They inherited a bare bones outpost that they worked hard to turn into the defensible position known as COP Tynes while patrolling the grape fields and orchards of the valley Little did they know that when the leaves returned to the valley in the spring so too would the fighting As the fighting picked up in the valley the men of Two Charlie continued to sustain casualties as they fought day in and day out There was never a dull moment in the Arghandab and the fact that Two Charlie had to patrol act as a quick reaction force and secure their outpost on their own ensured that they never stopped The men were constantly brought to their breaking point as their numbers dwindled and the fighting intensified The men all started to believe that they weren't going to make it out of the valley alive The one rule of the valley would be proved time and time again in the end the valley always wins This book shares the story of the men of Two Charlie and their fight for survival in the Arghandab River Valley the Devil's Playground **India-Pakistan Trade Normalisation** Nisha Taneja, Isha
