Combining real world experience backed by surprising research based insights See Solve Scale guides the reader through forming a successful startup team and through the three steps of the process find and validate a problem develop an initial small scale solution and scale a long term solution It also details eleven common errors of judgment that entrepreneurs make when they rely on their intuition and provides instruction for how to avoid them Leveraging Warshay s own entrepreneurship successes and his 15 years of experience teaching liberal arts students See Solve Scale debunks common myths about entrepreneurship and empowers everyone especially those who other entrepreneurship books have ignored and left behind Its lasting message Anyone can take a world changing idea from conception to breakthrough entrepreneurial success    A *New Breed of Shark* Charlie Fusco,2016-06-16 A New Breed of Shark is business strategy and personal journey wrapped in hilarious honesty Its a 100 percent uncensored confession of all the terrible mistakes that can be survived while trying to conquer the boardroom control the family room and master the bedroom all at the same time Its definitely a page turner for women and men but more so it pushes you to turn the pages in your life Tanner Gers CEO ABSolutely Lean LLC Incredible business insight from the trenches done with love and laughs and no punches pulled Jim Sweeny President Founder of honestonline.com Discover the following Why you shouldnt strive for work life balance A simple system for making tough decisions easy The F words that make you fearless in business How you can physically become a smarter CEO Why experiencing financial crisis isnt a bad thing The spiritual advantage for entrepreneurship 17 lessons for becoming a SHARK in the boardroom while celebrating your feminine side A must read book for any one feeling lost or wallowing in self pity This book will pick you up kick your ass into productivity mode It will be a life changer to inspire you to be best self in business family the bedroom Karen Ognibene Executive Editor South Jersey MOM Magazine Being a woman in the business world is tough Once in a while you stumble upon advice that you find yourself putting into practice daily It is an honest and insightful guide for people to use as they navigate through entrepreneurship Jodie Riccelli COO Exponent Entertainment This book isnt just for women entrepreneurs This book is for anyone who wants to learn about business from someone who has done it and is doing it Her stories I found funny honest and insightful Michael Alden Esq Author of Ask More Get More and 5% More

**Martin, the Foundling** Eugène Sue,1847    **Move** Patty Azzarello,2017-01-31 Move past the obstacles and implement your new strategy Move is your guide to mobilizing your whole organization to take your business forward Whatever your needed transformation may be a new initiative a new market a new product your fresh strategy is up against a powerful foe an organization s tendency to stay very busy and completely engaged what it s already doing This book shows you how to cut through resistance and get your team engaged and proactively doing the new thing Author Patty Azzarello draws on over twenty five years of international business management experience to identify the chronic challenges that keep organizations from decisively executing strategy and to give you a practical game plan for breaking through Leaders tend to assume that stalls in execution are inevitable unchanging parts of the workplace but things can change At the heart of every execution

problem is the fact that there simply are not enough people doing what the business needs This guide shows you how to get your entire organization on board remove the fear excuses and hurdles and uphold the new pursuit against distractions and dissent No transformation can succeed without suitable engagement from the whole organization but building engagement can be difficult uncomfortable and tentative This book shows you how to get it done Get your organization to embrace and personally commit to the new work Remove obstacles and passive aggressive attacks that block progress Defend new strategic initiatives against short term pressures to revert to business as usual Sustain momentum and the desire to move forward Make sure no one is ever asking Are we still doing this Inertia isn't just a law of the universe it's a law in the workplace that can be a major obstacle to making things happen The great thing about inertia is that it cuts two ways a body at rest remains at rest but a body in motion remains in motion People love to finish things Move shows you how to make successful execution the new norm starting today

**Advances in Sound Localization** Pawel Strumillo, 2011-04-11 Sound source localization is an important research field that has attracted researchers efforts from many technical and biomedical sciences Sound source localization SSL is defined as the determination of the direction from a receiver but also includes the distance from it Because of the wave nature of sound propagation phenomena such as refraction diffraction diffusion reflection reverberation and interference occur The wide spectrum of sound frequencies that range from infrasounds through acoustic sounds to ultrasounds also introduces difficulties as different spectrum components have different penetration properties through the medium Consequently SSL is a complex computation problem and development of robust sound localization techniques calls for different approaches including multisensor schemes null steering beamforming and time difference arrival techniques The book offers a rich source of valuable material on advances on SSL techniques and their applications that should appeal to researches representing diverse engineering and scientific disciplines
