It Still Takes A Candidate Why Women Dont Run For Office

Sara L. Hagedorn, Michael C. LeMay

It Still Takes A Candidate Why Women Dont Run For Office:

It Takes a Candidate Jennifer L. Lawless, Richard L. Fox, 2005-09-12 It Takes a Candidate serves as the first systematic nationwide empirical account of the manner in which gender affects political ambition Based on data from the Citizen Political Ambition Study a national survey conducted on almost 3 800 potential candidates we find that women even in the highest tiers of professional accomplishment are substantially less likely than men to demonstrate ambition to seek elected office Women are less likely than men to be recruited to run for office They are less likely than men to think they are qualified to run for office And they are less likely than men to express a willingness to run for office in the future This gender gap in political ambition persists across generations Despite cultural evolution and society's changing attitudes toward women in politics running for public office remains a much less attractive and feasible endeavor for women than men It Still Takes a Candidate

It Still Takes a Candidate Jennifer L. Lawless, Richard L. Fox, 2010-06-21 It Still Takes A Candidate serves as the only systematic nationwide empirical account of the manner in which gender affects political ambition Based on data from the Citizen Political Ambition Panel Study a national survey conducted of almost 3 800 potential candidates in 2001 and a second survey of more than 2 000 of these same individuals in 2008 Jennifer L Lawless and Richard L Fox find that women even in the highest tiers of professional accomplishment are substantially less likely than men to demonstrate ambition to seek elective office Women are less likely than men to be recruited to run for office They are less likely than men to think they are qualified to run for office And they are less likely than men to express a willingness to run for office in the future This gender gap in political ambition persists across generations and over time *It Still Takes A Candidate* Jennifer L. Lawless, Richard L. Fox, 2010-06-21

It Still Takes A Candidate serves as the only systematic nationwide empirical account of the manner in which gender affects political ambition Based on data from the Citizen Political Ambition Panel Study a national survey conducted of almost 3 800 potential candidates in 2001 and a second survey of more than 2 000 of these same individuals in 2008 Jennifer L Lawless and Richard L Fox find that women even in the highest tiers of professional accomplishment are substantially less likely than men to demonstrate ambition to seek elective office Women are less likely than men to be recruited to run for office They are less likely than men to think they are qualified to run for office And they are less likely than men to express a willingness to run for office in the future This gender gap in political ambition persists across generations and over time Despite cultural evolution and society's changing attitudes toward women in politics running for public office remains a much less attractive and feasible endeavor for women than men **Equal Representation without**

Legislation Lenita Freidenvall, 2021-04-14 Sweden has for many years been recognized as a model of gender equality particularly with regards to its high proportion of female parliamentarians This book traces this path to equal representation between women and men in elected bodies with a special focus on candidate selection process and the implementation of special measures such as party quotas Using an approach that is based on feminist institutionalism and discursive

institutionalism the author focuses on institutional reform and change and the ways in which both formal and informal institutions including rules practices and norms as well as key actors strategies and alliances may contribute to our understanding of women s political representation in Sweden and what these gendered outcomes mean in a wider context

Women and Elective Office Sue Thomas,Clyde Wilcox,2014-01-02 This edition of Women and Elective Office offers the latest research on women as candidates and officeholders It provides a comprehensive look at at the history and status of women in elective office their prospects for the future and why women in elected office matter to American democracy It features all new essays and up to the minute research by leading experts in the field including the latest political trends and events such as Hillary Rodham Clinton s run for the presidency women s representation on the state and local level the diversity of women officeholders experiences and circumstances and female judges Women and Elective Office is an essential guide to understanding the past present and future of women in all echelons of government **The Qualifications Gap**

Nichole M. Bauer,2020-07-30 What does it take for women to win political office This book uncovers a gendered qualifications gap showing that women need to be significantly more qualified than men to win elections Applying insights from psychology and political science and drawing on experiments public opinion data and content analysis Nichole M Bauer presents new evidence of how voter biases and informational asymmetries combine to disadvantage female candidates The book shows that voters conflate masculinity and political leadership receive less information about the political experiences of female candidates and hold female candidates to a higher qualifications standard This higher standard is especially problematic for Republican female candidates The demand for masculinity in political leaders means these women must look like men but also be better than men to win elections **Contested Transformation** Carol Hardy-Fanta,Pei-te Lien,Dianne Pinderhughes,Christine Marie Sierra,2016-10-25

