

Founded in 1973, The Hansen Centre is a Canadian not-for-profit charitable organization with a global reach. Our mission is to provide parents, caregivers, early childhood educators and speech-language Pathologists/Therapists with the knowledge and training they need to help young children develop the best possible language, social and literacy skills. This includes children with or at risk of language delays and those with developmental challenges such as Autism Spectrum Disorder.

The Hanen Program® for Parents of Children with Language Delays

*Help turn every moment of
your child's life into an
opportunity to communicate*

Information for Members

The Hanen Program® for Parents of Children with Language Delays

It Takes Two to Talk is a program for parents of children third to 5 who have language delays.

It Takes Time to Tell a Story

- the importance of involving parents in their child's early language intervention
- the need to help children and families as early as possible in a child's life

This evidence-based program, which was developed by The Hanen Centre, is well-known around the world. Studies on the *It Takes Two to Talk* Program have shown that it is effective and that, when parents learn to use the program's strategies, their children's communication skills improve.

It Takes Two to Talk is led by a **Hansen Certified Speech-Language Pathologist/Therapist** who has received specialized training from The Hansen Center.

Why Parents are Involved in the It Takes Two to Talk Program

Parents are the most important people in their child's life. One of the greatest gifts parents can give their child is the help he or she needs to communicate and connect with the world. In the *It Takes Two to Talk* Program, you learn practical and powerful strategies to help your child communicate and interact during everyday routines and activities. It is within these familiar, real-life interactions with you that your child's communication skills will grow.

What Parents Learn in the It Takes Two to Talk Program

- how your child communicates right now and the next steps to take
- what motivates your child to communicate
- how to engage your child in back and forth conversations, even before he can talk
- how to turn everyday activities into opportunities for your child to learn language
- how to fine-tune what you say so your child can understand you and learn new words and ideas

House Foreign Affairs,1966 *Payback for Revenge* Alex Markman,2022-05-03 What sacrifice is too big for all consuming love What is revenge worth Are there psychological and moral boundaries beyond which passion does not dare to step Chantal a woman with irresistible charms was a clear minded very successful journalist when at the age of 28 she married a financial tycoon who convinced her to try a different lifestyle Jovan the 42 years old surgeon from Yugoslavia an extraordinary man both in

appearance and in substance considered his life a journey to wisdom to discoveries of life's meaning and purpose. This journey came to an abrupt end when his daughter, a 14-year-old beauty, was abducted and killed in a small town in Montenegro in 1995 while the civil war in Yugoslavia was still in full swing. From this moment on, revenge became the purpose of his life, the obsession, the only justification for his existence. At this crossroad, by a sheer chance, he met Chantal in New York; they fell in love with each other. Chantal had to make a terrible choice: leave her loving husband and life of luxury and go after Jovan and her mission in life, journalism, or stay in comfort and lose her first genuine love and mission. Her hesitation was painful but short. Finding killers was a demanding task for Jovan. Police closed the case, claiming that hostile Croats abducted his daughter, Lilia. The only witness, though, who later refused to testify, said that he saw how local pimps grabbed the girl on the street and ran away in a car. Both versions lacked credibility as the autopsy concluded that the girl was a virgin. Soon Chantal discovered something not less horrendous than the war and no less important to report about the East European prostitution ring which used Yugoslavia as a hub for trafficking adolescent girls from Russia, Ukraine, and Romania to the affluent West European countries and North America. Again, she witnessed terrifying events when innocent and helpless girls had to go through hell during their short and horrific lives. Jovan discovered the secrets of his daughter's death and found the killers. The revenge was as brutal as the crime which triggered it. The vengeance and the payback for it ruined Chantal's and Jovan's love and changed their lives forever.
