live without her or to be on her own minus the heartache, men seem to bring her. Everything seemed to happen for a reason for her now it's time for her next choice. **Everything Happens for a Reason** Tina-Marie Miller, 2018-01-18

Hester woke up with a scream. She was shaking all over and she felt like she was going to faint. She screwed her mind to remember the dream she just had. I am coming for the Candle at Allington Drive. Hester remembered her sister saying she knew that address. Allington Drive was near her old home where she lived and was brought up when she was young where Rebecca, her sister, was currently living. It was emotional for her. Hester hadn't been there for years. She remembered what it used to look like: a cobblestone street running through a suburban neighborhood with houses made of brick. Hester thought about the dream again and remembered the pictures that Rebecca had created with smoke. She remembered the bright orange museum and a Candle. Hester had seen that Candle before in real life in that museum but she didn't remember where though she knew that her parents had protected that Candle long ago. Hester remembered the smoke that Rebecca formed in the dream that looked like them. She saw a fire and her parents' scared faces. *Everything Happens for a Reason* Tela Allen, 2014-08-16
