Its Time To End Church Splits:

It's Time to End Church Splits Francis Frangipane, 2002-08-01 In this book Francis Frangipane not only exposes the deceptions surrounding church splits but brings the reader to a place of healing and beyond where they can actually possess the unoffendable heart of Jesus Christ **The Splitting of the Adam: It's time to Awaken!** Don Felumlee, 2017-04-18

More than any inspired sermon or theologically correct teaching there is but one prevailing message which clearly emanates throughout the entirety of the scriptures Our loving Heavenly Father is desperately yearning to touch his broken and fallen creation Before this can happen however from the chosen mouthpiece of a prophetic firstfruits company there must first and foremost resound an eye opening message of earth shaking significance for the somber sleeping church which he shall ultimately work through must first be awakened into the image of God A splitting of the Adam must eventually take place within the ever longing hearts of his beloved children Yes indeed my friend a splitting of the Adam must inevitably take place within you Join us now if you dare beloved as author and teacher Don Felumlee proclaims a fresh divine perspective of the coming of the Lord I have looked high and low for explanations on resurrection and have not found anything as thoroughly detailed and understanding as in your book I am enjoying the read Pastor Joe Shutts New Freedom Church Lebanon Ohio

A Time to Seek God Francis Frangipane, 1994-12 *Seriously Now, Enough Already* Daphne Leigh, 2018-01-23 This book is about finding power through faith in Christ to overcome the challenges that come through life It is my hope that this testimony of faith will bless and encourage all who read it **I Will Be Found by You** Francis Frangipane, 2013 In *I Will Be Found by You* he reveals that the deliberate movement of our hearts toward God leads us into far more than a simple answer to our need we actually find Him He teaches us how to reconnect with the living One who is our rescuer our redeemer and the restorer of our souls

Times of Transition Lorna Forrester, 2023-06-09 Join with Pete the lead pastor Joe his son transitioning to be Jo his daughter and Jack the popular youth leader who creates a scandal when he leads his youth club to split off from the parent church These and other engaging characters grapple with crippling doubts courageously standing up against appalling sexism transphobia and outspoken anti LGBTQ feelings in the days when gays and lesbians were only just beginning to struggle in solidarity against Mrs Thatcher's section 28 Behind all of this lay a poisonous fundamentalist culture produced by a fierce commitment to biblical literalism and inerrancy enforced by an authoritarian hierarchical church structure These troubling concerns still with us today are dealt with in a respectful gracious manner intended to encourage irenic discussion We see many of the characters emerging towards a fresh expression of their faith into what we know today as Progressive Christianity Join this remarkable journey of self discovery as the characters grapple with their beliefs confront toxic church culture and embark on a path towards healing and inclusivity **The Stronghold of God**

Francis Frangipane, 1998 As the magnitude of evil escalates in the world today Christians are looking for a place of immunity and protection a spiritual Goshen In *The Stronghold of God* pastor and best selling author Francis Frangipane imparts fresh

revelation about God's place of shelter a dwelling place for your soul during times of suffering and persecution Once you've found this place nothing you encounter can defeat you In every distress or devilish plot set against you you'll emerge unscathed and victorious From wherever you are you can reach The Stronghold of God

Religious Entrepreneurism in China's Urban House Churches Li Ma, 2019-06-27 This book offers a unique historical documentation of the development of the ambitious religious entrepreneurship by leaders of the Early Rain church and later Western China Presbytery leadership in an effort to gain social influence in China through local institution building and global public image management It unravels the social processes of how this Christian community with a public image of defending religious freedom in China was undermined by an internal loss of moral authority Based on publicly available texts from Chinese social media that aren't readily available in the West as well as in depth interviews it is framed by existing scholarship in social theories of the public sphere charismatic domination in social transition and the role of power in organizational behaviour These churches stories show how Christianity which has long been politically marginalized in communist China has not only adapted and challenged the socio political status quo but how it was also ironically shaped by the political culture This is an insightful and critical ethnographic study of one of modern China's most famous house churches As such it will be of great interest to scholars of Religion in China as well as those working in Religious Studies Asian studies Chinese studies and Mission Studies more generally

