History Design And The End Of Time Gods Plan For The World:

History, Design, and the End of Time Brent Kinman, 2000 When God created the world He already had a plan for its final destiny Throughout history He has shaped our future and now according to Dr Kinman God s plan is very near its fulfillment Biblically based and theologically backed Kinman s work combines words of warning with a message of hope promising a new and better life for those who believe Jonathan Edwards's Philosophy of History Avihu Zakai, 2009-02-09 Avihu Zakai analyzes Jonathan Edwards s redemptive mode of historical thought in the context of the Enlightenment As theologian and philosopher Edwards has long been a towering figure in American intellectual history Nevertheless and despite Edwards s intense engagement with the nature of time and the meaning of history there has been no serious attempt to explore his philosophy of history Offering the first such exploration Zakai considers Edwards s historical thought as a reaction in part to the varieties of Enlightenment historical narratives and their growing disregard for theistic considerations Zakai analyzes the ideological origins of Edwards s insistence that the process of history depends solely on God s redemptive activity in time as manifested in a series of revivals throughout history reading this doctrine as an answer to the threat posed to the Christian theological teleology of history by the early modern emergence of a secular conception of history and the modern legitimization of historical time In response to the Enlightenment refashioning of secular historical time and its growing emphasis on human agency Edwards strove to re establish God s preeminence within the order of time Against the de Christianization of history and removal of divine power from the historical process he sought to re enthrone God as the author and lord of history and thus to re enchant the historical world Placing Edwards s historical thought in its broadest context this book will be welcomed by those who study early modern history American history or religious culture and experience in America *Matthew* Michael J. Wilkins, 2009-05-26 The NIV Application Commentary helps you communicate and apply biblical text effectively in today s context To bring the ancient messages of the Bible into today s world each passage is treated in three sections Original Meaning Concise exegesis to help readers understand the original meaning of the biblical text in its historical literary and cultural context Bridging Contexts A bridge between the world of the Bible and the world of today built by discerning what is timeless in the timely pages of the Bible Contemporary Significance This section identifies comparable situations to those faced in the Bible and explores relevant application of the biblical messages The author alerts the readers of problems they may encounter when seeking to apply the passage and helps them think through the issues involved This unique award winning commentary is the ideal resource for today s preachers teachers and serious students of the Bible giving them the tools ideas and insights they need to communicate God s Word with the same powerful impact it had when it was first written **Plowshares and Pruning Hooks** Brent Sandy, 2002-10-22 D Brent Sandy carefully considers the language and imagery of prophecy and apocalyptic how it is used how it is fulfilled within Scripture and how we should read it against the horizon of our future **A Theology of Matthew's Gospel** Michael J.

Wilkins,2025-10-07 A Theology of Matthew's Gospel develops the perspective that Matthew wrote his Gospel to identify defend and proclaim Jesus Immanuel God with us as the Davidic Messiah who fulfilled the OT expectations of humanity's redemption Matthew's Gospel establishes Jesus's identity as the heir to the promises of Israel's throne through King David and heir to the promises of blessing to all the nations through the patriarch Abraham 1 1 So this first Gospel offers evangelistic hope in Jesus's message of the gospel to Jews contending that they should turn to Jesus as their long awaited Messiah Matt 11 2 6 But strikingly Matthew's Gospel also offers evangelistic hope to Gentiles emphasizing that salvation through Jesus Messiah is available to all the nations 28 19 The book emphasizes the three horizons that comprise Matthew's gospel history theology and literature The first horizon focuses on Jesus's history ministry Here Matthew provides for us a record of God's activities in history in the arrival of Jesus Messiah and the kingdom of heaven The second horizon develops Matthew's theological perspective for his audience's Here we attempt to understand and isolate Matthew's unique theological perspective of God's activities in Jesus Messiah This is a central focus emphasizing Matthew's theological perspective of the Old Testament Christology the kingdom of heaven discipleship the Church church Israel past present and future the death and resurrection of Jesus mission commission and eschatology eternity The third horizon emphasizes today's reader's engaging with Matthew's Gospel as literature Here we attempt to capture the significance of the perspective of today's reader's understanding of Jesus Messiah's activities in history and Matthew's theological perspective for the contemporary church In this book we view Matthew's perspective of God's activities in Jesus's unfolding earthly ministry The alternating sections of narrative and discourse provide for his readers Jesus's example to follow and Jesus's words to obey Therefore Matthew's Gospel is at least in a part a manual on discipleship to Jesus Messiah in the kingdom of heaven In the six Narratives Matthew reveals Jesus's true identity in his deeds and introduces themes that will lead to instructions to Jesus's disciples in the Discourses The six Narratives provide the example that Jesus's disciples are commanded to obey In the five Discourses Matthew records Jesus's instructions commands parables directives and prophecies that will guide his followers in their discipleship to Jesus until the end of the age Combined the narratives of Jesus's life provide Jesus's example to follow and the discourses give Jesus's instructions to obey and are the basis of our ongoing transformation to become like Jesus

