Italy Inside Out Italian Photographers:

Italian Humanist Photography from Fascism to the Cold War Martina Caruso, 2020-08-19 Spanning four decades of radical political and social change in Italy this interdisciplinary study explores photography's relationship with Italian painting film literature anthropological research and international photography Evocative and powerful Italian social documentary photography from the 1930s to the 1960s is a rich source of cultural history reflecting a time of dramatic change This book shows through a wide range of images some published for the first time that to fully understand the photography of this period we must take a more expansive view than scholars have applied to date considering issues of propaganda aesthetics religion national identity and international influences By setting Italian photography against a backdrop of social documentary and giving it a distinctive place in the global history of photography this exciting volume of original research is of interest to art historians and scholars of Italian and visual culture studies

Photography in and out of Africa Kylie Thomas, Louise Green, 2018-02-02 This book offers a range of perspectives on photography in Africa bringing research on South African photography into conversation with work from several other places on the continent including Angola the DRC Kenya Mali Morocco Nigeria Ethiopia and Eritrea The collection engages with the history of photography and its role in colonial regulatory regimes with social documentary photography and practices of self representation and with the place of portraits in the production of subjectivities as well as contemporary and experimental photographic practices Through detailed analyses of particular photographs and photographic archives the chapters in this book trace how photographs have been used both to affirm colonial worldviews and to disrupt and critique such forms of power This book was originally published as a special issue of Social Dynamics

Photography and Italy Maria Antonella Pelizzari, 2010-11-15 In this beautifully illustrated book Maria Antonella Pelizzari traces the history of photography in Italy from its beginnings to the present as she guides us through the history of Italy and its ancient sites and Renaissance landmarks Pelizzari specifically considers the role of photography in the formation of Italian national identity during times of political struggle such as the lead up to Unification in 1860 and later in the nationalist wars of Mussolini's regime While many Italians and foreigners such as Fratelli Alinari or Carlo Ponti John Ruskin or Kit Talbot focused their lenses on architectural masterpieces others documented the changing times and political heroes creating icons of figures such as Garibaldi and the brigands Pelizzari's exploration of Italian visual traditions also includes the photographic collages of Bruno Munari the neorealist work of photographers such as Franco Pinna the bold stylized compositions of Mario Giacomelli and the controversial images created by Oliviero Toscani for Benetton advertising in the 1980s Featuring unpublished works and a rare selection of over one hundred images this book will appeal to art collectors and students of art history and Italian culture

Photography and Invisible Borders Nicoletta Grillo, 2024-09-23 Think of national borders beyond just lines this invitation guides Nicoletta Grillo's journey into the Swiss Italian border a journey shaped through the lens of photography

theory and practice Moving between contemporary cross border work and south north migrations this study unveils today's borderscapes as dynamic constellations of spatial practices and imaginations The book delves into landscape representations by combining the analysis of contemporary photographic artwork with field research and with the author's own photographs displayed in an extensive photo textual travelogue Perspectives from critical border studies research in the arts and urban studies come together to offer a larger reflection on the re imagination of borderscapes
