J Horror The Definitive Guide To The Ring The Grudge And Beyond:

J-Horror David Kalat,2007-02-27 Navigating the numerous versions released in the U S and Japan of The Ring The Grudge Tomie and other films and sorting out the finest output of legends like Takashi Miike is an intimidating task J Horror breaks down each and every franchise from the narrative to the talent behind the screen and other trivia for a greater understanding and appreciation of the genre Learn about the influence Japanese folklore and ghost stories had on J Horror and the influence of J Horror on American cinema Just don t forget your copy on the way to the video store

Pandemonium and Parade Michael Dylan Foster,2009 Monsters known as y kai have long haunted the Japanese cultural landscape This history of the strange and mysterious in Japan seeks out these creatures in folklore encyclopedias literature art science games manga magazines and movies exploring their meanings in the Japanese imagination over three centuries *The Scary Screen* Kristen Lacefield,2016-02-17 In 1991 the publication of Koji Suzuki s Ring the first novel of a bestselling trilogy inaugurated a tremendous outpouring of cultural production in Japan Korea and the United States Just as the subject of the book is the deadly viral reproduction of a VHS tape so too is the vast proliferation of text and cinematic productions suggestive of an airborne contagion with a life of its own Analyzing the extraordinary trans cultural popularity of the Ring phenomenon The Scary Screen locates much of its power in the ways in which the books and films astutely graft contemporary cultural preoccupations onto the generic elements of the ghost story in particular the Japanese ghost story At the same time the contributors demonstrate these cultural concerns are themselves underwritten by a range of anxieties triggered by the advent of new communications and media technologies perhaps most significantly the shift from analog to digital Mimicking the phenomenon it seeks to understand the collection s power comes from its commitment to the full range of Ring related output and its embrace of a wide variety of interpretive approaches as the contributors chart the mutations of the Ring narrative from author to author from medium to medium and from Japan to Korea to the United States **Horror**

Video Games Bernard Perron,2014-01-10 In this in depth critical and theoretical analysis of the horror genre in video games 14 essays explore the cultural underpinnings of horror s allure for gamers and the evolution of survival themes The techniques and story effects of specific games such as Resident Evil Call of Cthulhu and Silent Hill are examined individually

Japanese Horror and the Transnational Cinema of Sensations Steven T. Brown,2018-02-05 Japanese Horror and the Transnational Cinema of Sensations undertakes a critical reassessment of Japanese horror cinema by attending to its intermediality and transnational hybridity in relation to world horror cinema Neither a conventional film history nor a thematic survey of Japanese horror cinema this study offers a transnational analysis of selected films from new angles that shed light on previously ignored aspects of the genre including sound design framing techniques and lighting as well as the slow attack and long release times of J horror s slow burn style which have contributed significantly to the development of its dread filled cinema of sensations *Ju-On: The Grudge* Marisa Hayes,2017-04-04 Takashi Shimizu s Ju on franchise was a

principal instigator in the rise of contemporary Japanese horror and its international popularity at the turn of the millennium Following the success of Hideo Nakata's *Ringu* 1998 the first cinematic release of *Ju on The Grudge* in 2002 crystallized Japanese horror's rise to prominence and outlined the new decade's thematic interest in supernatural technology and fear of contagions while skillfully navigating domestic social concerns such as Japan's growing elderly population and domestic violence This *Devil's Advocate* explores the production roots of *Ju on The Grudge* followed by a critical reading of the film that highlights its essential themes and motifs in addition to a section on cultural influences before concluding with a section on Shimizu's continued involvement with the *Ju on* franchise and its ongoing legacy The book serves as an excellent primer for readers without prior knowledge of Japanese horror or the *Ju on* film cycle while providing fresh perspectives on the film that makes it equally appealing to J horror aficionados

