Dominican Republic Eric Paul Roorda,2016-04-28 The colony called Santo Domingo which became the Dominican Republic was the violent crucible in which the ingredients of the New World drawn from America Europe and Africa were fused together for the first time humans religions technologies animals plants and learned behaviors The history of the Dominican Republic diverged from the patterns established by the rest of Latin America as it ultimately gained independence not from Spain but from Haiti and Spain later recolonized the country during a watershed period in the 1860s In the 20th century the United States occupied the Dominican Republic on two formative occasions from 1916 to 1924 and again in 1965 1966 interventions detailed in this volume At every turn the backdrop to this pattern of shaky sovereignty has been the extreme instability of Dominican politics which has been punctuated by incessant civil wars coups and periods of dictatorship until the last few decades The Historical Dictionary of the Dominican Republic contains a chronology an introduction appendixes and an extensive bibliography The dictionary section has over 500 cross referenced entries on important personalities politics economy foreign relations religion and culture This book is an excellent access point for students researchers and anyone wanting to know more about the Dominican Republic Historical Dictionary of Inter-American Organizations David W.

Dent,Larman C. Wilson,2013-12-11 The Historical Dictionary of Inter American Organizations covers the changing world of inter American and international organizations that have played an important role in bilateral and multilateral efforts to solve a wide range of problems that have confronted the nations of the Western Hemisphere The Latin American region is clearly more integrated regionally and internationally than in previous decades and is better prepared to confront a broad range of

problems trade development illicit drugs terrorism and guerrilla activity health environment democratization trade human rights intervention electoral assistance peacekeeping and conflict resolutions migration border conflicts corruption and energy independence that governments and non governmental organizations face in the 21st century The role of the United States in Latin America has clearly faded since the end of the Cold War and the second edition of this book fills a large void in explaining the complexities of inter American organizations and their activities since the first edition was completed in the late 1990s This updated second edition of Historical Dictionary of Inter American Organizations covers the history of through a chronology an introductory essay appendixes and an extensive bibliography The dictionary section has over 400 hundred cross referenced entries on important personalities politics economy foreign relations religion and culture This book is an excellent access point for students researchers and anyone wanting to know more about Inter American Organizations

Historical Dictionary of Venezuela Tomás Straka,Guillermo Guzmán Mirabal,Alejandro E. Cáceres,2017-12-06 Venezuela is the seventh largest oil producer and holder of the largest proven reserves in the world It s also a country full of problems as evidenced by having the biggest inflation rates and by some estimates the highest crime rates worldwide Despite having an oil boom between 2004 through 2008 with income of around two billion dollars in 2016 it suffered an immense economic contraction and probably the largest supply shortcut crisis in its history This third edition of Historical Dictionary of Venezuela contains a chronology an introduction appendixes and an extensive bibliography The dictionary section has over 700 cross referenced entries on important personalities politics economy foreign relations religion and culture This book is an excellent resource for students researchers and anyone wanting to know more about Venezuela *Historical Dictionary of Chile* Salvatore Bizzarro,2017-02-13 This two volume Historical Dictionary of Chile covers the economy and the environment political parties and history and reprehensible period of dictatorship during a crucial time in Chile s history The end of the iron fist rule of Augusto Pinochet who ruled from 1973 until 1990 however allowed a return to democratic rule and the country kept searching for coherence and unity in national life among diverse and often discordant elements This fourth edition of Historical Dictionary of Chile contains a chronology an introduction and an extensive bibliography The dictionary section has over 700 cross referenced entries on important personalities politics economy foreign relations religion and culture This book is an excellent access point for students researchers and anyone wanting to know more about Chile

