Its Time Conversation With Angels Volume Iii:

It's Time Dror B. Ashuah, 2012-08 The Angels Ask Are You Ready The one question that you are asked is Are you ready A bigger story is now unfolding and it is your choice whether to be part of that story or watch it unfold from the sidelines The greatest gift you have is being alive in a body at this time of immense changes and the opportunity to follow your path of truth and light Human consciousness is ascending as a whole along with Earth's vibration to its next evolutionary step You the one following your heart are being asked to be one of the columns that support the bridge now being built to a new level of consciousness Every transition aspires to be organic in form and pace to allow the ones who are destined to pave this road to build these bridges creating a new roadmap for others to follow This is what you are called to do and be You are asked if you are ready to be part of that bridge and embody the pathway for others to follow You are asked if you are ready to live from your heart breathe from your heart communicate from your heart act from your heart think from your heart and feel from your heart You are asked to be a pulsating throbbing heart of light opening and charting a new vibration for others to live by example You are asked to be in that frequency all the time even when you are asleep Are you ready We are not asking you to imagine it in some esoteric way we are asking you to be it And So Be It is you building a bridge that was never there before and taking a road that did not exist paving it so the whole frequency of human consciousness aligns via the new coherent resonance that you are embodying through your heart This is your potential and what this book is all about You have asked to move higher We have given you the roadmap It is on you to step forward and manifest it It's time Kids, It's Time We Have the Talk John R. VanBuskirk, 2010-12 Kids It's Time We Have THE TALK because doing the sex thing or doing the drug thing can ruin a kid's life but NOT doing The God thing can ruin a kid's eternity Using teachings from John Paul II Fulton J Sheen Thomas Merton Mother Teresa and others John R VanBuskirk tells his kids about God God stuff Living Dying Heaven hell VanBuskirk explains the purpose of life to his twenty something year old kids and the importance of getting through life rather than merely being successful in it He challenges his kids to Love the world more than any other creature God has ever given life to Possess the heart of a servant and add to what God has created as one of His co creators and partners Know God in ways equal to the saints and angels in Heaven Achieve a special personal intimacy with God an intimacy that the angels might envy Kids It's Time We Have THE TALK will help you keep First Things First It will enable you to explain why First Things are First Things It's the talk parents are obligated to have with kids It's the talk each of us is obligated to have with ourselves Conversation with Angels Dror B. Ashuah, 2020-01-31 The Angels Say There is no one out there more powerful than you regarding your own life You are a master it is time for you to acknowledge it moving forward knowing that there are no victims no coincidences and no accidents in the journey you call human life There is you and your awareness When you are awake acting from awareness of your own divinity you are powerful as you are linked to the energy of God and love When you are asleep acting without awareness you are disconnected from the energy of love and

the actions you bring forth may need to be balanced through karma Actions done from love release and clear karmic debt actions done from energy other than love often increase your karmic balance sheet The days are getting shorter as you are moving from one phase of your journey to the next This journey never ends but it changes You are in the midst of that change and many of you are aware of the instability of the fulcrum point inside of you It feels wobbly like seesaw riding Even those of you who used to be in a place of balance find it challenging to stay still Your nights are less restful and your days offer you many opportunities to test your place of awareness It is the time of initiation and tests many of you feel that you want to get off this train but it does not stop With all love we embrace you with our wings and whisper in your ears that it s time 44
