NED VIZZINI

Its Kind Of A Funny Story

Steven Schlozman

Its Kind Of A Funny Story:

It's Kind of a Funny Story Ned Vizzini, 2007-04-03 Like many ambitious New York City teenagers Craig Gilner sees entry into Manhattan's Executive Pre Professional High School as the ticket to his future. Determined to succeed at life which means getting into the right high school to get into the right college to get the right job Craig studies night and day to ace the entrance exam and does that's when things start to get crazy. At his new school Craig realizes that he isn't brilliant compared to the other kids he's just average and maybe not even that. He soon sees his once perfect future crumbling away. The stress becomes unbearable and Craig stops eating and sleeping until one night he nearly kills himself. Craig's suicidal episode gets him checked into a mental hospital where his new neighbors include a transsexual sex addict a girl who has scarred her own face with scissors and the self-elected President Armelio. There isolated from the crushing pressures of school and friends Craig is finally able to confront the sources of his anxiety. Ned Vizzini who himself spent time in a psychiatric hospital has created a remarkably moving tale about the sometimes unexpected road to happiness. For a novel about depression it's definitely a funny story. *IT'S KIND OF A FUNNY STORY*, 2010 SPIN, 2010-11 From the concert stage to the dressing room from the recording studio to the digital realm SPIN surveys the modern musical landscape and the culture around it with authoritative reporting provocative interviews and a discerning critical ear.