Monstrous Beings and Media Cultures Jessica Balanzategui, Allison Craven, 2025-10-01 *Monstrous Beings and Media Cultures* examines the monsters and sinister creatures that spawn from folk horror Gothic fiction and from various sectors of media cultures The collection illuminates how folk monsters form across different art and media traditions and interrogates the 21C revitalization of folk as both a cultural formation and aesthetic mode The essays explore how combinations of vernacular and institutional creative processes shape the folkloric and or folkloresque attributes of monstrous beings their popularity and the contexts in which they are received While it focuses on 21C permutations of folk monstrosity the collection is transhistorical in approach featuring chapters that focus on contemporary folk monsters historical antecedents and the pre C21st art and media traditions that shaped enduring monstrous beings The collection also illuminates how folk monsters and folk horror travel across cultures media and time periods and how iconic monsters are tethered to yet repeatedly become unanchored from material and regional contexts

The Migration and Politics of Monsters in Latin American Cinema Gabriel Eljaiek-Rodríguez, 2018-09-26 *The Migration and Politics of Monsters in Latin America* proposes a cinematic cartography of contemporary Latin American horror films that take up the idea of the American continent as a space of radical otherness or monstrosity and use it for political purposes The book explores how Latin American film directors migrate foreign horror tropes to create cinematographic horror hybrids that reclaim and transform monstrosity as a form of historical rewriting By emphasizing the specificities of the Latin American experience this book contributes to broad scholarship on horror cinema at the same time connecting the horror tradition with contemporary discussions on violence migration fear of immigrants and the rewriting of colonial discourses

A Critical History and Filmography of Toho's Godzilla Series, 2d ed. David Kalat, 2017-11-03 This thoroughly updated and revised critical account of the *Godzilla* movie franchise explores the fascinating story behind Japan's most famous movie monster and its development from black and white arthouse allegory to international commercial juggernaut Reviled by critics but boasting a dedicated cult following the films of the *Godzilla* franchise provide a unique window into the national identities of both Japan and the United States This work focuses on how differences in American

and Japanese culture as well as differences in their respective film industries underlie the discrepancies between the American and Japanese versions of the films. It features detailed filmographic data for both the American and Japanese versions of each film including plot synopses, cast credits and detailed production notes. **Streaming Horrors** Sotiris Petridis, 2025-07-17. Audiovisual content has transformed significantly with technological advancements and the rise of new media. In addition to revitalizing older works by making them accessible to a broader audience, streaming platforms also create exclusive original content designed specifically for online consumption. This is especially evident in horror films and television; new methods of narration and storytelling have enhanced the genre, and streaming has made it more widely available than before. This collection of essays examines audiovisual horror's adaptation to the features and audience of the digital era. The essays focus on the various effects of new media in the audiovisual landscape with regard to institutions, audiences, and content. The horror genre has undergone a rapid evolution and reinvention as technology has shaped both the narratives and the ways in which consumers interact with on-screen content. *Japanese Horror Culture* Fernando Gabriel Pagnoni Berns, Subashish Bhattacharjee, Ananya Saha, 2021-11-17. Contemporary Japanese horror is deeply rooted in the folklore of its culture, with fairy tales like ghost stories embedded deeply into the social, cultural, and religious fabric. Ever since the emergence of the J-horror phenomenon in the late 1990s, with the opening and critical success of films such as Hideo Nakata's *The Ring* (Ringu, 1998) or Takashi Miike's *Audition* (dishon, 1999), Japanese horror has been a staple of both film studies and Western culture. Scholars and fans alike throughout the world have been keen to observe and analyze the popularity and roots of the phenomenon that took the horror scene by storm, producing a corpus of cultural artefacts that still resonate today. Further, Japanese horror is symptomatic of its social and cultural context, celebrating the fantastic through female ghosts, mutated lizards, posthuman bodies, and other figures. Encompassing a range of genres and media, including cinema, manga, video games, and anime, this book investigates and analyzes Japanese horror in relation with trauma studies, including the figure of Godzilla, the non-human via grotesque bodies, and hybridity with Western narratives, including the linkages with Hollywood, thus illuminating overlooked aspects of this cultural phenomenon. *Ghost in the Well* Michael Crandol, 2021-05-20. *Ghost in the Well* is the first study to provide a full history of the horror genre in Japanese cinema, from the silent era to the Classical period, movies such as Nakagawa Nobuo's *Tokaido Yotsuya kaidan* (1959) to the contemporary global popularity of J-horror pictures like the *Ring* and *Ju-on* franchises. Michael Crandol draws on a wide range of Japanese language sources, including magazines, posters, and interviews with directors such as Kurosawa Kiyoshi, to consider the development of *kaiki eiga*, the Japanese phrase meaning 'weird' or 'bizarre' films that most closely corresponds to Western understandings of horror. He traces the origins of *kaika eiga* in Japanese kabuki theatre and traditions of the monstrous feminine, showing how these traditional forms were combined with the style and conventions of Hollywood horror to produce an aesthetic that was both transnational and peculiarly Japanese. *Ghost in the Well* sheds new light on one of Japanese

