Hiscox, 2025-08-15 Reproduction of the original The Antigonos publishing house specialises in the publication of reprints of historical books We make sure that these works are made available to the public in good condition in order to preserve their cultural heritage The Secularization of Baptism Mark G. McKim, 2025-01-31 Does God actually do anything in baptism Is

it more than just a symbol Most early Baptists would have answered yes Most Baptists today would answer no How and why did this change happen and does it matter Providing thorough documentation of the changing understandings of baptism among American Canadian and English Baptists from the 1600s to the present day The Secularization of Baptism demonstrates that four factors led to the symbolic only position becoming dominant These were suspicion in reaction to Roman Catholicism of the idea of God revealing himself through the physical the influence of the Enlightenment and embarrassment with claims that God could be acting in the world today reaction against the Oxford Movement and reaction against the understanding of baptism advocated by the Disciples of Christ Campbellites The now dominant symbolic only position so focuses attention on what the believer is doing in baptism that God is seen as largely absent from and doing nothing through the rite in effect believers baptism has been secularized A carefully reasoned biblical and theological argument is made for a return to the Regular Particular Baptist view that God is both profoundly spiritually present and active in baptism while at the same time rejecting the sacramentalist position advocated by a small number of mid twentieth and twenty first century Baptists such as H Wheeler Robinson George Beasley Murray Stanley K Fowler and Anthony R Cross

The Baptist Congregation Stanley J. Grenz, 2002 Stanley J Grenz seeks to build upon emphases that have been significant throughout Baptist history the personal nature of the salvation experience the ordinances of believer s baptism and the Lord s Supper the primacy of Scripture the church as a company of the redeemed and the concept of separation of church and state Questions relating to each chapter will stimulate group interaction and provide thought for personal reflection Baptists of all fellowships and affiliations will find this book an invaluable resource for understanding the foundations of Baptist beliefs and polity