Be One, be Beautiful! A Call to Unity Mike J. Parnham, 2012-12-05 *Break It Down and Make It Plain* Roy W. Johnsen, 2013-02-20 It has been my pleasure to know Roy since he assumed his final pastorate prior to retirement Westgate Baptist Church in Lancaster Pa As the shepherd of our small older congregation he brought the priceless lessons of biblical relevance and human relationships gained from his outreach in pulpits and prisons Out of his work and that of his wife Judy Westgate became a multicultural congregation with a vision of mission that has engaged hearts and hands And in all of his work Roy has given uncompromising credit to God and to the journey of ministry and understanding in which God has guided him In the pages that follow you will experience many chapters and moments from that journey You will feel the painful anguish of broken lives and the joyous renewal of wholeness through God's love You will indeed meet the least of these and the faithful response of seeing Christ in them You likely will see possibilities for your own ministry your own spiritual growth Almost certainly you will be challenged enlightened and inspired I invite you now to begin a story that reveals in so many ways God's care and provision a narrative of one man's life of trust in God's leading and in what can be accomplished through that trust Richard W Schramm former Deputy General Secretary for Communication American Baptist Churches USA

Culture and Customs of the Czech Republic and Slovakia Craig Cravens, 2006-08-30 The Czech Republic is a red hot European destination and the charms of Slovakia are slowly being discovered by Westerners as well The two countries share fundamental similarities in language and culture but they never really managed to create a common national Czechoslovak identity after being merged in 1918 when the Austro Hungarian Empire collapsed With the

lifting of the Iron Curtain in 1989 through the Velvet Revolution and the final breakup of Czechoslovakia into two countries in 1993 this up to date substantive insight is much needed This volume overviews the current social cultural and political scene of both countries so that general readers come away with a solid understanding of where the Czechs and Slovaks have been and where they are going The land people and history chapter lays the groundwork for the rest of the narrative In the chapter on religion and thought the reasons for the widespread atheism of the Czechs and the contrasting religiosity of the Slovaks are explained Both peoples are shown to have relaxed attitude toward life and a love of celebrations with a strong beer culture The state of women and family and feminism in the post Soviet era is also discussed and readers will learn about the role of romance novels and the Czech Cosmopolitan The literature chapter emphasizes the Czech sense of humor and the lack of translations of Slovakian works The crises in journalism and cinema are other important topics Finally the strong traditions of theater and music which have always been part of the Czech national consciousness are seen to be as alive and vibrant as in any place in the world **New International Encyclopedia** ,1914 **The New International**

Encyclopaedia ,1929 The New International Encyclopædia Frank Moore Colby,Talcott Williams,1917 **Big Thicket Legacy** Campbell Loughmiller,Lynn Loughmiller,2002 In Big Thicket Legacy Campbell and Lynn Loughmiller present the stories of people living in the Big Thicket of southeast Texas Many of the storytellers were close to one hundred years old when interviewed with some being the great grandchildren of the first settlers Here are tales about robbing a bee tree hunting wild boar plowing all day and dancing all night wading five miles to church through a cypress brake and making soap using hickory ashes **Broken Promise** Jon Blackmore,2025-01-30 Born into the Fundamentalist Latter Day Saint FLDS community of Bountiful British Columbia Jon Blackmore grew up believing that his church was the sole path to salvation the only people destined to survive an impending apocalypse But salvation required more than just faith It also demanded perfect obedience to God s chosen representatives on Earth the church s prophet and the local bishop Wielding absolute control over every aspect of their followers lives spiritually socially and financially Bishop Winston Blackmore backed by God s so called prophet in the United States ruled his followers with an iron fist The people of Bountiful were driven into a life of near enslavement where refusal to comply with their leaders demands which included surrendering children to forced labor or entering plural marriages meant excommunication from the church and eternal damnation This memoir chronicles Jon s journey from devout believer to conflicted follower to questioning skeptic as his leaders increasingly bold and outrageous antics cause his community and his church to unravel putting the future of Jon s own family in peril **Israel and the Covenants in New Testament Times** Peter Williams,2016-05-23 Second Edition Updated and Revised A Bible student reference A New Testament prophecy of a falling away from truth into apostasy and lawlessness in the final generation before Jesus Christ returns in glory is being fulfilled now and is shortly to end Yet Christianity has overwhelmingly moved so far from its first century roots that it could not even recognise this or that Christ s return is therefore now almost upon us