Meditations of an Exile Tom Reidy,2012-12-03 Meditations of an Exile is a collection of essays on a wide variety of unique religious topics some of which have rarely been covered anywhere else These include why the Roman Empire and slavery are not condemned in Scripture seeming conflict between the two natures of Christ intriguing parallels between the history of Biblical Israel that reflect in reverse the past present and possible future of Christianity why the modern state of Israel is not the Israel foretold in Biblical prophecy the Eternal Design why the Church tolerates and even supports pro abortion politicians why evangelization will not work in the West who were the giants so often referred to in the Old Testament is it evident from Scripture that intelligent life does not exist beyond earth Meditations concludes with a

collective delusion which in reality has resulted only in widening market relations whatever the intentions of its advocates

Alternative Luther Else Marie Wiberg Pedersen, 2019-09-18 Contributors to this book analyze areas of Martin Luther's and Lutheran theology that have otherwise been neglected or underrepresented in the five hundred years since the Reformation They constructively widen the scope of Luther and Lutheran theology by viewing both from the perspectives of the subaltern those whose voices are barely or rarely heard The book formulates an inclusive Lutheran theology that reaches out but does not close out The book's sections address Precarious Life from Luther's own precarious existence as an outlaw under a death sentence to other precarious life situations seen from various Lutheran perspectives Body and Gender addressing different aspects of gender and sexuality from new angles Women and Sexual Abuse focusing on present day problems of abuse in an encounter with Luther's exegesis of biblical texts of terror and Economy Equality and Equity addressing Lutheran views on economy and equality that break new ground regarding common goods and the Anthropocene Faith Versus Fact Jerry A.

Coyne, 2016-05-17 A superbly argued book Richard Dawkins author of *The God Delusion* The New York Times bestselling author of *Why Evolution is True* explains why any attempt to make religion compatible with science is doomed to fail In this provocative book evolutionary biologist Jerry A Coyne lays out in clear dispassionate detail why the toolkit of science based on reason and empirical study is reliable while that of religion including faith dogma and revelation leads to incorrect untestable or conflicting conclusions Coyne is responding to a national climate in which more than half of Americans don't believe in evolution members of Congress deny global warming and long conquered childhood diseases are reappearing because of religious objections to inoculation and he warns that religious prejudices in politics education medicine and social policy are on the rise Extending the bestselling works of Richard Dawkins Daniel Dennett and Christopher Hitchens he demolishes the claims of religion to provide verifiable truth by subjecting those claims to the same tests we use to establish truth in science Coyne irrefutably demonstrates the grave harm to individuals and to our planet in mistaking faith for fact in making the most important decisions about the world we live in *Praise for Faith Versus Fact* A profound and lovely book showing that the honest doubts of science are better than the false certainties of religion Sam Harris author of *The End of Faith* **Restoration and Renewal** Joseph F. Webb,2009 Using a carefully defined approach to historical Jesus studies and historical method this collection of essays examines twelve key events in the life of Jesus that were part of a decade long collaborative research project Each essay examines the case for the event s authenticity and then explores the social and cultural background to the event to provide an understanding of the event s historical significance The first six events are related to the public ministry context of Jesus mostly associated with his Galilean ministry while latter six events involve his final days in Jerusalem The final essay closes with suggestions about how these events cohere and what they can tell us about what Jesus did **Global Civil Society**

Gideon Baker,David Chandler,2004-11-23 For many commentators global civil society is revolutionising our approach to global politics as new non state based and border free expressions of political community challenge territorial sovereignty as the exclusive basis for political community and identity This challenge from below to the nation state system is increasingly seen as promising nothing less than a reconstruction or a re imagination of world politics itself Whether in terms of the democratisation of the institutions of global governance the spread of human rights across the world or the emergence of a global citizenry in a worldwide public sphere global civil society is understood by many to provide the agency necessary for these hoped for transformations Global Civil Society asks whether this idea is such a qualitatively new phenomenon after all whether the transformation of the nation state system is actually within its reach and what some of the drawbacks might be
