who have no strength to fight After visiting the Islands of the Aegean as well as Rhodes and Cyprus he passed on to Antioch and followed the well known southern route skirting the Mediterranean visiting the important cities along the coast all of which were then in the hands of the Franks Having regard to the strained relations between the Christians and Saracens and to the fights and forays of the Latin knights we can understand that Benjamin had to follow a very circuitous way to enable him to visit all the places of note in Palestine
