A History of the Ninth Regiment Marion

Morrison,2015-07-12 Excerpt from A History of the Ninth Regiment Illinois Volunteer Infantry In this sketch of the military career of the 9th III Vol Infy my object has been to present the facts connected with its organization and its connection with the various battle scenes through which it has passed I have entered upon the compilation of these facts with some degree of hesitation I have thrown it into the present shape only on the earnest solicitation of a number of the officers and men of the Regiment Originally nothing more was contemplated than a newspaper sketch It was thought that even the prominent facts in the Regiment s history could not be given in such an article without making it so long that publishers would not wish to insert it in their papers or the readers of such papers be willing to read it It has been the writer s aim not only to give the facts connected with the various battles in which the Regiment has been engaged hut to narrate many incidents on marches and scouts both of a general and individual character Often these incidents will throw more light upon the real workings of soldier life than accounts of great battles I am indebted for most of the facts connected with the marches and battles of the Regiment to the kindness of Adjutant Klock Most of the incidents I have gathered from the officers and men in the Regiment Much dependence had to be put in these since the writer has only been with the Regiment from the first of September 1863 It was felt to be due the Regiment that a sketch of this kind be prepared It has never had a correspondent to herald its deeds of dating in the news of the day as many other regiments have Hence although it has performed a great amount of hard and very valuable service still it has but seldom been noticed in the papers Let justice be done Nothing more If I can but succeed in putting together the substantial facts in the History of this Regiment so that they can be preserved by the boys in a convenient form for reference and afford material to aid the future historian in making up the history of this war I will have accomplished he object I have in view About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten

History of the Ninety-Sixth Regiment, Illinois Volunteer Infantry Charles Addison Partridge, 2017-07-19 Excerpt from History of the Ninety Sixth Regiment Illinois Volunteer Infantry Published Under the Auspices of the Historical Society of the Regiment To me was assigned by the Historical Society the work of editing a history of the gallant Regiment with which it was my lot to be associated during the War of the Rebellion The trust was accepted with extreme reluctance and with many misgivings for I knew the work would be at once delicate and difficult After discussing various plans with the members of the Historical Society and agreeing upon a general outline I entered upon the work assigned me And the pages which follow are the result As the work has progressed I have not unfrequently found my memory in conflict with the letters and diaries of myself and comrades written at the time the events here narrated were occurring In all such cases I have given credence to the written record believing it to be more reliable than mere recollection I ask every comrade whose memory contradicts what is here given in any material respect to refrain from criticism until he has carefully read again his own or his comrades letters and diaries penned when these events were fresh If upon a perusal of these records material errors are found I shall be glad to have them stated It was impossible that all should have seen events from the same standpoint or that any one should have known of all the interesting experiences of the various members of the entire command It is too much to expect of any one person After a lapse of twenty years in which no thought was entertained of undertaking such a work to recall from memory or to gather from the hastily written letters or the brief pencilings in a boys diary a tithe of the interesting personal reminiscences that might have been written had their narration been contemplated when the events were occurring The chapters written by myself have been made impersonal no statement has been made that is not believed to be strictly truthful no event has been too highly colored no fact has been so strongly stated that it will not bear the closest scrutiny and investigation About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

Jones, 2015-07-11 Excerpt from Complete History of the 46th Regiment Illinois Volunteer Infantry A Full and Authentic Account of the Participation of the Regiment in the Battles Sieges Skirmishes and Expeditions in Which It Was Engaged In the year 1890 Gen Benjamin Dornblaser commenced to gather material and biographical matter of the officers and men of the 46th Regiment Illinois Volunteer Infantry with a view of writing a history and drafting a plan setting forth directions for the same He collected many photographs and had written an outline of the causes of the war and a few historical sketches of Companies E and F in part On account of the delay of comrades to respond he failed to prosecute the inquiry further and for a few years the work was partly abandoned At his death in 1905 the work was unfinished In August 1906 the present writer Lieut T B Jones wrote Mrs Benj Dornblaser widow of the General who expressed an earnest request to take up the work and complete the same The plans and specifications were diligently prosecuted witha success far beyond my expectations The plan for a pictorial edition with biographies of the members met with fair success after a long and tedious correspondence with the comrades and with many of the sons and daughters of the deceased officers The greatest problem has been to finance the cost of the work During the Winter months of 1906 and the Spring of 1907 over 1500 letters were sent out soliciting subscriptions and to obtain data and a true biography of those living and dead Success has crowned my efforts I sincerely hope and expect that this work may be satisfactory to all comrades The object was not by General Dornblaser nor by me to make any money from the sale of the history but rather that a work might be left to the comrades their children and grandchildren and to the friends of the Regiment telling of the organization of the different companies and of the long and hard service of the men composing the same I am indebted to the following persons for financial help Gen Smith D Atkins Capts W W Krape Reitzell Stewart Dr W P Naramore Hon F O Lowden Hon Homer Aspinwall Mrs Dr DePuy and others To the following for literary and financial help Mrs Gen B Dornblaser Mrs Col J A Davis now Mrs Winship to Capts Lollar of Olney and Cooper of Seward Neb who have excelled in furnishing information and financial aid It is therefore to the memory of this noble band of nearly 2000 men who served so faithfully and to the dead heroes who gave their lives that this work is dedicated About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works Complete History of the 46th Regiment, Illinois Volunteer Infantry, a Full and Authentic
