As you Life it - Work as usual. Life as unusual Ayon Banerjee, 2020-08-20 Time is a queer commodity that is reconstructed in memories and deconstructed in regrets as it goes by Most of us sleepwalk through our youth in trying to win some kind of an identity Then we stumble upon middle age scramble to preserve that identity And suddenly standing at mid point we realize that somewhere in this medley of all the artificial races we were enlisting in we have quietly let go of our greatness Partly by default partly by design The first pangs of urgency hit us We know this is no dress rehearsal It is our own life that is gliding past We straighten up and reach for it And try to snare it on print This book is Ayon s attempt to capture his journey at intermission narrated through a heterogeneous ensemble of his articles that take you through events relationships successes and failures which add up into the randomness of his life that he joins backwards into coherent stories *Record of Christian Work* Alexander McConnell, William Revell Moody, Arthur Percy Fitt, 1917 Includes music *Congressional Record* United States.
