Scapigliatura a long underrated movement which in the 1860s introduced a thematic and formal modernity into Italian literature paving the way for Futurism and the twentieth century avant garde This monograph also investigates Baudelaire s and the Scapigliatura s interrelated impacts on early Futurist poetry demonstrating that Futurist poets turned to the works of Baudelaire and the Scapigliatura for inspiration on themes that were considered as distinctly unpoetic and therefore modern such as medical anatomical examination technological transformation and abnormal sensuality *Media Parasites in the Early Avant-Garde* A. Niebisch,2012-11-28 Niebisch retraces how the early Avant Garde movements started out as parasites inhabiting and irritating the emerging mass media circuits of the press cinema and wired and wireless communication and how they aimed at creating a media ecology based on and inspired by technologies such as the radio and the photo cell

Lawrence and Italian Futurism** Andrew Harrison,2003 The significance of D H Lawrence s reading of two Italian Futurist volumes in the summer of 1914 is widely acknowledged but the nature of its significance has not been more closely examined nor traced through his major fictional and discursive writings of the Great War and its aftermath D H Lawrence and Italian Futurism addresses the oversight firstly by examining the context to Lawrence s now famous June 1914 letters concerning Futurism secondly by placing Futurism and Lawrence s interest in Futurism in the light of the movement s intellectual indebtedness to nineteenth century Naturalism and thirdly by providing new readings of *The Rainbow* *Women in Love* and *Studies in Classic American Literature* which draw on these contextual materials The book s form will make it attractive to scholars and students of European modernism as well as to those interested in the works of D H Lawrence **Brilliant Modernism** Nicoletta Asciuto,2025-01-07 A study that is enlightening in every sense of the term This book is full of new material profound insights and fascinating illustrations all of which are presented in a clear engaging prose style Asciuto has successfully undertaken a difficult and far reaching task showing how the encounter with electric light helped create a new form of poetics that reached into many or even most corners of modern aesthetics **Nihilist Order** Professor David Ohana,2016-04-19 The explosive combination of nihilist leanings together with a craving for totalitarianism was an ideal of philosophers cultural

Nonsense and Other Senses Elisabetta Tarantino with the collaboration of Carlo Caruso,2020-07-24 This book deals with a topic that is gaining increasing critical attention the literature of nonsense and absurdity The volume gathers together twenty one essays on various aspects of literary nonsense according to criteria that are deliberately inclusive and eclectic Its purpose is to offer a gallery of nonsense practices in literature across periods and countries in the conviction that important critical insights can be gained from these juxtapositions Most of the cases presented here deal with linguistic nonsense but in a few instances the nonsense operates at the higher level of the interpretation of reality on the part of the subject or of the impossibility thereof The contributors to the volume are established and younger scholars from various countries Chronologically the chapters range widely from Dante to V clav Havel and offer a large span of national literatures Czech English Finnish French German Italian Japanese and literary genres poetry prose and drama inviting the readers to trace their own pathway and draw their own lines of connection One point that emerges with particular force is the notion that what distinguishes literary nonsense is its somehow regulated nature Literary nonsense thus sounds like a deliberate last ditch attempt to snatch order from the jaws of chaos the speech of the Fool as opposed to the tale told by an idiot It is this kind of post Derridean retrieval of choice as the defining element in semantic transactions which is perhaps the most significant insight bequeathed by the study of nonsense to the analysis of poetry and literature in general *Becoming Insomniac* L. Scrivner,2014-09-24 A study of the history of modern insomnia this book explores how poets journalists and doctors of the Victorian period found themselves in near universal agreement that modernity and sleep were somehow incompatible It investigates how psychologists philosophers and literary artists worked to articulate its causes and its potential cures Twentieth-century Italian Literature in English Translation Robin Healey,1998-01-01 This bibliography lists English language translations of twentieth century Italian literature published chiefly in book form between 1929 and 1997 encompassing fiction poetry plays screenplays librettos journals and diaries and correspondence **Kafka's Italian Progeny** Saskia Elizabeth Ziolkowski,2020-01-06 This book explores Kafka s sometimes surprising connections with key Italian writers from Italo Calvino to Elena Ferrante who shaped Italy s modern literary landscape **Italian Futurism and the First World War** Selena Daly,2016-01-01 Roma Futurista and Il Montello The End of the War Epilogue List of Abbreviations Notes Bibliography Index **Yearbook of Comparative and General Literature** ,2005 2023 Günter Berghaus,Dalila Colucci,Tim Klähn,2023-12-04 This thirteenth volume of the International Yearbook of Futurism Studies

explores some of the many facets of Neo Futurism from the second half of the twentieth century to the present day It looks both at the revival and the continuation of Futurist aesthetics whether in explicit or palimpsest form in a variety of media literature visual art design music architecture theatre and photography The essays delve into the broad spectrum of artistic research and offer a good dozen case studies that document with a transnational and interdisciplinary orientation the manifold forms of Neo Futurism in various parts of the world They investigate how historical Futurism's intellectual and artistic perspective was appropriated and developed further in a more or less conscious faithful and original way all the while confronting its progenitor's cultural social and political misconceptions Interdisciplinary contributions to neo futurism as a global phenomenon
