Guarded Truths Jade Royal, She s a Savage Abigail When the King gives you a mission you complete it But sometimes even the simplest things are easy to screw up I didn t expect a partner to accompany me used to working on my own Especially not one that would be my roommate and so damn tempting Forced proximity keeps us breathing desire heavy air together unable to hide from the chemistry Making a mistake could lead to fatal repercussions affecting more than just my life but is it preventable Aaron I need to handle all possible legal matters as they surfaced in Cincinnati Beyond that the details were scarce I was assured that once I arrived the missing pieces would be filled in In a split second the dynamics change giving me a taste of a woman I d considered off limits Attraction lowers my guard and distracts us from the assignment Will we be able to do what we need to or will we crash and burn This is the prequel in the Savage Kings Series a Mafia Family Romance It is a Dark Friends to Lovers Interracial Work Romance *The Outlook* ,1918 **Book Wars** John B. Thompson,2021-03-04 This book tells the story of the turbulent decades when the book publishing industry collided with the great technological revolution of our time From the surge of ebooks to the self publishing explosion and the growing popularity of audiobooks Book Wars provides a comprehensive and fine grained account of technological disruption in one of our most important and successful creative industries Like other sectors publishing has been thrown into disarray by the digital revolution The foundation on which this industry had been based for 500 years the packaging and sale of words and images in the form of printed books was called into question by a technological revolution that enabled symbolic content to be stored manipulated and transmitted quickly and cheaply Publishers and retailers found themselves facing a proliferation of new players who were offering new products and services and challenging some of their most deeply held principles and beliefs The old industry was suddenly thrust into the limelight as bitter conflicts erupted between publishers and new entrants including powerful new tech giants who saw the world in very different ways The book wars had begun While ebooks were at the heart of many of these conflicts Thompson argues that the most fundamental consequences lie elsewhere

The print on paper book has proven to be a remarkably resilient cultural form but the digital revolution has transformed the industry in other ways spawning new players which now wield unprecedented power and giving rise to an array of new publishing forms Most important of all it has transformed the broader information and communication environment creating new challenges and new opportunities for publishers as they seek to redefine their role in the digital age This unrivalled account of the book publishing industry as it faces its greatest challenge since Gutenberg will be essential reading for anyone interested in books and their future

Mixtape Nostalgia Jehnie I. Burns, 2021-10-19 Mixtape Nostalgia Culture Memory and Representation tells the story of the mixtape from its history in 1970s bootlegging to its resurgence as an icon of nostalgic analog technology

Burns looks at the history of the mixtape from the early 1980s and the rise of the cassette as a fundamental aspect of the music industry. Stories from music fans collecting hip hop mixtapes in the Bronx or recording songs off the radio permeate the book. She discusses the continued contemporary appeal of the mixtape as musicians, novelists, memoirists, playwrights, and even podcasters have used it as a metaphor for connection and identity. From Rob Sheffield's *Love Is a Mix Tape* to Questlove's *Mixtape Potluck Cookbook*, Burns analyzes how the mixtape can function as a plot point, a stand-in for emotional connection, or an organizing structure. The book shows how creators use the iconography of the mixtape cassette to create ephemera, from coffee subscriptions to board games, which speaks to the appreciation of the tangible and the analog. The desire to find connection through sharing a physical artifact permeates the various creative uses of the mixtape. From blockbuster films like *Guardians of the Galaxy* to mixtape throw pillows, Burns highlights the mixtape as a site of collective memory tied to youth, culture, community, identity, and sharing music.

Filibusterismo José Rizal,2024-11-21T16:34:29Z El Filibusterismo is the sequel to Noli Me Tangere and picks up thirteen years after Cris stomo Ibarra disappeared assumed dead after fleeing from the Civil Guard Returning to the Philippines in disguise he involves himself in the lives of those he once knew Ibarra works with the ruling class to make life miserable for the native population hoping to frustrate them enough to awaken them and cause them to rise up against their oppressors This proves difficult as even the slightest talk of liberalism or reform is considered filibusterism and filibusters risk jail deportation or worse The story follows the lives of several characters at all levels of society Some of the most vulnerable are robbed by corrupt officials and cannot afford legal fees or find a patron to help to get back what is theirs Students push back against the stultifying school environment that bars them from any practical learning When their plans for a new school are hampered they publish protests and this lands many of them in jail Meanwhile Ibarra hopes to unite with his lost love and develops plans to foment a revolt against the government This novel takes a dark turn from the hopeful Noli Me Tangere where Rizal showed optimism that modest reform could bring about change Now the character of Ibarra seems to personify Rizal himself as he comes to the conclusion that real change will only come by violent means While Rizal himself didn t lead any revolutionary activity his writings had such an effect that he was exiled and finally executed by the government Many consider his writings including El Filibusterismo to have indirectly inspired the Philippine Revolution This book is part of the
