Historical Tradition in the Fourth Gospel C. H. Dodd, 1976-09-23 An historical investigation of the narrative material and Sayings of St John's Gospel

Historical Tradition in the Fourth Gospel Charles Harold Dodd, 1989 *Historical tradition in the fourth gospel* Charles H. Dodd, 1963

The Fourth Gospel and the Manufacture of Minds in Ancient Historiography, Biography, Romance, and Drama Tyler Smith, 2019-03-27 The Fourth Gospel and the Manufacture of Minds in Ancient Historiography Biography Romance and Drama is the first book length study of genre and character cognition in the Gospel of John Informed by traditions of ancient literary criticism and the emerging discipline of cognitive narratology Tyler Smith argues that narrative genres have generalizable patterns for representing cognitive material and that this has profound implications for how readers make sense of cognitive content woven into the narratives they encounter After investigating conventions for representing cognition in ancient historiography biography romance and drama Smith offers an original account of how these conventions illuminate the Johannine narrative's enigmatic cognitive dimension a rich tapestry of love and hate belief and disbelief recognition and misrecognition understanding and misunderstanding knowledge ignorance desire and motivation

Engaging with C. H. Dodd on the Gospel of John Tom Thatcher, 2013-08-15 Reflects upon and looks beyond the pioneering scholarship of C H Dodd charting a course for future research on John

The Fourth Gospel in Four Dimensions D. Moody Smith, Jr., 2021-04-28 Compelling perspectives on the Gospel of John from a premiere scholar of the subject This multidimensional volume from the leading American scholar of Johannine studies brings together D Moody Smith's germinal works from the past two decades along with some original articles published here for the first time The resulting collection augments current understanding of the Gospel of John with fresh insights and research and points the way toward opportunities for new inquiry The collection is structured around four focal issues that define contemporary studies of John In the first section Smith places the book within its Jewish milieu attempting to account for the tension between the work's seeming anti Jewishness and its familiarity with Jewish life and thought Next Smith engages the relationship between John and the historical figure of Jesus especially the extent to which John's representation of Jesus reflects knowledge of independent traditions as well as the self consciousness of his own community The third section examines John's account against the Synoptic Gospels assessing the evidence of John's access to an independent record of the passion and the possibility that John adopted the gospel genre from Mark Finally Smith explores how the Gospels and especially that of John evolved into scripture and how they have come to be interpreted in conjunction with one another

Raymond Brown, 'The Jews,' and the Gospel of John Sonya Shetty Cronin, 2015-02-26 Until the mid 1960s most commentators of the Gospel of John were aware of a polemic against the Jews yet they did not consider it with reference to contemporary ethical discussion A shift in focus in Johannine scholarship is noticeable from the mid 1960s and 1970s to the present where commentators began to connect the Gospel's polemic against the Jews with potential anti Judaism in the text

As yet very little work has been done to answer the question of how this change in sensitivity came about. This book is a historiography of one scholar's growing awareness of potential anti-Judaism in the Gospel of John with the intention of using this individual history to explain the larger trend in biblical studies. Sonya Cronin examines the published work of Raymond Brown, a prominent Catholic New Testament scholar, between the years 1960-1998. The book contextualizes Brown's work by evaluating the impact of ecclesiastical statements and the influence of earlier and contemporary Johannine scholarship on Brown's biblical interpretation and then posits theories as to why change occurs at specific times. *The Christology of the Fourth Gospel* Paul N. Anderson, 1996. The Johannine Discourses and the Teaching of Jesus in the Synoptics Philipp F. Bartholomä, 2012. Dictionary of Jesus and the Gospels (2nd edn) J. B. GREEN, J. BROWN, N. PERRIN, 2020-05-21. The Dictionary of Jesus and the Gospels is unique among reference books on the Bible, the first volume of its kind since James Hastings published his Dictionary of Christ and the Gospels in 1909. In the more than eight decades since Hastings, our understanding of Jesus, the Evangelists, and their world has grown remarkably. New interpretive methods illuminated the text, the ever-changing profile of modern culture has put new questions to the Gospels, and our understanding of the Judaism of Jesus's day has advanced in ways that could not have been predicted in Hastings's day. But for many readers of the Gospels, the new outlook on the Gospels remains hidden within technical journals and academic monographs. The Dictionary of Jesus and the Gospels bridges the gap between scholars and those pastors, teachers, students, and lay people desiring in-depth treatment of select topics in an accessible and summary format. The topics range from cross-sectional themes such as faith, law, Sabbath, to methods of interpretation such as form criticism, redaction criticism, sociological approaches, from key events such as the birth, temptation, and death of Jesus to each of the four Gospels as a whole. Some articles, such as the Dead Sea Scrolls, rabbinic traditions, and revolutionary movements at the time of Jesus, provide significant background information to the Gospels. Others reflect recent and less familiar issues in Jesus and Gospel studies, such as divine man, ancient rhetoric, and the chreiai. Contemporary concerns of general interest are discussed in articles covering such topics as healing the demonic and the historical reliability of the Gospels. And for those entrusted with communicating the message of the Gospels, there is an extensive article on preaching from the Gospels. The Dictionary of Jesus and the Gospels presents the fruit of evangelical New Testament scholarship at the end of the twentieth century, committed to the authority of Scripture, utilizing the best of critical methods, and maintaining dialog with contemporary scholarship and challenges facing the church. *John* Warren Carter, 2006-06-01. The Final Volume in a Well-Received Gospel Study. John, Storyteller, Interpreter, Evangelist is an accessible introduction to the Fourth Gospel. This book examines three aspects of John's Gospel: John's telling of the story of Jesus, his interpretation of Jesus for his readers, and his formulation of all of this into the Gospel of Jesus. Carter surveys the central issues of this Gospel and engages with narrative and historical approaches, the two dominant methods used in interpreting John's Gospel. In addition, he introduces his readers to a consideration of the Gospel's negotiation of the Roman imperial

world This book is written for college and seminary students clergy seeking resources for teaching and preaching and the laity especially Bible study groups who like to engage a topic in some depth

