The Vehement Jesus David J. Neville, 2017-11-13 The Vehement Jesus composes a fresh examination and interpretation of several perplexing passages in the Gospels that at face value challenge the conviction that the mission and message of Jesus were peaceful Using narrative analysis and various forms of intratextual critique in the service of a hermeneutic of shalom the author makes the case that Gospel portrayals of the vehement Jesus are compatible with perhaps even indispensable to the composite canonical portrait of Jesus as the Messiah of Peace As a result this exploration in New Testament theology and ethics makes an invaluable contribution to the crucial conversation about the role of Jesus life and teaching in Christian reflection on the morality of violence today

The Search for Order W.J. Dumbrell, 2001-10-29 The Bible's eschatological framework is spread across the table for all to see in The Search for Order showing the unfolding of God's total plan for history not just the last days In a world disordered by sin Scripture describes God's goal as a reordering of corrupted creation according to William J Dumbrell The author takes into account current positions as he looks for the big eschatological picture with the same thorough approach to biblical theology he brought to The End of the Beginning and Covenant and Creation In the resulting thematic survey students are allowed to draw their own conclusions about the Bible's overall position on the climactic scenes of history Ultimately they learn to conceive of eschatology less as an expectant construction of future events than as a theological approach to comprehending what God is doing today

Conlon, 2008-07 An annual resource for parish ministers liturgists pastors and planning committees Living Liturgy offers a practical means for reflection on and celebration of Mass for Sundays and solemnities as well as select other days Living Liturgy integrates spirituality and celebration catechesis and pastoral practice the ministry of the assembly and other ministries so that celebrating and living go hand in hand Written by a pastorally experienced team with expertise in Scripture spiritual direction liturgy and liturgical music

Living Liturgy teaches that we learn from each other of the fullness of God's mystery and by learning and worshiping together we enrich each other. Living Liturgy helps people live a liturgical spirituality. This is a way of living rooted in liturgy which opens their vision to their baptismal identity as the Body of Christ and shapes their living according to the dying and rising rhythm of the paschal mystery. The paschal mystery is the entire saving mystery of Jesus Christ: his life, mission, passion, death, resurrection, ascension, sending of the Spirit, and promised second coming, and our participation in this mystery. Liturgy enacts in the here and now Christ's mystery and sends each one of us forth to live this mystery. Anyone involved with liturgical planning and preparation will benefit from using this resource, including pastoral ministers, liturgy directors, musicians, and liturgy committee members. Living Liturgy also assists those who serve the community in the visible liturgical ministries: presiders, deacons, music ministers, hospitality ministers, altar ministers, lectors, extraordinary ministers of Holy Communion, because it clearly shows that each ministry deserves not only practical preparation but even more important, spiritual preparation. Further, catechumens, candidates, and sponsors use Living Liturgy to support and deepen their liturgical journey within the RCIA. Members of faith-sharing groups use this resource as the focus of weekly prayer and reflection together. Parents and teachers will find that Living Liturgy can be simplified and shared with younger members of the liturgical community.
