Dear friend We know it deeply It is so hard to juggle work home and spiritual life As working women we ve wrestled with tough questions How can I be effective in my work and stay committed to the Gospel How can I be dedicated to my family when my job is so demanding Why am I working so hard and still so unfulfilled Sound familiar Like you we see a culture that promotes success at all costs and working women are falling for it It s happening every day Priorities are shifting Things are getting done but are we doing what matters most And that s why we wrote this book This is the story of how we traded the lies of the world for the truth of our loving Father the lessons we learned that challenged culture s good things so we could find the greatest thing The book you re holding in your hands is really a conversation a conversation that pushes back against our culture with a Gospel centered approach to work and womanhood for the glory of God and the good of others Let s get to work His way Michelle Somer This is the book for every working woman ALLI WORTHINGTON bestselling author and business coach **Discipleship for Everyday Living, Christian Growth** Mathew Backholer, 2018-01-27
