typically include journeys or travels or displacement Cultural tensions also figure prominently whether they are between new conventions and old traditions or between European mores and American ways These same concerns are intimated in Italian Villas and Their Gardens which is a travelogue containing beautiful descriptions of an Italian tradition This wonderful book will thrill readers About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

Italian Villas and Their Gardens Edith Wharton, 2020-04-17 For centuries Florence has been celebrated for her villa clad hills According to an old chronicler the country houses were more splendid than those in the town and stood so close set among their olive orchards and vineyards that the traveller thought himself in Florence three leagues before reaching the city Many of these houses still survive strongly planted on their broad terraces from the fifteenth century farmhouse villa with its projecting eaves and square tower to the many windowed maison de plaisance in which the luxurious nobles of the seventeenth century spent the gambling and chocolate drinking weeks of the vintage season It is characteristic of Florentine thrift and conservatism that the greater number of these later and more pretentious villas are merely additions to the plain old buildings while even in the rare cases where the whole structure is new the baroque exuberance which became fashionable in the seventeenth century is tempered by a restraint and severity peculiarly Tuscan VILLA GAMBERAIA AT SETTIGNANO NEAR FLORENCE So numerous and well preserved are the buildings of this order about Florence that the student who should attempt to give an account of them would have before him a long and laborious undertaking but where the villa is to be considered in relation to its garden the task is reduced to narrow limits There is perhaps no region of Italy so rich in old villas and so lacking in old gardens as the neighbourhood of Florence Various causes have brought about this result The environs of Florence have always been frequented by the wealthy classes not only Italian but foreign The Tuscan nobility have usually been rich enough to alter their gardens in accordance with the varying horticultural fashions imported from England and France and the English who have colonized in such numbers the slopes above the Arno have contributed not a little to the destruction of the old gardens by introducing into their horticultural plans two features entirely alien to the Tuscan climate and soil namely lawns and deciduous shade trees