cinema's best known genres while also serving as a fascinating case study of how popular film genres are reimagined across cultural divides

Little Horrors T.S. Kord, 2016-07-25 Zombies werewolves and chainsaw wielding maniacs are tried and true staples of horror films But none can match the visceral dread evoked by a child with an innocent face and a diabolical stare Cinema's evil children attack our cherished ideas of innocence and our innocent bystander status as the audience A good horror film is a scary ride a devil child movie is a guilt trip This book examines 24 international films with discussions of another 100 that in effect indict viewers for crimes of child abuse and abandonment greed social and ecological negligence and political and war crimes and for persistent denial of responsibility for them all For 75 years evil children have ritually rebuked audiences and in playing on our guilt established a horror subgenre that might be described as a blood spattered rampage on an ethical mission

Intersex Figures in Modern Japanese Literature and Art Leslie Winston, 2025-10-29 *Intersex Figures in Modern Japanese Literature and Art* explores the history of intersex or futanari figures in modern Japanese literature and culture to examine the provocative discourses that defied a sexual regime as the modern nation state of Japan advanced its national and imperial designs As sexologists and medical practitioners continued reinforcing categories of male and female normal and pathological intersex literary figures garnered attention because the perceived subject was expected to be male or female any variation was unintelligible Many of the same century old tropes and societal attitudes of needing to cure intersex persist At the same time the 1991 novel *Ringu* by Suzuki Kji testifies to a denial of futanari subjectivity while the 1998 Japanese horror film *Ringu* and its 2002 American remake *The Ring* erase intersex all together Winston interrogates how the trope of the futanari is deployed for pragmatic or aesthetic purposes thereby complicating the trajectory of the dominant sexological ideology of the time Winston reads the figurative futanari in the works of Shimizu Shikin Tanizaki Jun ichir and Takabatake Kash and reveals how the artists different approaches to the futanari served their agendas and expressed views that challenged the dominant discourse on intersex

The Year's Best Fantasy and Horror 2008 Kelly Link, 2008-09-30 Collects fantasy horror fairy tales and gothic stories chosen from the past year including works by Ursula K LeGuin Neil Gaiman and Bill Lewis

Studying Horror Cinema Bryan Turnock, 2019-06-11 Aimed at teachers and students new to the subject *Studying Horror Cinema* is a comprehensive survey of the genre from silent cinema to its twenty first century resurgence Structured as a series of thirteen case studies of easily accessible films it covers the historical production and cultural context of each film together with detailed textual analysis of key sequences Sitting alongside such acknowledged classics as *Psycho* and *Rosemary's Baby* are analyses of influential non English language films as *Kwaidan* *Bay of Blood* and *Let the Right One In* The author concludes with a chapter on 2017's blockbuster *It* the most financially successful horror film of all time making *Studying Horror Cinema* the most up to date overview of the genre available

