Gospel Of Inclusion Carlton Pearson 3 19 :

The Gospel of Inclusion Carlton Pearson,2009-03-10 Draws on biblical scripture to argue that the controlling dogmas of religion have caused many of the world s ills and that we should have the same attitude in a controversial study that calls for an end to conflict and division along religious lines *Afterlife* Hank Hanegraaff,2025-04-08 If there was ever a need to know book *Afterlife* is it On his daily call in radio show the most common questions Hanegraaff fields are about the hereafter For instance millions are voraciously reading about the near death experiences of young children Consumers are desperate for knowledge and reassurance about what comes after life on the earth Hank Hanegraff one of the most remarkable theological minds of the 21st century explains the marvelous way this physical life connects our past to our eternal future *Afterlife* gives reader a clear and concrete understanding about what happens after death to us and to those we love **New Light on Old Truths** William Edward Henley II MDiv,2022-02-09 There has been much in church theology over the years that has come about as looking at the Bible as a great literary book But if we look at the Bible as a historical book how do things change And even if our theology is correct are the actions Christians and the Church engage in correct Inside we discover many instances where what many Christians believe do not match up with the Bible William also shares part of his amazing testimony inside about coming from a cessationist background to encountering God through the gifts of the Spirit

Theologizing in the Radical Middle Ryun H. Chang,2018-09-17 This book doesn t endorse any systematic theology rather it s about how we theologize Why do two equally trained theologians studying the same book and loving the same Lord arrive at such different conclusions This theological disagreement at times becoming personal spills over from the academia to seminaries and churches And if history is any indicator this always weakens the unity of the church Who needs unity when correct doctrines are at stake right But is the defense of all doctrines worth foregoing the unity of the church despite Jesus prayer that they may be one even as we are one At bottom our theological contentiousness stems from not recognizing that the way biblical revelation is framed is not designed to be handled the way seminaries typically do Regardless we strive for the rightness of our tidy theology even disowning those who disagree while doing so The disavowal of continuationists by the Strange Fire crowd is the most recent instance in a long line of placing doctrinal purity over the unity of the body This book uncovers how Scripture is really structured and how therefore we need to theologize differently so that we may grow spiritually in Word and Spirit
