Soil and Sacrament Fred Bahnson, 2013-08-06 Recounts the author s experiences founding a faith based community garden in rural North Carolina and emphasizes how growing one s own food can help readers reconnect with the land and divine faith **Gathered in One: How the Book of Mormon Counters Anti-Semitism in the New Testament** Bradley J. Kramer, Since the Holocaust a growing consensus of biblical scholars have come to recognize the unfair and misleading anti Semitic rhetoric in the New Testament language that has arguably contributed to centuries of violence and persecution against the Jewish people In Gathered in One Bradley J Kramer shows how the Book of Mormon counters anti Semitism in the New Testament by approaching this most Christian of books on its own turf and on its own terms literarily by providing numerous pro Jewish statements portrayals settings and structuring devices in opposition to similar anti Semitic elements in

the New Testament and scripturally by connecting with it as a peer as a divine document of equal value and authority which can add these elements to the Christian canon as the Gospel of John can add elements to the Gospel of Matthew without undermining its authority or dependability In this way the Book of Mormon effectively detoxifies the New Testament of its anti Semitic poison without weakening its status as scripture and goes far in encouraging Christians to relate to Jews respectfully not as enemies or opponents but as allies people of equal worth importance and value before God

The Qara-Daghian Shaul Elazar, 2025-03-21 Is it appropriate to recite Shema Israel in this place In a dreamlike moment I found myself in the synagogue surrounded by people wrapped in prayer shawls and the thrilling voice of the cantor Hakham Abdullah I imagined my grandfather Hakham Nissim hovering beside me whispering verses with his angelic voice encouraging me to pray in this place that was once ours Inspired by his presence I set my heart on righting the insult to my grandfather's memory With permission granted I prepared to pray facing Jerusalem as is the Jewish tradition stunning those around me Born in Halabja the gas hit city of Kurdistan the writer recounts the tribulations of an Aramaic speaking Qaradaghian Jewish tribe spanning five generations This poignant memoir weaves together fascinating family stories some tragic and others filled with love and heroism The climax of the book is a nostalgic visit to the landscapes from which the author was uprooted as a child His 2018 visit published in the Kurdish media under the headline The first Jew to return to Halabja since 1950 reveals the harsh reality of the Muslims rushing to build a mosque on the ruins of the synagogue In the city of Slemanyia the writer visits the Great

Synagogue where his grandfather served as rabbi now converted into a mosque Here he sets a precedent by praying in a place where no Jewish prayer had been held for 67 years a testament to the enduring spirit of the lost people in the land of Assyria The hardships that began 2 700 years ago continued in the Land of Israel where the writer undergoes immigration experiences until his successful integration into the New Old Land