How and why this is the case is here explained thoroughly and logically with many examples directly from the word of God In God s saving plan for the world everyone must in time make a free will choice to become part of the Israel of God in order to access eternal life in the kingdom of God The route to take is the strait and narrow way Mat 7 13 14 that very few have so far found and it involves the biblical new and old covenants which both apply to this Israel Embark on this voyage only if you are willing to be challenged about some basic Christian preconceptions be a serious open minded Bible student and trust what the Bible teaches but remember that time is short What the Bible has taught me I see as both vital and urgent for our eternal salvation yet I know of no church or individual theologian who teaches what this book deals with in any substantive way Be prepared for major challenges to your understanding just as God has challenged me In the epistles Paul refers to two Israels whom he calls Israel after the flesh I Cor 10 18 and the Israel of God Gal 6 16 I focus mainly on the latter but I also explain an unexpected but critically important connection between them Dependent on the teaching nearly all Christian denominations either teach nothing at all on it or almost the opposite of what Scripture repeatedly showed me Looking back I find this absolutely staggering Very few Christians understand that the new covenant also only applies to Israel as I will clearly show I no longer believe that the NT New Testament can be fully understood without this extra Israel dimension Had I felt I could deliver this in a more light hearted way I would have done so but its implications are too awesome and fundamental to our eternal life prospects for that

Religion and the American University James W. Fraser,2025-07-01 Explores religion s historic and present day role in American universities Once the unifying center of American higher education religion has undergone a dramatic transformation over the past 220 years From its origins as the core of a unified understanding of truth as it was taught at the nation s first colleges to its current presence on the periphery of campus life religion has both shaped and been shaped by the evolution of the American university In Religion and the American University James W Fraser explores the complex relationship between faith and higher education While many histories of higher education rarely focus on religion after the Civil War and studies of religion often neglect its ties to academia this book bridges the gap between the two histories offering a richly detailed chronological account of the shifting role of religion in American colleges and universities over more than two centuries Through key institutional examples Fraser illuminates how the place of religion evolved from the dominance of Protestantism in the nineteenth century to the broad spectrum of faiths spiritualities and secular philosophies represented on campuses today This compelling study examines how student led organizations chaplains religious studies departments and local communities have kept faith vibrant in academia despite its absence from the dominant university culture of the twenty first century Essential reading for educators historians faith leaders and anyone interested in the intersection of faith and education Religion and the American University offers a fresh perspective on why religion remains a vital and misunderstood aspect of campus life in the twenty first century

A Plague on Both Their Houses Christopher Craig Brittain, 2015-07-30 Christopher Craig Brittain offers a wide ranging examination of specific events within The Episcopal Church TEC by drawing upon an analysis of theological debates within the church field interviews in church congregations and sociological literature on church conflict The discussion demonstrates that interpretations describing the situation in TEC as a culture war between liberals and conservatives are deeply flawed Moreover the book shows that the splits that are occurring within the national church are not so much schisms in the technical sociological sense but are more accurately described as a familial divorce with all the ongoing messy entwinement that this term evokes The interpretation of the dispute offered by the book also counters prominent accounts offered by leaders within The Episcopal Church The Presiding Bishop Katharine Jefferts Schori has portrayed some opponents of her theological positions and her approach to ethical issues as being fundamentalist while other Progressives liken their opponents to the Tea Party movement
