Gilder,1909 **The Bomber Mafia** Malcolm Gladwell,2021-04-27 Dive into this truly compelling Good Morning America New York Times bestseller that explores how technology and best intentions collide in the heat of war from the creator and host of the podcast Revisionist History In The Bomber Mafia Malcolm Gladwell weaves together the stories of a Dutch genius and his homemade computer a band of brothers in central Alabama a British psychopath and pyromaniacal chemists at Harvard to examine one of the greatest moral challenges in modern American history Most military thinkers in the years leading up to World War II saw the airplane as an afterthought But a small band of idealistic strategists the Bomber Mafia asked What if precision bombing could cripple the enemy and make war far less lethal In contrast the bombing of Tokyo on the deadliest night of the war was the brainchild of General Curtis LeMay whose brutal pragmatism and scorched earth tactics in Japan cost thousands of civilian lives but may have spared even more by averting a planned US invasion In The Bomber Mafia Gladwell asks Was it worth it Things might have gone differently had LeMay s predecessor General Haywood Hansell remained in charge Hansell believed in precision bombing but when he and Curtis LeMay squared off for a leadership handover in the jungles of Guam LeMay emerged victorious leading to the darkest night of World War II The Bomber Mafia is a riveting tale of persistence innovation and the incalculable wages of war **The Dream of Arcady** Lucinda Hardwick MacKethan,1999-03-01 This is a well organized gracefully written account of a significant aspect of Southern fiction and it contains information and incisive commentary that one can find nowhere else Thomas Daniel Young

Many southern writers imagined the South as a qualified dream of Arcady They retained the glow of the golden land as a device to expose or rebuke to confront or escape the complexities of the actual times in which they lived The Dream of Arcady examines the work of post Civil War southern writers who criticize the myth of the South as pastoral paradise Sooner or later in all their idealized worlds the idyllic vision fades in an inescapable moment of awakening This moment which is central to MacKethan s study produces an atmosphere pastoral in mood and implications Her perspective analysis juxtaposes the responses of Sidney Lanier Joel Chandler Harris and Thomas Nelson Page who contributed to yet hope to transcend sectionalism with the ambivalent views of black writers Charles Chesnutt and Jean Toomer Considering the writings of the Agrarians William Faulkner and Eudora Welty MacKethan then concludes her study by questioning whether the Arcadian dream still serves the artist of our era as a frame for artistic and ideological purposes **Century Illustrated Monthly Magazine ...** ,1909 **Century Illustrated Monthly Magazine ...** ,1909

Congratulations ... You're Gifted!