Contested Transformation constitutes the first comprehensive study of racial and ethnic minorities holding elective office in the United States at the beginning of the twenty first century Building on data from the Gender and Multicultural Leadership GMCL National Database and Survey it provides a baseline portrait of Black Latino Asian American and American Indian elected officials the women and men holding public office at national state and local levels of government Analysis reveals commonalities and differences across race and gender groups on their backgrounds paths to public office leadership roles and policy positions Challenging mainstream political science theories in their applicability to elected officials of color the book offers new understandings of the experiences of those holding public office today Gains in political leadership and influence by people of color are transforming the American political landscape but they have occurred within a contested political context one where struggles for racial and gender equality continue

Home Field Advantage Charles Hunt,2022-08-31 Investigates the effects of legislators local roots on congressional campaigns elections and representation *Navigating Gendered Terrain* Kelly Dittmar,2015-01-02 From the presidential level down men and women who run for political office confront different electoral realities In her probing study Navigating

Gendered Terrain Kelly Dittmar investigates how gender influences the campaign strategy and behavior of candidates today Concurrently she shows how candidates strategic and tactical decisions can influence the gendered nature of campaign institutions Navigating Gendered Terrain addresses how gender is used to shape how campaigns are waged by influencing insider perceptions of and decisions about effective campaign messages images and tactics within party and political contexts Dittmar uses survey information and interviews with candidates political consultants and other campaign professionals to reveal how gender informed advertising websites and overall presentation to voters respond to stereotypes and perceptions of female and male candidates She closes her book by offering a feminist interpretation of women as candidates and explaining how the unintended outcomes of political campaigns reinforce prevailing ideas about gender and candidacy

Women of Color Political Elites in the U.S. Nadia E. Brown, Christopher J. Clark, Anna Mitchell Mahoney, 2022-08-15 This book focuses on women of color political elites in the United States in varying levels of office and non elected positions In recent years increased attention has been paid to the role that women of color play in U S politics These actors bring different priorities to office and also have to navigate not only sexism but also barriers due to their racial or ethnic identity among other politically salient identities such as sexual orientation nativity immigration status religiosity and ability The chapters in this volume employ a variety of methods better understand to how ethno racial minority women navigate the U S political system This book uses an intersectional approach to understanding the opportunities and challenges that women of color political elites face in American politics The chapters in this book were originally published as a special issue of the Journal of Women Politics and Policy

Politics and the Media Jane Hall, 2021-08-04 The book is well versed in the scholarly literature as well as pop culture references found in contemporary television shows and movies But what stands out in the volume s research is its utilization of interviews conducted by the author that provide a range of perspectives on the media and politics from the vantage points of U S senators journalists critics and activists Kirkus Reviews Jane Hall has written a brilliant analysis that is educational entertaining and important Her comprehensive and timely book will be required reading for scholars and will be invaluable for general readers and anyone interested in the relationship between politics and the media Kenneth T Walsh veteran White House correspondent adjunct professorial lecturer in communication and author of 10 books on the presidency including Presidential Leadership in Crisis Finally as current a book as possible incorporating scholarly work on the media and politics and up to date examples and suggested exercises that are sure to rivet student interest From its coverage of a tweeting President constantly assailing the media to trenchant analyses of coverage of the BLM movement immigration and how the media treats women candidates this book is a must adopt for Media and Politics classes It is also an excellent add on for classes on American Politics and Campaigns and Elections Karen O Connor Jonathan N Helfat Distinguished Professor of Politics Founder Women and Politics Institute American University The book is very timely and it has good case studies for students to discuss in class It has chapters on

race and gender related issues You can use it as the main textbook or you can assign it as supplementary reading material

