

An open Bible lies flat on a dark wooden surface. The pages are aged and yellowed, with some text visible. In the background, a large, glowing white cross is centered against a dark, textured wall. The cross has a soft, ethereal glow. The text 'End Times Bible Study' is overlaid on the Bible in a white, cursive font with a black outline. The words 'End Times' are on the top line, and 'Bible Study' is on the bottom line, both centered over the open book.

Woods, 2020-12-05 The book of Revelation is the most mysterious and controversial book of the Bible Yet God intended that Christians be enriched by its enduring message Even though Revelation has a blessing for those who read it many believers still avoid this inspired book Could one reason be they have been taught that most of Revelation does not apply to Christians In this first volume of The End Time Apologetics Series the author challenges the pretribulation rapture position and uncovers how many Christians may not be prepared for prophetic events to come Although many promote pretrib as a fact in reality it s a theory that gained traction in America in the 19th century Further popularized after being published in an immensely popular reference bible pretrib quickly became the preferred rapture position As we see prophetic fulfillment happening in the Middle East and around the world the real question is What happens if the pretrib rapture theory is wrong How will Christians respond if the Church is not raptured before prophetic events occur Will history repeat itself Will there be a group of modern day Thessalonians whose faith will be shaken In this powerful book discover how facts concerning the Antichrist Angels and the Abyss are a game changer for the pretribulation rapture position Learn what effect it would have if the Holy Spirit is not the restrainer of Second Thessalonians See actual correspondence between the author and two of the most esteemed Dispensational scholars who made some surprising admissions about who s really restraining the Antichrist Will end time events actually turn out as portrayed in the Left Behind series Will Christians be prepared for the perilous times to come What could trigger the great falling away Be forewarned those who have ears let them hear what the Spirit says to Christians concerning the Antichrist Angels and the Abyss **Encyclopedia of Fundamentalism: Volume 3 of Religion & Society** Brenda Brasher, 2001-10-19 The Encyclopedia of Fundamentalism is the third volume of the acclaimed Religion Society series The Encyclopedia of Fundamentalism follows a broad definition of fundamentalism and covers

fundamentalism across time and place although the emphasis remains on its primary manifestation Protestant fundamentalism in the United States It draws upon the work of historians sociologists religious scholars anthropologists political scientists and others *Revelation: Unlocking the Mysteries of the End Times* Bruce Bickel, Stan Jantz, 2003-07-01 Many Bible readers finish reading the final chapters of the Scriptures with more questions than answers Bruce and Stan can help them understand Revelation s encouraging message and apply it to their lives today This handy guide is thorough enough to uncover Revelation s treasures but succinct enough to be fast paced and easy to read It includes insightful explanations about the Millennium the Tribulation and other important subjects helpful answers to frequently asked

questions concise summaries of each section of Revelation personal applications of Revelation s message to our lives today
 thought provoking questions to stimulate growth and discussion Individual readers and Bible study groups will find the
 answers to their last days questions in Revelation Unlocking the Mysteries of the End Times *Contemporary Pentecostal
 Christianity* J. Kwabena Asamoah-Gyadu,2013-01-11 Pentecostalism is the fastest growing stream of Christianity in the world
 The real evidence for the significance of Pentecostalism lies in the actual churches they have built and the numbers they
 attract In Africa Pentecostalism has virtually become the representative face of Christianity with even historic mission
 denominations pentecostalising their otherwise formal liturgical structures to survive This work interprets key theological
 and missiological themes in African Pentecostalism by using material from the live experiences of the movement itself An
 important source of primary material for instance is the popular books written by the leadership of contemporary Pentecostal
 churches and their media programs An example of this is that on account of its motivational hermeneutics the Eagle rather
 than the Dove has become the preferred symbol of the Holy Spirit in this nascent dynamic movement The interpretation of
 themes from contemporary African Pentecostalism in this book reveals much about how as a contemporary movement it is
 reshaping African Christian spirituality in the 21st century *Kingdom Life Bible: Joining God's Mission to Save the World*

The Return Dale Hancock, Cathy Hancock, 2020-10-28 When you hear terms such as tribulation Antichrist rapture and the Second Coming do you wonder what the sequence of events will be Do you worry about what you and your loved ones will experience Jesus is coming again Wouldn t it be great if we could read all about His return in one convenient book of the Bible Instead with what seems to be a divine sense of humor God chose to reveal Jesus s Second Coming throughout the entirety of His Word The Return presents the result of three decades of study throughout the Bible examining layers of information and simultaneous events as scripture comments upon scripture regarding the end times and Christ s return Authors Dale and Cathy Hancock invite you to take the same journey they did discovering the true story in God s Word regarding His glorious return and the last days of this present age In these difficult days studying the promised blessed hope of His return can empower us to rest peacefully and victoriously in His sovereignty Inviting you to join a journey through the Bible as a whole this study and workbook explores what God s Word says regarding end times and prepares you for what s to come in the last days *Armageddon's Glorious End* David R. Manzano, 2017-12-12 This latest contribution to the understanding of the Bible s final book will be a welcomed addition to anyone s personal library The author is quick to admit that Revelation has many strange images and perplexing elements However he is just as quick to stress that these images and elements are not the focus The Apostle John in writing this apocalyptic volume centers the attention on Jesus Christ the only hope for those who have accepted Him as Lord and Savior as well as those who still need to Many people know

Revelation for its striking confusing symbolism Many of these people would experience less confusion if they realized that most of these symbols are borrowed by the beloved disciple from other parts of the Bible Manzano is faithful and responsible in allowing the Bible to interpret itself and establishing the Old Testament especially the book of Daniel as the foundation for decoding Revelation s mysteries As Bible prophecy continues to unfold and this world continues to unravel like a cheap sweater the frustration and turmoil that ensues will dissipate by the encouraging tone of this book Readers are subsequently prompted to dive into Revelation and study afresh to reconnect with the Lamb King around whom its messages revolve

Ezekiel and Eschatological Violence Alicia R. Jackson, 2025-01-07 This monograph explores the topic of eschatological violence in Pentecostal biblical interpretation of Ezek 36 16 39 29 Rev 19 11 21 and Rev 20 7 10 By reviewing Pentecostal reception history of these texts considering the influence of classical dispensationalism on Pentecostal biblical interpretation and eschatology this study offers a peace reading that aligns with both early Pentecostal writers and contemporary Pentecostal scholars whose eschatology departs from classical dispensationalism This monograph builds a case for envisioning a hopeful and proleptic premillennial eschatology that emphasizes the peace and reconciliation of the gospel more than end times war and violence

Adventures in Missing the Point Brian D. McLaren, Tony Campolo, 2010-10-05 If you re brave enough to take an honest look at the issues facing the culture controlled church and the issues in your own life read on Do you ever look at how the Christian faith is being lived out in the new millennium and wonder if we re not doing what we re supposed to be doing That we still haven t quite gotten it That we ve missed the point regarding many important issues It s understandable if we ve relied on what we ve been told to believe or what s widely accepted by the Christian community But if we truly turned a constructive critical eye toward our beliefs and vigorously questioned them and their origins where would we find ourselves Best selling authors Brian McLaren and Tony Campolo invite you to do just that Join them on an adventure one that s about uncovering and naming faulty conclusions suppositions and assumptions about the Christian faith In *Adventures in Missing the Point* the authors take turns addressing how we ve missed the point on crucial topics such as Salvation The Bible Being Postmodern Worship Homosexuality Truth and many more