Community of the Beloved Disciple, The Brown, Raymond E., The life loves and hates of an individual church in New Testament times Considers the life and writings of St John *Matthew 1-7* W. D. Davies, Dale C. Allison, Jr., 2004-06-15 For over one hundred years the International Critical Commentary series has held a special place among works on the Bible It has sought to bring together all the relevant aids to exegesis linguistic and textual no less than archaeological historical literary and theological with a level of comprehension and quality of scholarship unmatched by any other series No attempt has been made to secure a uniform theological or critical approach to the biblical text contributors have been invited for their scholarly distinction not for their adherence to any one school of thought The first paperback editions to be published cover the heart of the New Testament providing a wealth of information and research in accessible and attractive format

Johannine Christology Stanley E. Porter, Andrew W. Pitts, 2020-07-13 Johannine Christology provides a snapshot of the foremost investigations of this important topic by a selection of scholars representing a range of expertise in this field The volume is organized into four major parts which are concerned with the formation of Johannine Christology Johannine Christology in Hellenistic and Jewish contexts Christology and the literary character of the Johannine writings and the application of Christology for the Johannine audience and beyond The fifteen contributors to this volume comprise an international set of Johannine scholars who explore various ways of both describing and then pursuing the implications of Johannine Christology Their contributions focus primarily upon the Gospel but involve other key texts as well

What John Knew and What John Wrote Wendy E.S. North, 2020-07-22 In this book Wendy E S North investigates whether or not the author of John could have crafted his Gospel with knowledge of the Synoptics Unlike previous approaches which have usually treated the Gospel according to John purely as a piece of literature this book undertakes a fresh approach by examining how John's author reworks material that can be identified within his own text and also in the Jewish Scriptures An assessment of these techniques allows North then to compare the Gospel of John with its Synoptic equivalents and to conclude at last that John indeed worked with the knowledge of the Synoptic texts at certain points

Prophecy in Early Christianity and the Ancient Mediterranean World David E. Aune, 2003-08-12 Aune's comprehensive study of early Christian prophecy includes a review of its antecedents Greco Roman oracles ancient Israelite prophecy prophecy in early Judaism a discussion of Jesus as prophet and analyses of Christian prophetic speeches from Paul to the middle of the second century A D The most detailed study of early Christian prophecy written Aune's book places the phenomenon of early Christian prophecy within the larger Greco Roman world

The Epistemological Basis for Belief according to John's Gospel David A. Redelings, 2011-09-23 This book a revision of the author's dissertation describes the grounds on which knowledge about God is possible according to the Gospel of John In response to modern questions and doubts about the possibility of religious knowledge John's answers are identified and illuminated using standard historical

method A major part of this investigation is spent showing that for readers of all persuasions it is clear that certain parts of John's Gospel were never intended as either fiction or metaphor From these parts the basis on which John thinks that people can have religious knowledge is inferred and described

Interpreting the Gospel of John Gary M. Burge, 1992 A guide to researching writing and preaching on the Fourth Gospel with attention to the textual cultural and literary contexts

The Johannine Community in Contemporary Debate Christopher Seglenieks, Christopher W. Skinner, 2024-07-24 Few scholarly constructs have proven as influential or as durable as the Johannine community A product of the era in New Testament studies dominated by redaction criticism the Johannine community construct as articulated first by J Louis Martyn and later by Raymond E Brown emerged with an explanatory power that proved persuasive to scholars deliberating on the provenance and emergence of the Johannine literature for the next 50 years Recent years however have seen this once dominant paradigm questioned by many of those working with the Gospel and Letters of John The Johannine Community in Contemporary Debate is dedicated to exploring the current state of the question while shining a light on new and constructive proposals for understanding the emergence of the Johannine literature Some contributions accept the idea of a Johannine Community but suggest different ways we might know about the nature of that community Others reject the existence of a Johannine Community suggesting alternate models for understanding the emergence of these texts These proposals are themselves set in perspective by responses from senior scholars

Jesus as Mirrored in John James H. Charlesworth, 2018-12-13 James H Charlesworth begins from a burgeoning point of scholarly consensus More and more scholars are coming to recognize that the Fourth Gospel is more historically complex than previously thought Charlesworth outlines two historical horizons within John On the one hand there is the Jewish background to the text complete with the evangelist's knowledge of Palestinian geography and Jewish customs which Charlesworth perceives as offering a window into pre 70 Palestinian Judaism On the other hand the gospel also reflects a post 70 world in which non believing Jews with more unity begin to part definitely with those who identified Jesus as the Messiah Split into four sections this volume first examines the origins of the Fourth Gospel its evolution in several editions and its setting in Judea and Galilee Charlesworth then looks specifically at the figure of Jesus and issues of history He proceeds to consider this Gospel alongside earlier and contemporaneous Jewish literature most notably the Dead Sea Scrolls Finally the volume engages with John's symbolism and language looking closely at key aspects in which John differs from the Synoptic Gospels and raising such provocative questions as whether or not it is possible that Jesus married Mary Magdalene From one of the New Testament's most noted scholars this book allows deeper understanding of the ways in which the Gospel of John is a vital resource for understanding both the origin of Christianity and Jesus position in history
