Golden Silk Smoke A History Of Tobacco In China 1550 201:

Golden-Silk Smoke Carol Benedict,2011-04-10 Tobacco has been pervasive in China almost since its introduction from the Americas in the mid sixteenth century One third of the world s smokers over 350 million now live in China and they account for 25 percent of worldwide smoking related deaths This book examines the deep roots of China s contemporary cigarette culture and smoking epidemic and provides one of the first comprehensive histories of Chinese consumption in global and comparative perspective Provided by publisher

The Republic of China Xavier Paules,2023-11-08 The declaration of the Republic of China in 1912 signalled an entirely new era Not only did the revolution of 1911 12 bring about the fall of the Qing dynasty it also brought an end to the entire series of dynasties that had marked Chinese history for over two millennia Radical reforms since 1901 had culminated in the ending of the political status quo and the rejection of the very idea of empire Drawing on the most recent historical research Xavier Paul s provides a comprehensive account of the crucial but chaotic period that stretched from the founding of the Republic of China in 1912 to the civil war of 1945 9 which ended with the victory of the Chinese Communist Party CCP and the establishment of the People s Republic of China Paul s challenges various common claims about this period It is often assumed that the CCP was instrumental in bringing about key events by skilfully mobilizing the population to serve its ends Paul s argues by contrast that the CCP took advantage of fortunate circumstances and that even then it was only in a position to challenge the supremacy of the Guomindang as late as 1944 His analysis takes a broad view by considering the importance of political actors both within and external to the revolutionary movement enabling him to offer a balanced interpretation of the republican period which sheds new light on China s political cultural and economic development

Chinese Cigarette Manufacturing in Critical Historical Perspectives Matthew Kohrman,Gan Quan,Liu Wennan,Robert N. Proctor,2018-04-24 Please note that this is a Chinese language edition A favorite icon for cigarette manufacturers across China since the mid twentieth century has been the panda with factories from Shanghai to Sichuan using cuddly cliché to market tobacco products The proliferation of panda branded cigarettes coincides with profound yet poorly appreciated shifts in the worldwide tobacco trade Over the last fifty years transnational tobacco companies and their allies have fueled a tripling of the world s annual consumption of cigarettes At the forefront is the China National Tobacco Corporation now producing forty percent of cigarettes sold globally What s enabled the manufacturing of cigarettes in China to flourish since the time of Mao and to prosper even amidst public health condemnation of smoking In this book an interdisciplinary group of scholars comes together to tell that story They offer novel portraits of people within the Chinese polity government leaders scientists tax officials artists museum curators and soldiers who have experimentally revamped the country s pre Communist cigarette supply chain and fitfully expanded its political economic and cultural influence These portraits cut against the grain of what contemporary tobacco control experts typically study opening a vital new window on tobacco the single largest cause of preventable death worldwide today Ambivalent

Pleasures Scott K. Taylor, 2024-08-15 *Ambivalent Pleasures* explores how Europeans wrestled with the novel experience of consuming substances that could alter moods and become addictive. During the early modern period, psychotropic drugs like sugar, chocolate, tobacco, tea, coffee, distilled spirits like gin and rum, and opium either arrived in western Europe for the first time or were newly available as everyday commodities. Drawing from primary sources in English, Dutch, French, Italian, and Spanish, Scott K. Taylor shows that these substances embodied Europeans' anxieties about race and empire, religious strife, shifting notions of class and gender roles, and the moral implications of urbanization and global trade. Through the writings of physicians, theologians, political pamphleteers, satirists, and others, *Ambivalent Pleasures* tracks the emerging understanding of addiction, fears about the racial, class, and gendered implications of using these soft drugs, including that consuming them would make users more foreign, and the new forms of sociability that coalesced around their use. Even as Europeans' moral concerns about the consumption of these drugs fluctuated, the physical and sensory experiences of using them remained a critical concern, anticipating present-day rhetoric and policy about addiction to drugs and alcohol.

Nature's Pharmacopeia Dan Choffnes, 2016-08-09 This beautifully illustrated, elegantly written textbook pairs the best research on the biochemical properties and physiological effects of medicinal plants with a fascinating history of their use throughout human civilization, revealing the influence of nature's pharmacopeia on art, war, conquest, and law. By chronicling the ways in which humans have cultivated plant species, extracted their active chemical ingredients, and investigated their effects on the body over time, *Nature's Pharmacopeia* also builds an unparalleled portrait of these special herbs as they transitioned from wild flora and botanical curiosities to commodities and potent drugs. The book opens with an overview of the use of medicinal plants in traditional practices and indigenous belief systems of people in the Americas, Africa, Asia, and ancient Europe. It then connects medicinal plants to the growth of scientific medicine in the West. Subsequent chapters cover the regulation of drugs, the use of powerful plant chemicals such as cocaine, nicotine, and caffeine in various medical settings, and the application of biomedicine's intellectual frameworks to the manufacture of novel drugs from ancient treatments. Geared toward nonspecialists, this text fosters a deep appreciation of the complex chemistry and cultural resonance of herbal medicine while suggesting how we may further tap the vast repositories of the world's herbal knowledge to create new pharmaceuticals.

