

Farewell Speech for Friends

- Farewells are kind of goodbye celebrations when you are leaving a particular place or work.
- Friends are indeed one's second family, and the place that joins you with friends, be it school or college becomes your second home.
- Friends are precious, and after spending more time with them, the attachment grows.

Rema Johnson, Ph.D.,2009-10-05 Celebrate the American dream as author Rema Johnson shares her journey from poverty to motherhood to self education and more Through the honest testimony of faith hope resilience life and love she tells how her difficulties enable her to be strong and successful From Poverty to Ph D she has embodied the spirit of a woman who never lets anything stop her or put her down She had a tough life but now she is Afraid no More Women at War Vera Hildebrand,2018-03-15 Among the more improbable events of the Asia Pacific Theater in World War II was the creation in Singapore of a corps of female Indian combat soldiers the Rani of Jhansi Regiment RJR They served under Indian freedom fighter Subhas Chandra Bose in the Indian National Army Because the creation of an Indian all female regiment of combat soldiers was a radical military innovation in 1943 and because the role of women in today s broader context of Indian culture has become a prevalent and pressing issue the extensive testimony of the surviving veterans of this unit is timely and urgent The history of these brave women soldiers is little known their extraordinary service and the role played by Bose remains largely unexplored In the years since the RJR surrender in 1945 the story of Subhas Chandra Bose and the Rani Regiment of female combatants as

signature symbols of both the national fight for independence and of Indian women's struggle for gender equality has taken on aspects of myth. Lengthy interviews with the veteran Ranis together with archival research comprise the evidence that separates the myth of the Bengali hero and his jungle warrior maidens from historical fact and this resulting book presents an accurate narrative of the Ranis. The facts are nearly as impressive as the legend. Daily Devotional John Henry Mccoury, 2015-10-25 A daily devotional for the entire year by Pastor John Henry Mccoury A Runner's Trail Dominic Petrucci, 2009-11-02 This is the story of my life. From the beginning when my mother died when I was two months old and my father when I was eleven. It goes into how I struggled trying to find myself and make my peace with God. Along the way I fell in love with running. It became my therapy. I meet amazing people throughout my story. There are unexpected tragedies that I must overcome. And in the end I see the big picture. I have a great understanding of my life. I think my story will help you with whatever challenges you may be facing. **Nato: Lost or Found** Matjaž Šinkovec, 2022-01-12 This book is a compilation of NATO related speeches, interventions, letters, interviews, articles, and some last minute thoughts that the author released upon the world from 1991 to 2021. The texts are presented as they were delivered in rough English used by non native English speakers to preserve their authenticity as are the colorful prefaces to each one of them. The compilation is far from complete as many speeches resembled each other and nauseam, some were unfortunately or fortunately lost or misplaced, some deemed inappropriate while some other pieces are hoping to see the light of the day in the long planned books *Putting Slovenia on the Map* and *Slovenia's Contribution to the Formulation of EU's Foreign and Security Policy*. The main reason for publishing this book is to document a glimpse into the thinking and work of a person who oversaw the whole project of Slovenia's his country's journey from zero status to becoming its representative sitting at one of the top world tables on an equal footing with the rest of the Alliance members. Unfortunately too often if not always the winners write history. It is hard to predict who the winners of the quiet but still ongoing battle on how to ensure Slovenia's and Europe's security will be. This is not just the battle between peaceniks and realists at home but also between the promoters of the growing role of the European Union in the defense area and those who believe that only NATO can provide Europe's hard security. Senior Ambassador Šinkovec, a former California hippie staunchly belongs in the latter bunch. In foreword the author attempts to present a realistic view of NATO as it is today as well as the murky future it seems to be embarking upon. Are we on the verge of losing or reclaiming the Alliance that has kept peace in Europe since 1949?