World Dictionaries in Print 1983 ,1983 *Historical Dictionary of Mexico* Donald C. Briggs,Marvin Alisky,1981 To find out more information about Rowman and Littlefield titles please visit <http://www.rowmanlittlefield.com> **World Dictionaries in Print** ,1983 *Historical Dictionary of Ecuador* George M. Lauderbaugh,2019-07-15 In a country the size of Colorado one can explore snow capped mountain peaks tropical rainforests and coastal beaches These three continental regions also offer a variety of flora and fauna that are a dream come true to the botanist zoologist and ornithologist The famous Gal pagos Islands provide an additional living laboratory for the natural scientist The ethnographer and sociologist

will be fascinated by the diversity of Ecuador's people and one could spend a lifetime studying the plethora of distinct ethnic racial and linguistic groups. Students of economics will find an interesting case study of a mono cultural economy that uses the U S dollar and avoids some of the pitfalls that other Latin American countries suffer from. Ecuador's rich traditions in art music literature and architecture are a draw to scholars interested in culture. Ecuador has been described by one author as a country of contrasts. This is indeed an apt description of Ecuador's geography and peoples. It also partially explains the nation's traditional lack of political cohesion which has plagued its quest for stability and development. **Historical Dictionary of Ecuador** contains a chronology an introduction and an extensive bibliography. The dictionary section has over 800 cross referenced entries on important personalities politics economy foreign relations religion and culture. This book is an excellent resource for students researchers and anyone wanting to know more about Ecuador.

Historical Dictionary of Peru
Peter F. Klarén, 2017-09-22. With 10 000 years of history Peru with its formidable Inca and pre Inca civilizations and its rich colonial and post colonial past formed the very foundations of multi ethnic South American history and society. It is a country rich in natural and human resources but has been largely confined to a state of underdevelopment for much of its history. However since 2000 Peru has shown significant signs of economic and political progress as its economy grew rapidly and it polity democratized. The **Historical Dictionary of Peru** packages in a unique way the course of Peru's evolution and recent trajectory with substantial sections devoted to describing and analyzing the country's history politics and social order combined with shorter entries on the important people and events that have contributed to its current state of affairs. It also includes a comprehensive profile of the country based on an array of data tables and statistics. In short PERU will be an indispensable introduction and source for high school college and graduate students travelers and tourists and American government and business personnel with Peru as a destination. The **Historical Dictionary of Peru** contains a chronology an introduction appendixes and an extensive bibliography. The dictionary section has over 700 cross referenced entries on important personalities politics economy foreign relations religion and culture.

Historical Dictionary of Guatemala
Michael F. Fry, 2018-02-20. Guatemala holds a dual image. For more than a century travel writers explorers and movie producers have painted the country as an exotic place a land of tropical forests and the home of the ancient and living Maya. Archaeological ruins abandoned a millennium ago have enhanced their depictions with a wistful dreamy aura of bygone days of pagan splendor and the unique colorful textiles of rural Maya today connect nostalgically with that distant past. Inspired by that vision fascinated tourists have flocked there for the past six decades. Most have not been disappointed it is a genuine facet of a complex land. Guatemala is also portrayed as a poor violent repressive country ruled by greedy tyrants with the support of an entrenched elite the archetypal banana republic. The media and scholarly studies consistently confirm that fair assessment of the social political and economic reality. The **Historical Dictionary of Guatemala** contains a chronology an introduction and an extensive bibliography. The dictionary section has over 700 cross referenced entries on important

personalities politics economy foreign relations religion and culture This book is an excellent resource for students researchers and anyone wanting to know more about Guatemala **Historical Dictionary of Canada** Stephen Azzi, Barry M. Gough, 2021-04-15 Canada has become a leader among the modern nations of the world It has emerged as a modern industrial nation and as a key player in the resource commodities and financial institutions that make up today's world This third edition of the Historical Dictionary of Canada contains a chronology an introduction and an extensive bibliography It includes over 700 cross referenced entries on a wide range of topics covering the broad sweep of Canadian history from long before European contact until present day Topics include Indigenous peoples women religion regions politics international affairs arts and culture the environment the economy language and war This is an excellent resource for students researchers and anyone wanting to know more about Canada It introduces readers to the successes and failures the conflicts and accommodations the events and trends that have shaped Canadian history