Untamed Shrews Shu Yang, 2023-07-15 *Untamed Shrews* traces the evolution of unruly women in Chinese literature from the reviled shrew to the celebrated new woman. Notorious for her violence, jealousy, and promiscuity, the character of the shrew personified the threat of unruly femininity to the Confucian social order and served as a justification for punishing any woman exhibiting these qualities. In this book, Shu Yang connects these shrewish qualities to symbols of female empowerment in modern China. Rather than meeting her demise, the shrew persisted, and her negative qualities became the basis for many forms of the new woman, ranging from the early Republican suffragettes and Chinese *Noras* to the Communist and socialist radicals. Criticism of the shrew endured, but her vicious, sexualized, and transgressive nature became a source of pride, placing

her among the ranks of liberated female models Untamed Shrews shows that whether male writers and the state hate fear or love them there will always be a place for the vitality of unruly women Unlike in imperial times the shrew in modern China stayed untamed as an inspiration for the new woman **Poisonous Pandas** Matthew Kohrman,Gan Quan,Liu

Wennan,Robert N. Proctor,2018-04-24 A favorite icon for cigarette manufacturers across China since the mid twentieth century has been the panda with factories from Shanghai to Sichuan using cuddly cliché to market tobacco products The proliferation of panda branded cigarettes coincides with profound yet poorly appreciated shifts in the worldwide tobacco trade Over the last fifty years transnational tobacco companies and their allies have fueled a tripling of the world's annual consumption of cigarettes At the forefront is the China National Tobacco Corporation now producing forty percent of cigarettes sold globally What's enabled the manufacturing of cigarettes in China to flourish since the time of Mao and to prosper even amidst public health condemnation of smoking In Poisonous Pandas an interdisciplinary group of scholars comes together to tell that story They offer novel portraits of people within the Chinese polity government leaders scientists tax officials artists museum curators and soldiers who have experimentally revamped the country's pre Communist cigarette supply chain and fitfully expanded its political economic and cultural influence These portraits cut against the grain of what contemporary tobacco control experts typically study opening a vital new window on tobacco the single largest cause of preventable death worldwide today *Globalising Everyday Consumption in India* Bhaswati Bhattacharya,Henrike

Donner,2021-07-21 This book brings together historical and ethnographic perspectives on Indian consumer identities Through an in depth analysis of local regional and national histories of marketing regulatory bodies public and domestic practices this interdisciplinary volume charts the emergence of Indian consumer society and discusses commodity consumption as a main feature of Indian modernity Nationalist discourse was shaped by moral struggles over consumption patterns that became a hallmark of middle class identity But a number of chapters demonstrate how a wide range of social strata were targeted as markets for everyday commodities associated with global lifestyles early on A section of the book illustrates how a new group of professionals engaged in advertising trying to create a market shaped tastes and discourses and how campaigns provided a range of consumers with guidance on modern lifestyles Chapters discussing advertisements for consumables like coffee and cooking oil show these to be part of new public cultures The ethnographic chapters focus on contemporary practices and consumption as a main marker of class caste and community Throughout the book consumption is shown to determine communal identities but some chapters also highlight how it reshapes intimate relationships The chapters explore the middle class family microcredit schemes and metropolitan youth cultures as sites in which consumer citizenship is realised The book will be of interest to readers from a range of disciplines including anthropology history geography sociology South Asian studies and visual cultures 中国出版集团,2015-03-31 _ 1610 **2011** Massimo

Mastrogregori,2015-11-27 Every year the Bibliography catalogues the most important new publications historiographical

monographs and journal articles throughout the world extending from prehistory and ancient history to the most recent contemporary historical studies Within the systematic classification according to epoch region and historical discipline works are also listed according to author s name and characteristic keywords in their title 金絲,2012 **Golden-Silk Smoke** Carol Benedict,2011-04-10 From the long stemmed pipe to snuff the water pipe hand rolled cigarettes and finally manufactured cigarettes the history of tobacco in China is the fascinating story of a commodity that became a hallmark of modern mass consumerism Carol Benedict follows the spread of Chinese tobacco use from the sixteenth century when it was introduced to China from the New World through the development of commercialized tobacco cultivation and to the present day Along the way she analyzes the factors that have shaped China s highly gendered tobacco cultures and shows how they have evolved within a broad comparative world historical framework Drawing from a wealth of historical sources gazetteers literati jottings biji Chinese materia medica Qing poetry modern short stories late Qing and early Republican newspapers travel memoirs social surveys advertisements and more Golden Silk Smoke not only uncovers the long and dynamic history of tobacco in China but also sheds new light on global histories of fashion and consumption *Tobacco and Its Use in Asia* Berthold Laufer,1924

Golden Silk Smoke A History Of Tobacco In China 1550 201 Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research

papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Golden Silk Smoke A History Of Tobacco In China 1550 201 free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Golden Silk Smoke A History Of Tobacco In China 1550 201 free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Golden Silk Smoke A History Of Tobacco In China 1550 201 free PDF files is convenient, it's important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but it's essential to be cautious and verify the authenticity of the source before downloading Golden Silk Smoke A History Of Tobacco In China 1550 201. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether it's classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Golden Silk Smoke A History Of Tobacco In China 1550 201 any PDF

files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Golden Silk Smoke A History Of Tobacco In China 1550 201 Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Golden Silk Smoke A History Of Tobacco In China 1550 201 is one of the best book in our library for free trial.
