*The Transparency of Time* Leonardo Padura,2021-06-15 From Leonardo Padura whose crime novels featuring Detective Mario Conde form the basis of Netflix s Four Seasons in Havana The Transparency of Time sees the Cuban investigator pursuing a mystery spanning centuries of occult history Mario Conde is facing down his sixtieth birthday What does he have to show for his decades on the planet A failing body a slower mind and a decrepit country in which both the ideals and failures of the Cuban Revolution are being swept away in favor of a new and newly cosmopolitan worship of money Rescue comes in the form of a new case an old Marxist turned flamboyant practitioner of Santer a appears on the scene to engage Conde to track down a stolen statue of the Virgen de Regla a black Madonna This sets Conde on a quest that spans twenty first century Havana as well as the distant past as he delves as far back as the Crusades in an attempt to uncover the true provenance of the statue Through vignettes from the life of a Catalan peasant named Antoni Barral who appears throughout history in different guises as a shepherd during the Spanish Civil War as vassal to a feudal lord we trace the Madonna to present day Cuba With Barral serving as Conde s alter ego unstuck in time and Conde serving as the author s we are treated to a panorama of history and reminded of the impossibility of ever remaining on its sidelines no matter how obscure we may think our places in the action Equal parts The Name of the Rose and The Maltese Falcon The Transparency of Time cements Leonardo Padura s position as the preeminent literary crime writer of our time

narrative making the book an innovative contribution to religious visual ethnography     **Against All Odds** Paul Porwoll,2014 This history of the oldest surviving church south of Virginia and the only remaining colonial cruciform church in South Carolina is one of wealth and poverty acclaim and anonymity slavery and freedom war and peace quarreling and cooperation failure and achievement Jacket     **Lamplighter** Kerry Brown,2014-07-01 Old World lamplighters once lit the streets of cities like Constantinople Alexandria and Rome In the countryside in the new colonies the lamplighter doesn t light passages through the dark he lights perimeters against it and the wildernesses beyond In the tiny South Island beach settlement of Porbeagle Candle is apprentice to his grandfather Ignis But as the community prepares to celebrate the lamplighter s retirement old stories take on darker hues If the origins of folklore are in a sunken history of violence and prejudice what is the price of Candle s freedom Inhabiting a luminous space between realism and parable between an all too familiar contemporary New Zealand and a magical otherworld Lamplighter is as captivating as it is unsettling     **Dead Fear** John Kuykendall,2014-06-16 In this ensemble psychological horror novel four survivors come together to fend themselves from the restless undead But after months of living in an uninhabited California fear and isolation leaves scars in the sanity of every survivor As a character study Dead Fear examines the personal stories of four people in a world where death is everywhere and hope however dire may be all that keeps them alive     **Understanding Theories of Religion** Ivan Strenski,2015-03-30 Featuring comprehensive updates and additions the second edition of Understanding Theories of Religion explores the development of major theories of religion through the works of classic and contemporary figures A new edition of this introductory text exploring the core methods and theorists in religion spanning the sixteenth century through to the latest theoretical trends Features an entirely new section covering religion and postmodernism race sex and gender and religion and postcolonialism Examines the development of religious theories through the work of classic and contemporary figures from the history of anthropology sociology psychology philosophy and theology Reveals how the study of religion evolved in response to great cultural conflicts and major historical events Student friendly features include chapter introductions and summaries biographical vignettes a timeline a glossary and many other learning aids     **Building up the Waste Places** Peter Anson,2014-12-01 The title of this book gives a general idea of its subject matter a sideline of the nineteenth century Gothic Revival in art and literature This took the form among High Church Anglicans not only of restoring parish churches and cathedrals but also founding brotherhoods on supposedly medieval lines Olde Worlde externals such as flowing black robes shaven heads sandals and rosary beads helped to make young men forget that they were living in the midst of an industrial revolution To a large extent the whole business of building up monastic waste places was a form of escapism As the reader will discover the result was often as unreal as the twilight world pictured by Alfred Tennyson in his series of connected poems entitled Idylls of the King which appeared at intervals between 1842 and 1885 The earlier monasteries with their dim religious light and Gothic gloom described in these pages were contemporary with Anthony

Trollope's Barsetshire series of novels Anson has dealt already with the revival of the religious life for men and women within the Anglican Communion in The Benedictines of Caldey 1940 The Call of the Cloister 1955 and Abbot Extraordinary 1958 In his latest book he concentrates on Father Ignatius of Jesus Abbot Aelred Carlyle and Father Hopkins each of whom tried to restore Benedictine monastic life in the post Reformation Church of England Much new material has been discovered in recent years that debunks more than one lovely legend The octogenarian author has not been afraid to disclose many facts which some readers may feel ought to have been kept hidden for they are not exactly edifying The entire book might be summed up in Lord Byron's words Tis strange but true for truth is always stranger than fiction
