Issues Around Aligning Theory, Research and Practice in Social Work Education Allucia L. Shokane, Jabulani C. Makhubele, Lisa V. Blitz, 2018-12-01 Issues Around Aligning Theory Research and Practice in Social Work Education provides a reflection on social work education with a slant towards an Afrocentric approach aiming to facilitate strong reflective thinking and to address local realities about social work education on the African continent as well as in broader global contexts This volume focuses on issues around aligning theory research and practice in social work education A significant contribution is made here to the scholarly understanding of opportunities to sustain the academic discourse on social work education Social work as a profession and a social science discipline is dynamic and it ought to meet the challenges of the realities of the societies in which it serves given the history of the changing society of South Africa from apartheid to democracy Over the years social work education and training has undergone tremendous curricular changes with the enactment of the White Paper for Social Welfare and the national review respectively by the South African Council for Social Services Professions SACSSP and the Council on Higher Education CHE for the re accreditation of all Bachelor of Social Work BSW programmes in South Africa fulfilling the prescripts of the Higher Education Act No 101 of 1997 as amended and Social Service Professions Act No 110 of 1978 It is worth mentioning that the curricular changes will also continue with the current reviewing of Social Service

Professions Act No 110 of 1978 as amended which is underway in South Africa This book is really ground breaking The Afrocentric perspective on social work practice contributes to the current discourse on decolonisation of social work teaching and practice From a methodological perspective the book is premised on multi inter and trans disciplining in social sciences It covers aspects of social work education and practice through research narrative qualitative African methodology secondary data analysis etc engendering values and ethics report writing supervision in fieldwork as well as exchange programmes and international service learning addressing a number of concepts such as cultural competency cultural awareness and sensitivity are addressed *Historical Research* Elizabeth Ann Danto, 2008-09-16 Historiography is the method of doing historical research a potentially powerful tool in a social work historian or qualitative researcher's arsenal As with other research methods a historical study in social work must include a problem definition a hypothesis definition of the variables gathering and analyzing historical evidence and interpretation of the findings with reliability and validity factored in throughout This addition to the Pocket Guides to Social Work Research Methods guides doctoral students and researchers in the construction of a historical study from problem formulation to instrument construction to data collection and analysis

Methodological Innovations in Research and Academic Writing Zimmerman, Aaron Samuel, 2021-10-08 Innovative methodological approaches are vital for experienced researchers and early career researchers alike to conduct research In order to provide them with the best possible resources the methodologies must be comprehensive and describe the data sources approaches to data collection and approaches to data analysis that are typically employed within the given methodological approach *Methodological Innovations in Research and Academic Writing* serves as a resource for graduate students and higher education faculty and presents a number of methodological innovations in research as well as applied examples of these methodologies in practice The chapters focus on the application of methodological approaches through the presentation of real world examples and descriptions of the epistemological foundations of the given methodologies so that researchers can fully articulate and justify their methodological choices in the context of their research design It is a crucial guide for graduate students who are designing and writing their doctoral dissertations as it introduces them to the best practices related to rigorous research design and academic writing This book is ideal for graduate students higher education faculty researchers and academicians **Research: Oxford Bibliographies Online Research Guide** Michael

Grinnell, Jr., Yvonne A. Unrau, 2010-08-26 Over thirty years of input from instructors and students have gone into this popular research methods text resulting in a refined ninth edition that is easier to read understand and apply than ever before Using unintimidating language and real world examples it introduces students to the key concepts of evidence based practice that they will use throughout their professional careers It emphasizes both quantitative and qualitative approaches to research data collection methods and data analysis providing students with the tools they need to become evidence based practitioners **Humorous Political Stunts** Majken Jul Sørensen, 2015 A group of anti

conscripted activists break into a prison demanding to be jailed together with their friend already locked up because of his beliefs. Clowns from the rebel clown army mimic police sent to control political protests. Visiting Santas hand out presents taken from shop shelves without the approval of the shopping centre management. These are examples of humorous political stunts, public actions, hoaxes and happenings that confront systems of power. This book contains many amusing stories of such stunts showing the boldness and creativity of the activists. Interviews and documents are used to show how humour can facilitate outreach, mobilisation and a culture of resistance. Humorous Political Stunts combines insights from the fields of nonviolence and humour studies and makes theoretical contributions to each area. **Evidence-based Social Work** Mel Gray, Debbie Plath, Stephen Webb, 2009-05-08

This book provides a critical analysis of evidence based practice in social work. It introduces readers to the fast changing research, policy, legislative and practice context and illuminates how adopting the methodology and language of evidence based practice fundamentally alters the conditions under which social work takes place.

Community/Public Health Nursing - E-Book Mary A. Nies, Melanie McEwen, 2018-08-31 Give your students a complete guide to community health nursing. Community Public Health Nursing 7th Edition provides a unique upstream preventive focus and a strong social justice approach all in a concise, easy to read text. Covering the nurse's role in promoting community health, it shows how students can take an active role in social action and health policy, emphasizing society's responsibility to protect all human life and ensuring that diverse and vulnerable populations have their basic health needs met. Clinical examples and photo novellas show how nursing concepts apply to the real world. Written by community health nursing experts Mary A. Nies and Melanie McEwen, this book describes the issues and responsibilities of today's community and public health nurse. **UNIQUE** A social justice approach promotes health for all people, including vulnerable populations. **UNIQUE** Upstream preventive focus addresses factors that are the precursors to poor health in the community, addressing potential health problems before they occur. **Case Studies** present the theory, concepts and application of the nursing process in practical and manageable examples. **UNIQUE** Photo novellas use photographs to tell stories showing real life clinical scenarios and applications of important community health nursing roles. Application of the nursing process at the individual, family and aggregate levels highlights the community perspective in all health situations. Clinical examples offer snippets of real life client situations. Theoretical frameworks common to nursing and public health aid in the application of familiar and new theory bases to problems and challenges in the community. **Healthy People 2020** boxes include the most current national health care objectives. **Research Highlights** boxes show the application of research studies to the practice of community nursing. **Ethical Insights** boxes highlight ethical issues and concerns that the community public health nurse may encounter. **Objectives**, key terms and chapter outlines at the beginning of every chapter introduce important concepts and terminology. **NEW AND UNIQUE** A Veterans Health chapter presents situations and considerations unique to the care of veterans. **NEW** Genetics in Public Health boxes reflect increasing scientific evidence supporting the health benefits of using genetic tests.
