Here Goes Nothing Kendra Broekhuis,2017-02-28 What happens when you ask God What do you want me to do today This is not a success story And it s not one of those stories that has a beginning a middle and then a perfectly tidy hind end either It s really just a beginning For thirty days Kendra Broekhuis prayed to maintain the joy of being wife and mommy amid the daily grind To see the world through God s eyes To live intentionally To build relationships and share Christ s love with our neighbors To learn what it really means to give To collide motherhood with mission This became her motto her credo her personal mission statement Some days it led to actions the Lord gently nudged her to take Other days it led to reflections the Lord gently whispered into her heart Every day it led to a single word one underlying theme that ties all thirty days all thirty chapters and their wide variety of topics together giving These thirty days found Kendra and her husband and daughter in a strange time of transition They had just moved back to the United States after teaching for three years in the beautiful country of Guatemala They were in a new city working a new job living in a new apartment building in search of a new church And they wanted to put it all together all of their experiences all of the things they had just seen and learned and read and discussed It wasn t a clean slate but rather a chance to live intentionally When Kendra and her husband sought advice about the transition from fellow missionary friends the advice was Get to know your neighbors It might sound like strange advice but it made sense Jesus tells us to Love God and love your neighbor Many times the word neighbor is meant to be vague but it shouldn t always be Part of being mission minded no matter where you live or work is being willing to love the people closest to you people we often overlook Kendra s neighbors as in the people who live in the other eleven apartments in her building are whom she often found the Lord s generosity overflowing to and from during these thirty days

Choose Your Self Megan Sherer,2025-05-06 A liberating guide for every woman ready to embrace her own worth heal deeply and find fulfillment from within Wendy Valentine host of The Midlife Makeover Show and author of Women Waking Up If you've been waiting for your life to start once your relationship status changes it's time to rethink things and learn to choose your self first We often relate to singlehood as a phase that should be rushed and remedied by finding a partner rather than relating to it as our most potent opportunity for growth But if the priority is on being chosen

over being the one to choose you're more likely to keep ending up with the wrong partner. It's time to break these old patterns and embrace single life with compassion. One of the great advantages of spending time intentionally single is having an expert coach and therapist. Megan Sherer is having time to self-reflect to learn from your past and to experiment with new ways of being. Key word: intentionally. Sherer teaches how to fall in love with your own life and be unwilling to waver in the pursuit of a relationship as strong as the one you build within yourself. Using personal story as well as potent reflection, prompts, somatic exercises, and self-care practices, she shepherds you through the process of moving beyond attachment wounds to new levels of self-awareness to build a rock-solid foundation for your relationship with self. If you have an interest in partnering in the future, you'll also discover how to do so in a way that allows you to remain true to yourself. Here, you'll uncover clarity in defining your desires, how your attachment style has impacted your relationships, why you keep choosing emotionally unavailable people, what your patterns are and how to clean up old habits, how to manage your nervous system and heal your inner child. The magic of doing the things you thought you needed a partner for. It's time to move from the disempowered experience of loneliness to an empowered version of singlehood, one filled with joy, adventure, play, passion, and all the other things that you thought you had to wait for the perfect person to experience. You are that person, and that time is now.

Black Girl In Love (with Herself) Trey Anthony, 2021-01-05. Speaker, writer, and producer Trey Anthony breaks it down, giving black women a relatable voice and personalized keeping it real to do list on how to practice self-love and self-care. Therapy is not just for white women; no matter what your momma told you. After a lifetime of never truly relating to the personal development experts because of the color of her skin, Trey Anthony has written the book she needed to read as a black woman trying to navigate a world filled with unique challenges that often acts like she doesn't exist. On the outside, Trey Anthony was the overachieving, reliable, and strong black woman she was raised to be, but on the inside, the pressure of sacrificing her own needs to please others was building. When her grandmother and mother raised her strong, they also unknowingly taught her that self-love and expressing emotions were weak, creating an unhealthy dynamic that had Trey facing burnout and rock bottom. In *Black Girl in Love with Herself*, Trey breaks down the lessons and tools that she used to heal her life, including how to set clear and healthy boundaries, even with the people who raised you. Quit being the family ATM. Sort out who is a real friend and who is just there for parties and gossip. Confront microaggressions at work without missing a beat. Forget who black women are supposed to be. And fall in love with yourself. [The Leisure Hour](#), 1897
