Goodbye Evil Eye Stories:

Goodbye, Evil Eye Gloria DeVidas Kirchheimer, 2000 A collection of stories about Sephardic Jews in New York City and their struggles with modern life *Short Story Index*, 2004 Passing Fancies in Jewish American Literature and Culture Judith Ruderman, 2019-01-09 This scholarly study explores the conflicting forces of assimilation and cultural heritage in literary portrayals of Jewish American identity In *Passing Fancies in Jewish American Literature and Culture* Judith Ruderman takes on the fraught question of who passes for Jewish in American literature and culture In today's contemporary political climate religious and racial identities are being reconceived as responses to culture and environment rather than essential qualities Many Jews continue to hold conflicting ideas about their identity seeking deep engagement with Jewish history and the experiences of the Jewish people while holding steadfastly to the understanding that identity is fluid and multivalent Looking at carefully chosen texts from American literature Ruderman elaborates on the strategies Jews have used to pass from the late nineteenth century to the present nose jobs renaming clothing changes religious and racial reclassification and even playing baseball While traversing racial and religious identities has always been a feature of America's nation of immigrants Ruderman shows how the complexities of identity formation and deformation are critically relevant during this important cultural moment **Jewish Fantasy Worldwide** Valerie Estelle Frankel, 2023-04-04 *Jewish Fantasy Worldwide Trends in Speculative Stories from Australia to Chile* reaches beyond American fiction to reveal a spectrum of Jewish imagination The chapters in this collection cover speculative works by Jewish artists and about Jewish characters from a broad range of national contexts including post Holocaust Europe the Soviet Union Israel South America French Canada and the Middle East The contributors consider various media including novels short stories film YouTube videos and fanfiction Essays explore topics ranging from the ancient Jewish kingdom of Khazaria to modern university classes and the revival of Yiddish to the breadth of LGBTQ representation For scholars and fans alike this collection of essays will provide new perspectives on Jewish presences in speculative fiction around the world You Never Call! You Never Write! Joyce Antler, 2007-04-02 In *You Never Call You Never Write* Joyce Antler provides an illuminating and often amusing history of one of the best known figures in popular culture the Jewish Mother Whether drawn as self sacrificing or manipulative in countless films novels radio and television programs stand up comedy and psychological and historical studies she appears as a colossal figure intensely involved in the lives of her children Antler traces the odyssey of this compelling personality through decades of American culture She reminds us of a time when Jewish mothers were admired for their tenacity and nurturance as in the early twentieth century image of the Yiddishe Mama a sentimental figure popularized by entertainers such as George Jessel Al Jolson and Sophie Tucker and especially by Gertrude Berg whose amazingly successful Molly Goldberg ruled American radio and television for over 25 years Antler explains the transformation of this Jewish Mother into a brassy voiced smothering and shrewish scourge in Irving Howe's words detailing many variations on this negative theme

from Philip Roth's Portnoy's Complaint and Woody Allen's Oedipus Wrecks to television shows such as The Nanny Seinfeld and Will and Grace But she also uncovers a new counter narrative leading feminist scholars and stand up comedienne to see the Jewish Mother in positive terms Continually revised and reinvented the Jewish Mother becomes in Antler's expert hands a unique lens with which to examine vital concerns of American Jews and the culture at large A joy to read You Never Call You Never Write will delight anyone who has ever known or been nurtured by a Jewish Mother and it will be a special source of insight for modern parents As Antler suggests in many ways we are all Jewish Mothers today *The Many Ways Jews Loved* Constance Harris,2020-07-06 While acknowledging the ways in which persecution inevitably affects a community this book deviates from most Jewish studies to survey the ways in which Jewish history has been shaped by the everyday experience of love It examines erotic poetry sensual art and literature and biblical and rabbinic stories about lust It reviews the ways in which Jewish law has both encouraged and regulated sexual interaction and studies the diversity of Jewish attitudes toward such relationships found in a vast array of works whose authors and artists often speak to the confusion and failure of love while also finding a purpose in its pursuance It tells the stories of those people who revel in love and of others who remember love and grieve in its absence **Places and Forms of Encounter in Jewish Literatures** ,2020-09-25 In the past years reflections on Jewish literatures and theoretical and methodological approaches discussed in Comparative Literature have converged Places and Forms of Encounter in Jewish Literatures Transfer Mediality and Situativity brings together close readings and contextualizations of Jewish literatures with theories discussed in Comparative and World Literature Studies The contributions are arranged in five chapters capturing central processes actors and dynamics in the making of literatures namely Literary Agents Literary Figures Writing Voids Making of Literatures and Perceiving and Creating Languages The volume seeks to illuminate the interrelations between literary systems and to highlight Jewish literatures as a prism for encounters on the levels of text discourse and culture and their transformative force Teaching Jewish American Literature Roberta Rosenberg,Rachel Rubinstein,2020-04-01 Offers pedagogical techniques for teaching Jewish American fiction poetry drama graphic novels children's literature and digital texts including considerations of religious and secular Jewish culture race and multicultural contexts immigration the Holocaust gender and sexuality multilingual literary traditions and humor Gives syllabus suggestions for undergraduate and graduate courses **The Story of Life** John Leyva,2012-01-30 A new classic in the line of Dickens David Copperfield or Groom's Forrest Gump while at the same time different and more raw The story of life is a fictional tale with roots on true events Some of the names have been changed for obvious reasons Although living is grand it is not at all times spick and span and flawless This is the journey of John Eibar someone who is not all good but not all bad You may like him sometimes and at other times you may not In essence he is someone like most of us It is a story about the way life takes people in many directions and the persons that will come in and go out of our existence Some of these people we might meet again and others will never return And as a final point it is about the choices good or
