Walter Scott

Its What He Wouldve Wanted A Novel:

It's What He Would've Wanted Sean Hughes, 2001-04-02 Sean Hughes is an award winning Irish comic turned bestselling writer whom the British Independent has compared to the likes of Irvine Welsh James Kelman and Will Self Now the popular comedian delivers It s What He Would ve Wanted a brutally funny highly charged and moving novel about a directionless thirty year old man s belated transition into adulthood Our narrator and protagonist is Shea Hickson a commitment phobic just turned thirty year old with somewhat adolescent leanings Shea lives off lottery winnings and spends his time blindly serving a secret organization whose stated duty is to seek truth which though Shea doesn t quite realize it turns out to be a small time terrorist gig Shea s parents appear to be a quintessentially comfortable suburban middle class couple and when sons Shea and Orwell named after Che Guevara and George their father having been something of a nostalgic radical arrive for Christmas Eve all seems as it should be But when Shea turns a corner to find his father a BBC weatherman hanging from the light fixture the son s disaffected existence is turned upside down Worse Shea s discovery of an encoded journal his father had been keeping uncovers shocking revelations about his father s disappointed life as a parent husband and disillusioned minor celebrity Jolted from his emotional ennui Shea determines to figure out what drove his father to his death and in the process of unraveling the Hickson family s increasingly distasteful secrets comes to better understand himself With wry humor and savage undercurrents the story winds through the seamier side of London life skirting the worlds of television newspapers and small scale urban terrorism Buoyed by Hughes s edgy humor and Seinfeldian observations about modern life It s What He Would ve Wanted dissects and mutilates traditional family values as it maps one son s attempt to piece together a world fractured by alienation paranoia and conflict
