Sperone Speroni and the Debate over Sophistry in the Italian Renaissance Teodoro Katinis, 2017-11-01 In Sperone Speroni and the Debate over Sophistry in the Italian Renaissance Teodoro Katinis mines a number of little or unstudied primary sources and offers the first book on the rebirth of ancient sophists in the Italian literature of the fifteenth and sixteenth centuries from Leonardo Bruni to Jacopo Mazzoni with a focus on the Italian writer and philosopher Sperone Speroni 1500-1588 Katinis convincingly argues that Speroni is a unique case of an early modern thinker who explicitly rejected Plato's demonization and defended the public role of the sophistic rhetoric which enhanced the debate over the sophistic arts and scepticism in a variety of fields and

anticipated some of the most revolutionary modern thoughts **Approaches to Teaching Milton's Paradise Lost** Peter C. Herman, 2012-12-01 This second edition of *Approaches to Teaching Milton's Paradise Lost* addresses Milton in the light of the digital age new critical approaches to his poem and his continued presence in contemporary culture It aims to help instructors enliven the teaching of *Paradise Lost* and address the challenges presented to students by the poem the early modern syntax and vocabulary the political and theological contexts and the abounding classical references The first part of the volume *Materials* evaluates the many available editions of the poem points to relevant reference works recommends additional reading and outlines useful audiovisual and online aids for teaching Milton's epic poem The essays in the second part *Approaches* are grouped by several themes literary and historical contexts characters poetics critical approaches classrooms and performance The essays cover epic conventions and literary and biblical allusions new approaches such as ecocriticism and masculinity studies and reading Milton on the Web among other topics **The Renaissance in Europe** Margaret L. King, 2003 The Renaissance is usually portrayed as a period dominated by the extraordinary achievements of great men rulers philosophers poets painters architects and scientists Leading scholar Margaret King recasts the Renaissance as a more complex cultural movement rooted in a unique urban society that was itself the product of many factors and interactions commerce papal and imperial ambitions artistic patronage scientific discovery aristocratic and popular violence legal precedents peasant migrations famine plague invasion and other social factors Together with literary and artistic achievements therefore today's Renaissance history includes the study of power wealth gender class honour shame ritual and other categories of historical investigation opened up in recent years Tracing the diffusion of the Renaissance from Italy to the rest of Europe Professor King marries the best work of the last generation of scholars with the findings of the most recent research including her own Ultimately she points to the multiple ways in which this seminal epoch influenced the later development of Western culture and society Jacket Studies on Authorship in Historical Keyboard Music Andrew Woolley, 2023-10-31 Authorship is a pertinent issue for historical musicology and musicians more widely and some controversies concerned with major figures have even reached wider consciousness Scholars have clarified some of the issues at stake in recent decades such as the places of borrowing and arranging in the creative process and the wider cultural significance of these practices The discovery of new sources and methodologies has also opened up opportunities for reassessing specific authorship problems Drawing upon this wider musicological literature as well as insights from other disciplines such as intellectual history and book history this book aims to build on what has already been achieved by focussing on keyboard music The nine chapters cover case studies of authorship problems the socioeconomic conditions of music publishing the contributions of composers arrangers copyists and music publishers in creating notated keyboard compositions the functions of attribution and ascription and how the contexts in which notated pieces were used affected concepts of authorship at different times and places *Inigo Jones and the European Classicist Tradition* Giles