Ivy Shen PhD Southeast Missouri State University Politics and the Media Intersections and New Directions examines how media and political institutions interact to shape public thinking and debates around social problems cultural norms and policies From the roles of race and gender in American politics to the 2020 elections and the global coronavirus pandemic this is an extraordinary moment for politicians the news media and democracy itself Drawing from years of experience as an active political media analyst an award winning journalist and professor of politics and the media Jane Hall explores how media technologies practices and formats shape political decision making how political forces influence media institutions and how public opinion and media audiences are formed Students will gain an understanding of these issues through a combination of scholarship in depth interviews and contemporary case studies that will help them develop their own views and learn to express them constructively

The Oxford Companion to American Politics David Coates,2012-07-12 Provides students and scholars with a valuable reference source in the field of American Politics The Companion will equip readers with a deep understanding of the complex interaction between governmental institutions and processes and the wider American economy and society that they govern

Gender and Politics Jane H. Bayes,2012-07-10 This timely collection offers a fresh look on the impact of gender perspectives in the discipline of political science at the beginning of the 21st century Jane Bayes combats the Eurocentric focus that has characterised both fields and suggests viable alternatives for the future of the disciplines

Gender and Elections Susan J. Carroll,Richard L. Fox,2013-12-23 The third edition of Gender and Elections offers a systematic lively and multifaceted account of the role of gender in the electoral process through the 2012 elections This timely yet enduring volume strikes a balance between highlighting the most important developments for women as voters and candidates in the 2012 elections and providing a more long term in depth analysis of the ways that gender has helped shape the contours and outcomes of electoral politics in the United States Individual chapters demonstrate the importance of gender in understanding and interpreting presidential elections presidential and vice presidential candidacies voter participation and turnout voting choices congressional elections the political involvement of Latinas the participation of African American women the support of political parties and women s organizations candidate communications with voters and state elections Without question Gender and Elections is the most comprehensive reliable and trustworthy resource on the role of gender in US electoral politics

Why Don't Women Rule the World? J. Cherie Strachan,Lori M. Poloni-Staudinger,Shannon Jenkins,Candice D. Ortals,2019-07-12 Why don t women have more influence over the way the world is structured Written by four leaders within the national and international academic caucuses on women and politics Why Don t Women Rule the World by J Cherie Strachan Lori M Poloni Staudinger Shannon Jenkins and Candice D Ortals helps you to understand how the underrepresentation of women manifests within politics and the impact this has on policy Grounded in theory with practical job related activities the book offers a thorough introduction to the study

of women and politics and will bolster your political interests ambitions and efficacy

Ambitious Politicians Patrik Öhberg, 2017-05-12 Those people who must want to rule people are ipso facto those least suited to do it This is how writer Douglas Adams neatly expressed the common view of political ambition And yet it s hard to imagine any politician getting far without it Ambitious Politicians brings a welcome study and insight to this conundrum Focusing first on the party centered politics of European democracies where career ambitions are necessarily different than those in the United States Patrik Öhberg looks closely at what motivates those aiming at the highest level of the political hierarchy how these motivators differ between more and less equalitarian societies and how such ambitions play out His book which draws upon a uniquely extensive survey conducted by the Swedish National Election Study Program is the first thorough study of elite politicians who aspire to the top echelons of the parliamentary system Politicians with career ambitions have a distinct idea of representation Öhberg finds they display a higher degree of political self regard and are more responsive to the wishes of the party elite in developing strategies These findings vary among European democracies and they differ from the traits and trajectories of political ambition in the United States By identifying the subtleties and charting the differences Öhberg offers a valuable lesson on whether and how representative democracies are served by politicians driven by personal ambition or by those subverting such ambitions to the needs of party or state Ambition this timely book reminds us has been crucial for political thinkers from Aristotle through the Founding Fathers to the latest candidate for higher office Informed by history and social science theory and grounded in a wealth of data Ambitious Politicians expands our understanding of the important and changing role of such ambition in collective decision making in our day

