His Moms Freeloaders:

His moms FREeloaders Anthony Hawkins, 2014-06-22 Javion isn't too fond of his mother's helper boys Malik and Alonzo. Javion viewing them as freeloaders and gangbangers. But 21-year-old Javion soon becomes entangled with both 19-year-old young men Alonzo and Malik in many ways their entanglements especially happening at night. Warning: Strong sexual content and some violence, nudity, and language. Taboo them. *The Family Freeloader* Sister Renee Pittelli, 2015-03-05 We're all familiar with the stereotypical freeloading relative. He's usually depicted in the movies as an able-bodied but unkempt bum who lives with mom or a more responsible sibling refuses to get a job and spends his days lying on the sofa drinking beer, getting potato chips all over the carpet, and watching cartoon marathons. But in real life, few family freeloaders are so obvious. OUR freeloaders are professionals. They're subtle. They're versatile. They run complicated scams and convoluted cons on us. They always have their antennae up for any little clue they might find useful. Like the predators, they are—they're constantly sizing us up to see what they can get out of us. They're looking for personality traits they can use against us, like gullibility, kindness, a trusting nature, or a soft heart. Even our pride is useful to them because then they can employ flattery or gratitude to get what they want. If you're susceptible to guilt, it makes you an easy target. If you're a sympathetic person, quick to feel sorry for those who are going through tough times, or if you easily empathize with others, then you're an even better target. If you're concerned about other people's opinions and want everybody to think you're nice, that's like a flashing neon Sucker sign over your head. To a con man, if you have trouble saying No, that's a sign of weakness which he can exploit. If we're efficient or pride ourselves on being problem solvers, then the freeloader will give us a problem to solve for him. If we have a rescuer mentality, our freeloader will help us satisfy those urges. Freeloaders and con men are looking for people pleasers. Is it important to you to give others the impression that you're a good Christian? Or to prove to YOURSELF that you're a good Christian? We presume that good Christians give to charity, but how do you define charity? Do you think you have to give to every hard luck case who asks? Does your chronically unemployed cousin qualify as a legitimate charity cause in your mind? Would it make you a bad Christian to say No to the sister-in-law who constantly imposes on you? If you equate agreeing to every request anybody ever asks of you, or giving money to every person who seems to need it, with being a good Christian, then once a freeloader gets a hold of you, you're in for a long night. Written with humor, wisdom, and a healthy dose of common sense, *The Family Freeloader* teaches us 21 Ways To Spot A Con, the various ploys that freeloaders use to scam money or favors out of us, how they observe and test us, and which personality traits make us seem like easy prey. We will systematically debunk their most common sob stories and surprisingly sneaky tactics, study what the Bible REALLY says about giving to the poor vs supporting a bum, and learn step by step effective strategies for letting go of the guilt and saying No to our family freeloaders. This book is an invaluable lesson for all kind-hearted, generous folks who love their families on how to avoid being taken advantage of by the unscrupulous among us. **Comeback Moms** Monica Samuels, J.C.
