**Reading the World's Stories** Annette Y. Goldsmith, Theo Heras, Susan Corapi, 2016-08-11 Reading the World's Stories is volume 5 in the Bridges to Understanding series of annotated international youth literature bibliographies sponsored by the United States Board on Books for Young People USBBY is the United States chapter of the International Board on Books for Young People IBBY a Switzerland based nonprofit whose mission is bring books and children together The series promotes sharing international children's books as a way to facilitate intercultural understanding and meet new literary voices This volume follows Children's Books from Other Countries 1998 The World through Children's Books 2002 Crossing Boundaries with Children's Books 2006 and Bridges to Understanding Envisioning the World through Children's Books 2011 and acts as a companion book to the earlier titles Centered around the theme of the importance of stories the guide is a resource for discovering more recent global books that fit many reading tastes and educational needs for readers aged 0-18 years Essays by storyteller Anne Pellowski author Beverley Naidoo and academic Marianne Martens offer a variety of perspectives on international youth literature This latest installment in the series covers books published from 2010-2014 and includes English language imports as well as translations of children's and young adult literature first published outside of the United States These books are supplemented by a smaller number of culturally appropriate books from the US to help fill in gaps from underrepresented countries The organization of the guide is geographic by region and country All of the more than 800 entries are recommended and many of the books have won awards or achieved other recognition in their home countries Forty children's book experts wrote the annotations The entries are indexed by author translator illustrator title and subject Back matter also includes international book awards important organizations and research collections and a selected directory of publishers known for publishing books from other countries **The American Encyclopaedia of Agriculture. A Treasury of Useful Information for the Farm and Household** Jonathan Periam, 2024-04-26 Reprint of the original first published in 1881 **With Respect for Nature** J. Claude Evans, 2012-02-01 We eat inevitably at the expense of other living creatures How can we take the lives of plants and animals while maintaining a proper respect for both ecosystems and the individuals who live in them including ourselves In this book philosopher J. Claude Evans challenges much of the accepted wisdom in environmental ethics and argues that human participation in the natural cycles of life and death can have positive moral value With a guide for the nonphilosophical reader and set against the background of careful and penetrating critiques of Albert Schweitzer's principle of reverence for life and Paul Taylor's philosophy of respect for nature Evans uses hunting and catch and release fishing as test cases in calling for a robust sense of membership in the natural world The result is an approachable existential philosophy that emphasizes the positive value of human involvement in natural processes in which life and death giving and receiving self and other are intertwined **It's Useful to Have a Duck** Isol, 2009 A continuous folding story depicts a child's relationship with his duck and on the reverse side the duck's perspective on life with his boy

**Raising Ducks for Beginners and Beyond** Kristine Ellis, 2024-05-21 Get started raising your own ducks with this approachable guide by duck fluencer Kristine Ellis. Raising ducks may seem like all fun and games thanks to the adorable and silly birds but what most people don't realize is just how much work it takes to successfully keep them healthy and happy. The truth is that it's not difficult but it does require time, effort, and knowledge. Through her social media channels, Kristine shares many different aspects of her experience with raising ducks. She shows the good, the bad, and everything in between. In *Raising Ducks for Beginners and Beyond*, Kristine takes the same honest approach and covers it all. When and how to start. When is the best time to start raising your ducks? What are the pros and cons? Are there any specific requirements in your state regarding keeping ducks? How should you set up when bringing your ducks home? And everything you should know before welcoming your ducks. How to choose your ducks. Different types of ducks, male to female ratio, size of the ducks, and more. There are many considerations when it comes to picking which ducks you want to raise and what about chickens? Kristine covers the key differences between raising ducks and chickens. Ducklings to ducks. Learn how to raise ducklings, let your ducks hatch their own eggs, transition your ducklings to the outdoors, and more. Nutrition and feeding. Make sure they're receiving the right nutrient ratios and that they're surrounded by duck-safe plants, flowers, and more. Keeping your ducks healthy and happy. What is the right bedding to keep your ducks comfortable? What about coop and/or pen size? What are common illnesses among ducks? And more on how to keep your ducks in good shape and content. Pools and ponds. One of the key differences from chicken keeping, ponds are absolutely vital for ducks. This chapter helps you make sure your ducks' pools and/or ponds are the correct size and that they are kept nice and clean. Ducks through the seasons. Learn how to treat your ducks according to season. What seasons affect ducks and why? Predators. One of the most important parts of keeping ducks is keeping them safe. Know what their predators are and how to keep them at bay. Duck eggs. What's the difference between a duck egg and a chicken egg? Is one better than the other? What can you use duck eggs for? Learn all you need to know about the nutritional value of duck eggs and how you can use them. Through tutorials, instructions, and tips, this essential guide will have you feeling confident through every step of the process of raising and keeping ducks.