Historical Dictionary of Japanese Cinema Jasper Sharp, 2011-10-13 The cinema of Japan predates that of Russia China and India and it has been able to sustain itself without outside assistance for over a century Japanese cinema's long

history of production and considerable output has seen films made in a variety of genres including melodramas romances gangster movies samurai movies musicals horror films and monster films It has also produced some of the most famous names in the history of cinema Akira Kurosawa Hayao Miyazaki Beat Takeshi Toshir Mifune Godzilla The Ring Akira Rashomon and Seven Samurai The Historical Dictionary of Japanese Cinema is an introduction to and overview of the long history of Japanese cinema It aims to provide an entry point for those with little or no familiarity with the subject while it is organized so that scholars in the field will also be able to use it to find specific information This is done through a detailed chronology an introductory essay and appendixes of films film studios directors and performers The cross referenced dictionary entries cover key films genres studios directors performers and other individuals This book is an excellent access point for students researchers and anyone wanting to know more about Japanese cinema *World Cinema through Global Genres* William V. Costanzo, 2014-01-28 *World Cinema through Global Genres* introduces the complex forces of global filmmaking using the popular concept of film genre The cluster based organization allows students to acquire a clear understanding of core issues that apply to all films around the world Innovative pedagogical approach that uses genres to teach the more unfamiliar subject of world cinema A cluster based organization provides a solid framework for students to acquire a sharper understanding of core issues that apply to all films around the world A deep focus section in each chapter gives students information and insights about important regions of filmmaking India China Japan and Latin America that tend to be underrepresented in world cinema classes Case studies allow students to focus on important and accessible individual films that exemplify significant traditions and trends A strong foundation chapter reviews key concepts and vocabulary for understanding film as an art form a technology a business an index of culture a social barometer and a political force The engaging style and organization of the book make it a compelling text for both world cinema and film genre courses

Reading the Bible with Horror Brandon R. Grafius, 2019-10-25 In *Reading the Bible with Horror* Brandon R Grafius takes the reader on a whirlwind tour through the dark corners of the Hebrew Bible Along the way he stops to place the monstrous Leviathan in conversation with contemporary monster theory uses Derrida to help explore the ghosts that haunt the biblical landscape and reads the House of David as a haunted house Conversations arise between unexpected sources such as the Pentateuch legal texts dealing with female sexuality and *Carrie* Throughout the book Grafius asks how the Hebrew Bible can be both sacred text and tome of fright and he explores the numerous ways in which the worlds of religion and horror share uncomfortable spaces **The 1990s Teen Horror Cycle** Alexandra West, 2018-06-05 Many critics and fans refer to the 1990s as the decade that horror forgot with few notable entries in the genre Yet horror went mainstream in the 90s by speaking to the anxieties of American youth during one of the country's most prosperous eras No longer were films made on low budgets and dependent on devotees for success Horror found its way onto magazine covers fashion ads and CD soundtrack covers Girl power feminism and a growing distaste for consumerism defined an audience that both

embraced and rejected the commercial appeal of these films This in depth study examines the youth subculture and politics of the era focusing on such films as Buffy the Vampire Slayer 1992 Scream 1996 I Know What You Did Last Summer 1997 Idle Hands 1999 and Cherry Falls 2000

This is likewise one of the factors by obtaining the soft documents of this **J Horror The Definitive Guide To The Ring The Grudge And Beyond** by online. You might not require more epoch to spend to go to the book opening as with ease as search for them. In some cases, you likewise attain not discover the declaration J Horror The Definitive Guide To The Ring The Grudge And Beyond that you are looking for. It will certainly squander the time.

However below, behind you visit this web page, it will be so certainly easy to acquire as with ease as download guide J Horror The Definitive Guide To The Ring The Grudge And Beyond

It will not allow many time as we explain before. You can complete it even though accomplishment something else at house and even in your workplace. appropriately easy! So, are you question?
