James Starr as he receives a letter from an old friend and co worker Simon Ford requesting that he revisit a depleted coal mine in Scotland that he used to manage Upon arriving Starr finds the entire Ford family living in the mine and Ford explains that a new coal vein has been located Soon after Starr's return however strange events start to occur which seem to be supernatural After a startling discovery the characters continue to investigate these occurrences over the course of several years This book is part of the Standard Ebooks project which produces free public domain ebooks **Harrison Ford**

Virginia Luzón-Aguado,2020-05-28 Harrison Ford is known for such iconic roles as Han Solo Indiana Jones and Rick Deckard but his career of 50 years and counting encompasses a plethora of other thought provoking roles His off screen persona has

been no less intriguing Covering a wide timespan this book assesses Harrison Ford as star from the difficult Hollywood studio years where he began his blockbusters of the 1980s through to the impact of ageist culture on his artistry of recent years The author argues that Ford has generally been seen as a potent irresistible combination of tradition and modernity He is an actor who both reflects and utilises changing ideas about American masculinity in the context of Hollywood film production particular male types are revealed as much in his trademark trustworthy hero act as in his more fallible less conservative and therefore commercially riskier characters Luzon Aguado explores these particular star identities and every fluctuation in between She gives due attention to his much neglected acting abilities while examining the crucial interplay between star persona and the constraints and conventions of genre Going beyond standard accounts of Ford s production and pinpointing overlooked aspects of his work and the creation of the star through cultural artefacts like magazine interviews and advertising campaigns this book reveals the depth and dimensions of the enduring American screen legend that is Harrison Ford
