Hit That And Youre Dead:

The Langoliers Stephen King, 2019-11-12 Stephen King's unforgettable novella first included in his 1990 award winning collection *Four Past Midnight* and made into a highly acclaimed miniseries about a terrifying plane ride into a most unfriendly sky. On a cross country redeye flight from Los Angeles to Boston ten passengers awaken in Bangor Maine to find that the crew and most of their fellow passengers have disappeared. The airport shows no signs of life. Yet they hear radio static in the distance. Craig Toomey an irritable investment banker on the verge of a breakdown believes it is The Langoliers monsters he was afraid of as a child who attack those who waste time. It's mystery author Bob Jenkins who first theorizes that they have flown through a time rip. Bob declares they have entered a place that forbids time travelers to observe or interfere with past events. It turns out that Craig is right in a way. Two creatures followed by hundreds more emerge from the forest and head for the plane consuming everything in their path. Can the survivors manage to fly the plane back to Los Angeles back to the correct time before The Langoliers succeed in their deadly mission to destroy the plane and the world. Dinah Bellman the young blind girl whose aunt did not survive the time rip has the greatest insight of all. A spine tingling propulsive novella *The Langoliers* is a brilliant read from the masterful Stephen King.
