Moscow Juliette M. Engel,2021-09-22 Angels Over Moscow is an inspirational first person account of the life of American
 physician Dr Juliette Engel who founded the non profit MiraMed Institute to devote her energy and resources to helping
 reform maternal and infant healthcare in Russia During a mission to improve medical care for children in orphanages she
 discovered a link between the State institutions and an international network that trafficked young Russian girls to
 Scandinavia for prostitution She followed their trail north into Norway where she ran headlong into the international slave
 trade of the 20th Century human trafficking From that point forward there was no turning back for the determined doctor as
 she traveled throughout the former USSR often at great personal peril building a network of villagers educators police media
 and government officials called the Angel Coalition who committed their talents and resources to fighting human trafficking
 and bringing thousands of Russian trafficking victims safely home As a result of her work she became eyewitness to the

collapse of an empire as the USSR broke apart and the Russian people struggled to find their identity without losing their humanity Her strength and personal commitment saved thousands of lives and has helped heal the wounds of a broken nation In *Angels Over Moscow* Dr Engel describes her journey as the gift of an unexpected life More than that it is a tribute to American ideals and to idealists like Dr Engel who put her life and freedom on the line to fight the good fight for all of us Every human being encounters crossroads on the path of life that require fate altering decisions with unknowable outcomes Selling my medical practice to live and work in Russia wasn't among my life plans when I first set out to explore what lay beyond the boundaries of my familiar world How could I anticipate that I'd be drawn down the harder darker unexplored road into the tumultuous disorder of Russia I look back
