Kershaw, 1909 [A Dictionary of Iowa Place-Names](#) Tom Savage, 2007-08 Lourdes and Churchtown Woden and Clio Emerson and Sigourney Tripoli and Waterloo Prairie City and Prairieburg Tama and Swedesburg What Cheer and Coin Iowa s place names reflect the religions myths cultures families heroes whimsies and misspellings of the Hawkeye State s inhabitants Tom Savage spent four years corresponding with librarians city and county officials and local historians reading newspaper archives and exploring local websites in an effort to find out why these communities received their particular names when they were established and when they were incorporated Savage includes information on the place names of all 1 188 incorporated and unincorporated communities in Iowa that meet at least two of the following qualifications twenty five or more residents a retail business an annual celebration or festival a school church or cemetery a building on the National Register of Historic Places a zip coded post office or an association with a public recreation site If a town s name has changed over the years he provides information about each name if a name s provenance is unclear he provides possible explanations He also includes information about the state s name and about each of its ninety nine counties as well as a list of ghost towns The entries range from the counties of Adair to Wright and from the towns of Abingdon to Zwingle from Iowa s oldest town Dubuque starting as a mining camp in the 1780s and incorporated in 1841 to its newest Maharishi Vedic City incorporated in 2001 The imaginations and experiences of its citizens played a role in the naming of Iowa s communities as did the hopes of the huge influx of immigrants who settled the state in the 1800s Tom Savage s dictionary of place names provides an appealing genealogical and historical background to today s map of Iowa It is one of the beauties of Iowa that travel across the state brings a person into contact with so many wonderful names some of

which a traveler may understand immediately but others may require a bit of investigation Like the poet Stephen Vincent Ben t we have fallen in love with American names They are part of our soul be they family names town names or artifact names We identify with them and are identified with them and we cannot live without them This book will help us learn more about them and integrate them into our beings from the foreword by Loren N Horton Primghar O Brien County Primghar was established by W C Green and James Roberts on November 8 1872 The name of the town comes from the initials of the eight men who were instrumental in developing it A short poem memorializes the men and their names Pumphrey the treasurer drives the first nail Roberts the donor is quick on his trail Inman dips slyly his first letter in McCormack adds M which makes the full Prim Green thinking of groceries gives them the G Hayes drops them an H without asking a fee Albright the joker with his jokes all at par Rerick brings up the rear and crowns all Primghar Primghar was incorporated on February 15 1888
