**The Spanish-American War and Philippine Insurrection, 1898-1902** Mark Barnes, 2010-09-13 An often overshadowed event in American military history the Spanish American War began as a humanitarian effort on the part of the United States to provide military assistance for the liberation of Cuba from Spanish domination At the time no one knew that this simple premise would result in an American empire Through extensive research Mark Barnes has created a comprehensive annotated bibliography detailing this globally significant conflict and its aftermath Insightful notes are

included for every title in each chronologically organized chapter By drawing together an impressive collection of sources including some previously not readily available to English language readers Barnes has created an invaluable resource for scholars of this conflict Routledge Research Guides to American Military Studies provide concise annotated bibliographies to the major areas and events in American military history With the inclusion of brief critical annotations after each entry the student and researcher can easily assess the utility of each bibliographic source and evaluate the abundance of resources available with ease and efficiency Comprehensive concise and current Routledge Research Guides to American Military Studies are an essential research tool for any historian

The US Army and the Spanish-American War Era, 1895-1910 US Army Military History Research Collection, 1974

**On This Day in Connecticut History** Gregg Mangan, 2015 Connecticut's character runs much deeper than breathtaking fall foliage and quaint coastal towns One day at a time author Gregg Mangan chronicles fascinating episodes in state history from the earliest European settlements to the modern era After a lengthy debate the state senate voted in favor of Yankee Doodle as the official state song on March 16 1978 Bridgeport's General Electric Company completed work on the bazooka on June 14 1942 On the morning of December 4 1891 the only four train collision in American history occurred at the railroad station in East Thompson Each date on the calendar holds a nugget of knowledge in this celebration of Constitution State history

**Three Finding Lists Issued by the War Department Library. 1. Serial Publications. 2. Principal Reference Works. 3. Important Accessions. 1898-1903** United States. War Department. Library, 1903 Contains three finding lists put out by the U S War Department Library for locating and identifying resources in their library

American Volunteer Forces in the War with Spain US Army Center for Military History, 2020-12-08 In American Volunteer Forces in the War with Spain the US Army Center for Military History offers a comprehensive examination of the role played by volunteer units during a pivotal conflict in American history This authoritative work delves into a variety of military engagements focusing on the contributions of diverse groups such as the Rough Riders and other volunteer regiments while also analyzing their socio political context Employing a rigorous historical methodology the text is rich with primary source material and detailed accounts that illuminate the complexities of military mobilization and volunteerism framed within a broader narrative of imperialism and national identity at the turn of the century The US Army Center for Military History through its commitment to preserving and interpreting historical military data provides a unique scholarly backdrop for this publication The Center's experts draw upon extensive archives and records contributing to a nuanced understanding of how these volunteer forces not only fought on foreign soil but also shaped public perception and policy at home Their insights reflect a deep respect for the contributions of these individuals many of whom were motivated by a sense of duty and adventure amid the backdrop of burgeoning American expansionism For historians military enthusiasts and general readers alike American Volunteer Forces in the War with Spain serves as an essential resource

enriching the discourse surrounding the Spanish American War and the role of citizen soldiers Its engaging narrative and rigorous analysis invite readers to reflect on the complexities of war and patriotism making it a significant addition to the literature on American military history *The Two-Wheeled World of George B. Thayer* Kevin J. Hayes,2015-11-01

Cyclotourism has recently risen to prominence with growing national media coverage and thousands of participants taking to America s roadways on two wheels and under their own pedal power But the concept is not new More than a century ago George B Thayer took his own first century or one hundred mile bicycle ride *The Two Wheeled World of George B Thayer* brings to life the experience of late nineteenth century cycling through the heartfelt story of this important cycling pioneer In 1886 just two years after his first century Thayer rode his high wheeler across the United States traveling from his home in Connecticut to California and back Thayer took an indirect route without any intent to set speed records but his trip was full of adventure nonetheless Thayer loved going downhill his legs over the handlebars risking life and limb atop the large wheel on often rough and muddy roads With aplomb and humor he dealt with the countless other hazards he encountered including dogs mule teams and wild hogs Even bad weather and poor sleeping conditions could not keep Thayer down After his epic tour across the United States Thayer had the urge to cycle abroad and eventually toured England Germany Belgium and Canada on his bike His later travels were in part aided by his hometown of Hartford Connecticut which was the epicenter of American bicycle manufacturing in the late 1890s In addition to telling Thayer s cycling story Kevin J Hayes brings to life the culture of cycling and its rise at the end of the nineteenth century when bikes became more affordable and the nation s riding craze took off Three Finding Lists Issued by the War Department Library United States.