The Right Women Malliga Och, Shauna L. Shames, 2018-01-18 A powerful exploration of the role of women in the Republican Party that enhances readers understanding of gender representation in the GOP and suggests solutions to address the partisan gender gap Why is the Republican Party dominated by men to a far greater extent than its primary rival With literature on conservative women in the United States still in its infancy this book fills an important gap by examining Republican women as distinct from their male Republican and Democratic female counterparts while also exploring the shifting role of Republican women in their party and in politics overall The Right Women brings those subjects together in one volume that will provide fascinating reading to students scholars and anyone else interested in U S politics The analysis is presented in four parts beginning with a look at the role of women as voters and activists in the GOP The second section explores the process of candidate emergence tackling the question of why so few women run as Republicans and why those who do are less successful than their Democratic female and Republican male counterparts In the third part the contributors shed light on Republican women in Congress and state legislatures and their behavior as lawmakers The final section assesses the outcome of the 2016 election for Republican women in general and specifically for Carly Fiorina the only female candidate for the Republican presidential nomination Each section of the book concludes with a short guide to action that takes the insights set

forth and applies them to suggest ways to promote a greater involvement of women in the Republican Party **The American Congress** Sara L. Hagedorn, Michael C. LeMay, 2019-06-24 This volume thoroughly examines the operations and politics of the U S Congress It guides readers to their own assessment of congressional politics and provides them with the basis for future reading and study of the subject The American Congress A Reference Handbook covers Congress from its inception to the present day discussing the constitutional functions of Congress and how they have evolved over time It presents a detailed discussion of 15 problems with which Congress copes some associated concerns with those problems and how they might be resolved The book opens with a brief history of Congress and how it has changed over time It discusses a series of problems and concerns and proposed solutions to those problems It also comprises nine original essays by other scholars and persons involved in congressional politics as well as profiles of the major organizations and actors involved Data and documents and a detailed chronology of Congress from 1789 to 2018 allow readers to situate significant legislation within the history of Congress while an annotated list of sources the major books and scholarly journals concerned with Congress in addition to a number of feature length films and videos provide readers with vetted resources for further study

iPolitics Richard L. Fox, Jennifer M. Ramos, 2012 Politicians rely on Twitter Facebook and YouTube to exercise political power Citizens around the world also use these tools to vent political frustrations join political groups and organize revolutions Political activists blog to promote candidates solicit and coordinate financial contributions and provide opportunities for volunteers iPolitics describes the ways in which new media innovations change how politicians and citizens engage the political arena Among other things contributors to this volume analyze whether the public s political knowledge has increased or decreased in the new media era the role television still plays in the information universe the effect bloggers have had on the debate and outcome of healthcare reform and the manner in which political leaders should navigate the new media environment While the majority of contributors examine new media and politics in the United States the volume also provides a unique comparative perspective on this relationship using cases from abroad Campaigns and Elections

Stephen K. Medvic, 2021-11-29 Stephen K Medvic s Campaigns and Elections is a comprehensive yet compact core text that addresses two distinct but related aspects of American electoral democracy the processes that constitute campaigns and elections and the players who are involved In addition to balanced coverage of process and actors it gives equal billing to both campaigns and elections and covers contests for legislative and executive positions at the national state and local levels including issue oriented campaigns of note The book opens by providing students with the conceptual distinctions between what happens in an election and the campaigning that precedes it Significant attention is devoted to setting up the context for these campaigns and elections by covering the rules of the game in the American electoral system as well as aspects of election administration and the funding of elections Then the book systematically covers the actors at every level candidates and their organizations parties interest groups the media and voters and the macro level aspects of campaigns such as

campaign strategy and determinants of election outcomes The book concludes with a big picture assessment of campaign ethics and implications of the permanent campaign New to the Fourth Edition Fully updated through the 2020 elections looking ahead to the 2022 midterms Covers the impact of the COVID 19 pandemic on the 2020 election as well as the January 6 2021 insurrection at the US Capitol Adds new sections in Chapter 3 on election integrity and the assessment of election administration Reviews recent Supreme Court cases on gerrymandering and faithless electors Expands coverage of social media as a source of news of the increasingly partisan nature of the media and of the role of media fact checking in campaigns and elections Reorganizes the chapters on the various actors so that the chapter on candidates leads directly to the chapter on campaigns Fully updates the resources listed at the end of each chapter

Thank you utterly much for downloading **It Still Takes A Candidate Why Women Dont Run For Office**.
