Historical Dictionary of Moldova Andrei Brezianu, Vlad Spânu, 2007-04-23 The Republic of Moldova claims a European lineage reaching back in time long before its 14th century accession to statehood In the 15th century it managed against all odds to avoid being conquered by Islam and albeit an intermittent vassal after 1485 it maintained its autonomy and was never turned into a province of the Ottoman Empire After this period however Moldova would not be so fortunate as it altered between Russian Romanian and Soviet control until it finally gained its independence in 1991 from the Soviet Union The second edition of the Historical Dictionary of Moldova through its chronology introduction appendixes maps bibliography and hundreds of cross referenced dictionary entries on important persons places events and institutions and significant political economic social and cultural aspects traces the history of this small but densely populated country providing a compass for the direction it is heading **Historical Dictionary of Spain** Angel Smith, 2017-12-29 Following Spain's

transition to democracy in the 1970s the country experienced rapid economic modernization the establishment of a functioning liberal democracy and a cultural renaissance Along with rising living standards over the following thirty years ordinary Spaniards experienced massive improvements in the road and rail networks in local amenities from sporting facilities to centers for the aged and in the public health system As a result by the start of the 20th century Spaniards had largely overcome any sense of inferiority in comparison with other major western European countries and the United States

However Spain was hit by a severe economic recession between 2008 and 2011 and unemployment levels are still very high. Moreover a large number of corruption cases have come to light and tensions between the central government and Catalan autonomous government have burst into open conflict. Restructuring the Spanish economy ensuring probity in public life and accommodating Catalonia within the Spanish state are therefore key tasks in the decade the lies ahead. This third edition of the Historical Dictionary of Spain contains a chronology an introduction appendixes and an extensive bibliography.
