Streets Stole His Heart and He Stole Mine K. C. Mills, 2017-04-14 Love or Survival Sometimes you have to do what is necessary even when you know that you will hurt those closest to you Lock quickly learned that love wouldn't earn him the respect he so desperately craved nor put food on the table or money in his pockets When he was forced to choose love had to take a back seat to survival It wasn't just about him he had to consider his day ones His cousins Trip and Dino would be affected by that same choice If he was out then they were out and he couldn't take that from them ZaKeyah fell fast and she fell hard For as long as she could remember she had been in love with Lock and just when she finds out the feelings are mutual he up and disappears from her life ZaKeyah was left devastated and she had to figure out how to mend her broken heart after he completely shut her out of his life Years later the two are again face to face As much as they both want to deny it it is as if time never passed and they feel as connected as they ever had Lock is no longer trying to survive because he is now running things after taking over for Tron Big Tee Alexander Big Tee is not only Keyah's father but the man who made him choose between the streets or his heart Will Lock be able to work his way back into Keyah's heart Will she be unable to forgive the way he broke her years prior The streets claimed him back then but love is slowly taking over or is it Faded KC Mills, 2018-05-17 Samiq Shooter Young learned at an early age that love doesn't make you responsible His parents chose their vices over him and although they were there they fell short when it came to providing him with the things he needed That deficit forced him into the streets and into a different type of family where he had to do whatever necessary to survive Years passed and he built a one man operation that was just enough to provide him with a good life but kept him under the radar However as a man he once again learns that love doesn't make you responsible When one of his transactions are interrupted by his ex who chose her vices over raising the daughter that the two of them created a daughter that Shooter wasn't aware existed he is left once again to pick up where someone else fell short Refusing to be a mirror image of his parents he had some tough choices to make which meant rearranging his priorities enough to be a father to his daughter He walks away from everything and grinds in any way possible to make sure they both have what they need That left little to no room in his life for anything other than being on his grind and raising his daughter until her Unfortunately Shooter finds himself stuck between what his heart is being pulled to and what his mind is fighting against Once you're faded off of love you no longer have control no matter how hard you fight to maintain it **American Miller**, 1917 **His Streets & My Heart** K.
